7.0	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p style="text-align: center;">Danville Housing Authority Hope VI, Mixed Finance, Demolition, Conversion, Homeownership</p> <p>The Danville Housing Authority has reviewed several of the programs available and has an interest in several of them.</p> <p>Hope VI is of interest to the Board of Commissioners and has been placed in our current Goals and Objectives. We are interested in reviewing the possibilities this program could offer. Our biggest family development was originally built in the 1940's and had an addition built in the 1950's. There is an interest in reviewing this program to see how it would benefit our residents with newer facilities and a reduction in population density.</p> <p>Mixed Finance Development has been an interest for our Authority for several years. This has been included in our annual and five-year plans for the past several years. We have again included it in our current goals and objectives. We would like to work more closely with our City's Community Development Block Grant Program and other private developers as new developments are planned for our community. Last year we met with two different developers as they were planning new facilities for our community. We believe our involvement with this type of program can only enhance the betterment of affordable housing within our community.</p> <p>Demolition and/or Disposition are currently in our plan for the final phase of our old project # IL011004, Carver. These units were razed after the flood of 1990 as they were uninhabitable. The final phase is to remove the old administration building and maintenance shed that were not destroyed during the flood but have deteriorated over time due to lack of funding for maintenance. These two buildings are located between the 400 and 500 block of East Williams Street. They are located in or near the flood plain. The plans include clearing the site of the brick administration building and the metal maintenance shed in November/December 2009, depending upon approval of the application to HUD for the demolition. The City of Danville has inquired about using the 11-acre site for an expansion of their current park that is adjacent to our property. The inquiry from the City has only been in the very preliminary stages.</p> <p>Section 8 Homeownership Program has been in our Annual Plan for the past several years. Staff has been trained on this program, but at the time funding was an issue. Additional training is necessary and another evaluation of the program needs to be completed by staff prior to a recommendation to the Board of Commissioners to pursue this program. There is interest by the Board of Commissioners for this program.</p>
8.0	<p>Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.</p>
8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing. See attachment : il011b03</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan. See attachment: & il011c03</p>
8.3	<p>Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>

Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

**Danville Housing Authority
Housing Needs**

We have seen an increase in both our wait lists – Our Section 8 list was opened for one week in June of 2009 we received over 700 applications we still have about 350 on the list and our Public Housing Programs has about 270.

Out of those in Public Housing we have: 86.30% -Black/African American, 12.59% - White, 0.37% - Native Hawaiian/Other Pacific Islander and 0.74% - Asian. They qualify at the following income levels:

Low Income- 2 Very Low Income- 9 Extremely Low Income- 259

Section 8: 88.40% -Black/African American, 10.97% - White, 0.31% - Native Hawaiian/Other Pacific Islander and 0.31% - Asian. They qualify at the following income levels:

Low Income- 0 Very Low Income- 16 Extremely Low Income- 303

Based on the U.S. Census Bureau, 2005 American Community Survey, 16.6% of the families living in our community are below poverty level and 19.7% of individuals in our community are living below poverty level. This compares to the United States average of 10.2% for family and 13.3% for individuals showing a significant poverty level with a multitude of needs.

Information from Danville School District #118 states that we have at least 74.73% of students receiving free and reduced lunches. Three of our neighborhood schools have much higher free and reduced lunch totals. Two of the elementary schools have a wide average of 94% while the other has 90%. This also confirms the extreme poverty levels within our community and the need for social services.

There are a number of other privately owned income based housing facilities located in our jurisdiction that are also experiencing the same high number on their wait lists. Just in the past year, private developers completed a 25 unit affordable housing complex and two others were pending tax credit application approval. There is not enough quality, affordable single family homes to accommodate the needs of our community. With growing families there is an increased need for 3 and 4 bedroom units. Most single family homes not on the Section 8 program are of lower quality and are located in less than desirable areas of the community. With the loss of industry and available jobs in our community we have seen a great increase in the use of our social services. Both of our woman’s shelters and the local mission (the men’s shelter) are full to capacity as well. We are an aging population and the number of accessible units is far lower than the need.

The Danville Housing Authority believes that there is such a strong need for additional quality affordable housing in our community that we are pursuing different avenues to create additional housing. We have in our plan to investigate a HOPE VI grant as well as pursue other financial means such as tax credits to begin to increase the quality, affordable housing stock in our community.

9.0

Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

**Danville Housing Authority
Housing Needs Strategy**

There is a need for assisted housing in the City of Danville. Based on the information presented in the City of Danville's 2005-2006 Comprehensive Plan Update in the Existing Conditions section there has been a swing in owner-occupied housing. The plan says, "A point of interest to many in Danville is the continued loss of owner-occupied housing to dilapidation and to conversion to rental-occupied units. The 2000 Census report that of the 13,327 occupied housing units in Danville, 8,334 were owner-occupied units (62.5%) and 4,993 were renter-occupied (37.5%) By comparison, in 1990 there were 8,700 owner-occupied units (63.0%) and 5,091 renter-occupied units (37.0%). These numbers show a disturbing trend in that over 350 owner-occupied units were lost between 1990 and 2000". Current information that we have received from the City is that the number of rentals has increased to over 6,000 unit's city wide.

The Housing Authority is prepared to assist in this increase in non owner-occupied properties. We have received additional funding in our Section 8 program and are leasing Vouchers again. Our goal is to help families with their housing needs as the budget will allow. We recently applied for VASH Vouchers to assist Veterans from our local Veteran's Administration Hospital. We plan on continuing to increase our lease up rate. We have set our payment standards to the maximum to better assist the landlords as well as the tenants. We continue to market our Section 8 to property owners to increase owner acceptance of the program.

