Marmaduke Housing Authority Violence Against Women Act Policy

In compliance with the Violence Against Women Act of 2005, it is the policy of the Marmaduke Housing Authority that:

1. No person shall be denied housing or have his or her housing assistance terminated because that person has been a victim of domestic violence or stalking.
2. In the event that one member of a household engages in domestic violence or stalking, only that person shall be denied housing or have his or her assistance terminated; the remainder of the household shall not otherwise be excluded from assistance or terminated from assistance.
3. If a person vacates a unit in order to protect the safety of a victim of domestic violence, that act shall not constitute "abandonment" under the terms of the lease.
4. The Housing Authority reserves the right to require proof that an individual is a victim of domestic violence or stalking. The tenant shall be afforded 14 business days to provide documentation, including one or more of the following: certification from an attorney, domestic violence service provider or medical professional, or a police or court record

Definition of “Substantial Deviation” and “Significant Amendment or Modification”

The Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a full review by the Resident Advisory Board before a corresponding change in the Agency Plan can be adopted:

- 1. Any alteration of the PHA’s Mission Statement**
- 2. Any change or amendment to a stated Strategic Goal**
- 3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met**
- 4. Any introduction of a new Strategic Goal or a new Strategic Objective**
- 5. Any alteration in the Capital Fund Program that affects an expenditure greater than twenty percent of the CFP Annual Budget for that year**

In defining the above, the Housing Authority intends by “Strategic Goal” and “Strategic Objective” specifically those items in its Five Year Plan and any change in the above items will be considered a “substantial deviation” from the plan.

Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these items are “significant amendments or modification” to the Agency Plan:

- 1) Changes to rent or admissions policies or organization of the waiting list**
- 2) Additions of non-emergency work-items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund**
- 3) Additions of new activities not included in any PHDEP Plan**
- 4) Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities**

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements, such changes will not be considered significant amendments by HUD
