Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1: Maximize the number of affordable units available to the PHA within its current resources by:

- *Maintain or increase Section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction*
- *Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required*
- *Participate in the Consolidated Plan development process to ensure coordination with broader community strategies*

Strategy 2: Increase the number of affordable housing units by:

- *Apply for additional Section 8 vouchers should they become available*
- *Pursue housing resources other than public housing or Section 8 tenant-based assistance.*
- *The Hawai'i County Housing Agency projects that it will Project-Based approximately 80 units. The Project-basing of units under the Housing Choice Voucher (Section 8) Program is consistent with the Agency's Consolidated and PHA Plans.*

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

- *Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance*

Need: Specific Family Types: The Elderly and Families with Disabilities

Strategy 1: Target available assistance to the elderly and the disabled:

- *Apply for special-purpose vouchers targeted to the elderly, should they become available*
- *Affirmatively market to local non-profit agencies that assist families with disabilities*

Strategy 2: Conduct activities to affirmatively further fair housing

- *Participate in Annual Fair Housing Seminar. Provide information to all attendees about Housing Choice Voucher Program.*

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

In accordance with Notice PIH 99-51, PHAs are required to explain "substantial deviations" from the 5-Year Plan in the Annual Plan. PHAs may change or modify their plans or policies described in them but any "significant amendment or modification" requires the PHA to submit a revised PHA Plan that has met full public process requirement.

A "substantial deviation" or a "significant amendment or modification" is defined by OHCD as substantive change to the OHCD's method of doing business. HUD rules govern many of the procedures used by any PHA, including OHCD. Where HUD rules require OHCD to state its policies regarding its procedures, those policies are contained in the Rules and Regulations of the Office of Housing and Community Development (Rules). Substantive changes in those Rules require a Public Hearing according to Hawaii Revised Statutes Chapter 91. Some examples of substantial deviations or significant amendments or modifications to the Rules of OHCD would be:

- 1) Changes to rent or admissions policies*
- 2) Changes to Waiting List policies;*
- 3) Changes in the eligibility criteria for participants;*
- 4) Changes in the grievance settlement policies.*

OHCD will also explain in the Annual Plan when there is a substantive change in OHCD's policies as stated in the 5-Year Plan. That change will meet public process requirements.

PHA Goal: Expand the supply of assisted housing

2. Leverage private or other public funds to create additional housing opportunities

PHA Goal: Increase assisted housing choices

Objectives:

1. Provide voucher mobility counseling.
2. Develop and enhance partnerships with Agencies to leverage resources and coordinate affordable housing activities.
3. Conduct ongoing public relations outreach with affordable housing advocates, social service agencies and landlords concerning program availability and participation requirements.

The Project-basing of units under the Housing Choice Voucher (Section 8) Program is consistent with the Agency's Consolidated Plan and PHA Plans. Project basing of the assistance for this number of units, rather than tenant basing of the same amount of assistance is an appropriate option for the County of Hawai'i because the supply of units for tenant-based assistance at this time is limited.
5. Actively seek new and innovate ideas to improve affordable housing opportunities.

PHA Goal: Provide self-sufficiency and asset development of assisted households

Objectives:

1. Actively promote and market the benefits of the Family Self-Sufficiency and Section 8 Homeownership Programs to increase participation. Conduct quarterly informational meetings to eligible participants.
2. Provide self-sufficiency planning support services to the required number of Family Self Sufficiency (FSS) participants.
3. Continue to work with "partners" in providing Financial Literacy and Credit Counseling services.
4. Enroll new clients in the Individual Development Account (IDA) program when funds are available
5. Apply for additional program funding as they become available.

PHA Goal: Customer Service

Objectives:

1. Ensure a commitment to customer service is at the forefront of all activities while enforcing established law, regulations, policies and procedures.
2. Enhance quality control and data collection procedures that track performance and ensure accurate data submission to HUD. The system will promote the maximization of fees earned and the number of families assisted with available resources.
3. Maintain a 95% or better family record (HUD 50058) submission rate to HUD. Achieve a Section Eight Management Assessment Program (SEMAP) score of 90% or better thereby being recognized by HUD as a "High Performer".
4. Leverage software and technology to streamline and enhance internal operations, to maximize regulatory compliance and minimize findings during reviews and audits, and to facilitate on-line customer access to affordable housing resources.

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Objectives:

1. Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familiar status and disability.
