9.1 Strategy for Addressing Housing Needs

We do not have a waiting list for the Housing Authority of the City of Moultrie. In fact we continue to experience difficulty keeping our units filled due to the influx of low low-income housing construction in our area. In the past few years our jurisdiction has been saturated with development and the past two years alone, two complexes were constructed to house almost two hundred families.

Until we experience population growth that results in a waiting list we believe that we can best serve the community by directing our resources to maintaining and upgrading existing housing to remain competitive in the housing industry.

10.0 Additional Information

(a) Progress in Meeting Goals and Objectives

The Moultrie Housing Authority has completed a review of the current 5-Year Mission and Goals. This attachment is a progress report on how the Authority is faring in accomplishing the goals.

PHA Goal: Improve the quality of assisted housing

To increase customer satisfaction:

The Moultrie Housing Authority continues to strive to achieve excellence in customer satisfaction. Training is provided to employees in all areas of the Authority on an as needed basis.

The Capital Fund Program is used to enhance the housing stock. The MHA is currently replacing roofs, floor tiles and kitchen countertops, sinks and faucets at the developments. A schedule of Capital Fund Program work items for the FY2010-2014 Five-Year Action Plan is located in Attachment ga060a01.

The Authority has again received High Performing PHA status for the most recent fiscal year.

PHA Goal: Provide an improved living environment

To improve security, the Housing Authority pays a police officer \$20 an hour for six hours a day to patrol the developments seven days a week. The Moultrie police department also provides details on arrest reports daily, which has led to several evictions in the past year.

PHA Goal: Provide or attract supportive services to improve assistance recipients' employability.

The MHA communicates to residents about the programs provided by the Colquitt County Art Center. The center provides programs for both children and adults to become more rounded individuals.

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

The Moultrie Housing Authority continues to follow HUD guidelines pertaining to admissions and occupancy of public housing.

(b) Significant Amendment and Substantial Deviation/Modification

Substantial Deviation from the 5-year Plan:

A “Substantial Deviation” from the 5-Year Plan is an overall change in the direction of the Authority pertaining to the Authority’s Goals and Objectives. This includes changing the Authority’s Goals and Objectives.

Significant Amendment or Modification to the Annual Plan:

A “Significant Amendment or Modification” to the Annual Plan is a change in a policy or policies pertaining to the operation of the Authority. This includes the following:
