**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 2010, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.

Thank you for responding to our recent survey regarding your interest in being involved in a Resident Advisory Board (RAB). However, the majority of comments are beyond the scope, power, and authority of the Iowa City Housing Authority to impact these concerns, or other City Departments and Community Based Agencies are better suited to meet these concerns. Examples include fixing streets, repairing abandoned homes, empowering neighborhoods, dealing with perception of City-wide increase in criminal activity, etc.

The City of Iowa City is in the process of writing the next edition of CITY STEPS, a comprehensive five-year plan that is used to help guide the City's prioritization process in determining which agencies and projects will receive federal, state, and local funding. The City of Iowa City is looking for input on ways to make the City more livable and accommodating for low- to moderate-income residents in terms of housing, employment, services such as transportation and health care, and other issues.

To ensure your input becomes a part of this process, I have enclosed the survey the City of Iowa City is using to gather citizen input. I strongly encourage you to complete the survey and return it in the enclosed return address envelope no later than June 12, 2009.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Rackis".

Analysis of the recommendations submitted by Resident Advisory Board (RAB) and the decisions made on these recommendations.

The majority of comments are beyond the scope, power, and authority of the Iowa City Housing Authority to impact these concerns, or other City Departments and Community Based Agencies are better suited to meet these concerns. Examples include fixing streets, repairing abandoned homes, empowering neighborhoods, dealing with perception of City-wide increase in criminal activity, etc.

The Iowa City Housing Authority and the City of Iowa City Neighborhood Services will continue the initiative we launched in 2008: "Good Neighbors—Strong Neighborhoods". The idea is to partner with Neighborhood Associations to develop strategies to promote the peaceful enjoyment of the neighborhood for all residents. Our goal is the increased participation of Housing Authority clients in the activities sponsored by the City of Iowa City Neighborhood Associations.

Through the Office of Neighborhood Services, the City of Iowa City supports and encourages neighborhood action and provides ideas and resources that can help shape the future of a neighborhood. The City coordinates with the Neighborhood Associations to work through their short and long-term needs that best serve the interests of the neighborhood within the goals of the larger community. The City of Iowa City also provides financial and technical assistance in the printing and mailing of newsletters and meeting notices.

OTHER

46. What other kinds of housing and community development needs require attention in the City?

I think the issue of extreme rental increases in and around downtown needs to be addressed. When it costs \$1500 for most 3 Bedrooms near downtown, only do something under graduates' parents can afford to live in the neighborhood by driving out any remaining families left. We need a diverse mix of people in our neighborhood to counter being drinking college parties from taking over the neighborhoods each night. When college students live next door to a family their awareness is pruned and their responsibility of being an adult are more evident. We must ^{Page 3} strike a balance in our neighborhoods while houses still remain in them.

I believe that federal funds should be concentrated in deteriorated areas or neighborhoods.

48. Which areas or neighborhoods within the City require revitalization? (please list specific locations)

All neighborhoods currently overrun by college students - specifically irresponsible undergraduates. They are turning neighborhoods into unsafe havens for binge drinking parties, underage alcohol and ~~other~~ drug use/sale.
