As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). 9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. The greatest housing needs for Highlands County reflects the absence of affordable rental housing. Underserved population includes elderly, disabled and extremely low income families. Complicating this limited affordable housing stock issue is a unemployment rate of +12% for Highlands County and minimal interest by local lending institutions to underwrite marginal risk multi-family residential construction. Local governments cannot support affordable housing strategies due to property value declines and shrinking tax revenues.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. With what limited resources the APHA has available, the APHA is attempting to provide additional affordable rental housing through Federal Home Loan Bank Funding and State of Florida funding for families of low to moderate income. The APHA also purchased a Mark-To-Market Project Based Section 8 Apartment Complex of 36 units that will help meet waiting list need. The PHA is also rehabbing its 50 unit PH Elderly/Disabled Project to preserve existing housing meet local need. APHA plans to convert 16 family units to Emergency/Transitional housing to meet homeless need.</p>
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan. The APHA has made significant progress in obtaining additional affordable housing through the purchase and rehab. of a 36 unit Project Based Section 8 multifamily property. The authority has also pursued and obtained funding to build 72 affordable rental units through funding available through the Florida Housing Finance Corp and the Federal Home Loan Bank of Atlanta.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification” The APHA is no longer considering pursuing Disposition of Lakeside Park family public housing development. This decision was made due to the local private home sales market no longer supporting individual home sales-after-conversion. The APHA now plans to rehab and retain said project as conventional family Public Housing.</p>

DELANEY HEIGHTS: DELANEY HEIGHTS COMMUNITY BUILDING 4:00 P.M.

Mr. Shoeman opened the meeting with a welcome and attendees (10) made self-introductions. Mr. Shoeman then proceeded to provide the attending residents with an over-view of the Annual & Five year Plan. Residents asked questions related to the degree of rehab that was expected to be completed for Delaney Heights this year. Mr. Shoeman replied that, for the most part, Delaney Heights would be completed in this year rehab cycle, with preventative and limited capital improvements following in subsequent years. Mr. Shoeman stated that the primary rehab emphasis next year and year following would concentrate on Lakeside Park. Residents asked if the same resident employment opportunities would be extended to the Lakeside Park rehab. Mr. Shoeman replied that it was his hope that whoever is selected as the General Contractor for that work, they would hire the existing APHA work crew, provided that they were credentialed to perform that work. Mr. Shoeman then discussed the new “No Smoking” Policy that was going to be implemented beginning January 2010 and reporting activities associated with VAWA. Mr. Shoeman also discussed the new Emergency/Transitional Housing Program scheduled for Lakeside Park and admissions preferences related. After all questions were fielded regarding both the Plans and Policy changes related, Mr. Shoeman thanked the residents for coming out to today’s meeting. General Resident comments were in agreement of the Plan and support of the Policies discussed. Meeting was closed at 4.38 pm.

PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF
DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING

The Violence against Women Reauthorization Act of 2005 (VAWA) prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking. Specifically, Section 607(2) of VAWA adds the following provision to Section 6 of the U.S. Housing Act of 1937, which lists contract provisions and requirements for the public housing program:

Every contract for contributions shall provide that . . . the public housing agency shall not deny admission to the project to any applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for assistance or admission, and that nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

Notification and Victim Documentation

APHA Policy

The APHA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history that would warrant denial under the APHA's policies. Therefore, if the APHA makes a determination to deny admission to an applicant family on the basis of an unfavorable history, the APHA will include in its notice of denial a statement of the protection against denial provided by VAWA and will offer the applicant the opportunity to provide documentation affirming that the cause of the unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking.

The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking

One of the following:

- A police or court record documenting the actual or threatened abuse; or
- A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The applicant must submit the required documentation with her or his request for an informal hearing or must request an extension in writing at that time. If the applicant so requests, the APHA will grant an extension of 10 business days, and will postpone scheduling the applicant's informal hearing until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant the APHA determines the family is eligible for assistance, no informal hearing will be scheduled and the APHA will proceed with admission of the applicant family.

PERPETRATOR REMOVAL OR DOCUMENTATION OF REHABILITATION

APHA Policy

In cases where an applicant family includes the perpetrator as well as the victim of domestic violence, dating violence, or stalking, the APHA will proceed as above but will require, in addition, either (a) that the perpetrator be removed from the applicant household and not reside in the public housing unit or (b) that the family provide documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment.

If the family elects the second option, the documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

This additional documentation must be submitted within the same time frame as the documentation required above from the victim.

APHA CONFIDENTIALITY REQUIREMENTS

All information provided to the APHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

2009 Statement of Service: During the course of the 2009 Operating Year, the APHA has not any applications for protection under this category. The APHA will remain diligent in 2010 to provide protection and referral services to resident victims that qualify for consideration and protection under this policy.