9.1 Section 8 Homeownership Program has been in our Annual Plan for the past several years. Staff has been trained on this program, but at the time funding was an issue. Additional training is necessary and another evaluation of the program needs to be completed by staff prior to a recommendation to the Board of Commissioners to pursue this program. There is interest by the Board of Commissioners for this program.

Our Community Profile on Vermilion Advantage's Web Site shows families below poverty level in our county at 16.6% as compared to the U.S. Average of 10.2%. It also shows individuals below the poverty level at 19.7% as compared to the U.S. Average of 13.3%. These are high numbers. Information from the Danville School District #118 reflecting the Free and Reduced Meal Program shows several of the individual schools at 94% of the student population qualifying for this problem.

Many of these residents live on our programs. We continue to strive within our Public Housing program to reduce turn-over time and renovation time needed to re-lease vacated public housing units. Our unit turn rate is higher than we would like it to be.

Another program of interest to the Board of Commissioners is the HopeVI program. We are interested in reviewing the possibilities this program could offer. Our biggest family development was originally built in the 1940's and had an addition in the 1950's. There is an interest in reviewing this program to see how it would benefit our residents with newer facilities and a reduction in population density.

Mixed Finance Development has been an interest for our Authority for several years. This has been included in our annual and five-year plan for the past several years. We have again included this in our current goals and objectives. We would like to work more closely with our City's Community Development Block Grant Program and other private developers as new developments are planned for our community. Last year we met with two different developers as they were planning new facilities for our community. We believe our involvement with this type of program can only enhance the betterment of affordable housing within our community.

Our overall goal is to increase occupancy in both of our current housing programs and to seek out other means to assist the residents of our community.

Check box if submitting a Joint PHA Plan and complete the table.

5.0 Five-Year Plan

Identify the PHA's Mission, Goals and/or Objectives (24 CFR 903.6). Complete only at 5-Year update.

5.1 Mission. A statement of the mission of the public housing agency for serving the needs of low-income, very low-income, and extremely low-income families in the jurisdiction of the PHA during the years covered under the plan.

5.2 Goals and Objectives. Identify quantifiable goals and objectives that will enable the PHA to serve the needs of low income, very low-income, and extremely low-income families.

6.0 PHA Plan Update. In addition to the items captured in the Plan template, PHAs must have the elements listed below readily available to the public. Additionally, a PHA must:

- (a) Identify specifically which plan elements have been revised since the PHA's prior plan submission.
- (b) Identify where the 5-Year and Annual Plan may be obtained by the public. At a minimum, PHAs must post PHA Plans, including updates, at each Asset Management Project (AMP) and main office or central office of the PHA. PHAs are strongly encouraged to post complete PHA Plans on its official website. PHAs are also encouraged to provide each resident council a copy of its 5-Year and Annual Plan.

PHA Plan Elements. (24 CFR 903.7)

1. **Eligibility, Selection and Admissions Policies, including Deconcentration and Wait List Procedures.** Describe the PHA's policies that govern resident or tenant eligibility, selection and admission including admission preferences for both public housing and HCV and unit assignment policies for public housing; and procedures for maintaining waiting lists for admission to public housing and address any site-based waiting lists.

2. **Financial Resources.** A statement of financial resources, including a listing by general categories, of the PHA's anticipated resources, such as PHA Operating, Capital and other anticipated Federal resources available to the PHA, as well as tenant rents and other income available to support public housing or tenant-based assistance. The statement also should include the non-Federal sources of funds supporting each Federal program, and state the planned use for the resources.
3. **Rent Determination.** A statement of the policies of the PHA governing rents charged for public housing and HCV dwelling units.
4. **Operation and Management.** A statement of the rules, standards, and policies of the PHA governing maintenance management of housing owned, assisted, or operated by the public housing agency (which shall include measures necessary for the prevention or eradication of pest infestation, including cockroaches), and management of the PHA and programs of the PHA.
5. **Grievance Procedures.** A description of the grievance and informal hearing and review procedures that the PHA makes available to its residents and applicants.
6. **Designated Housing for Elderly and Disabled Families.** With respect to public housing projects owned, assisted, or operated by the PHA, describe any projects (or portions thereof), in the upcoming fiscal year, that the PHA has designated or will apply for designation for occupancy by elderly and disabled families. The description shall include the following information: **1)** development name and number; **2)** designation type; **3)** application status; **4)** date the designation was approved, submitted, or planned for submission, and; **5)** the number of units affected.
7. **Community Service and Self-Sufficiency.** A description of: **(1)** Any programs relating to services and amenities provided or offered to assisted families; **(2)** Any policies or programs of the PHA for the enhancement of the economic and social self-sufficiency of assisted families, including programs under Section 3 and FSS; **(3)** How the PHA will comply with the requirements of community service and treatment of income changes resulting from welfare program requirements. **(Note: applies to only public housing).**
8. **Safety and Crime Prevention.** For public housing only, describe the PHA's plan for safety and crime prevention to ensure the safety of the public housing residents. The statement must include: (i) A description of the need for measures to ensure the safety of public housing residents; (ii) A description of any crime prevention activities conducted or to be conducted by the PHA; and (iii) A description of the coordination between the PHA and the appropriate police precincts for carrying out crime prevention measures and activities.

9. **Pets.** A statement describing the PHAs policies and requirements pertaining to the ownership of pets in public housing.
10. **Civil Rights Certification.** A PHA will be considered in compliance with the Civil Rights and AFFH Certification if: it can document that it examines its programs and proposed programs to identify any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction.
11. **Fiscal Year Audit.** The results of the most recent fiscal year audit for the PHA.
12. **Asset Management.** A statement of how the agency will carry out its asset management functions with respect to the public housing inventory of the agency, including how the agency will plan for the long-term operating, capital investment, rehabilitation, modernization, disposition, and other needs for such inventory.
13. **Violence Against Women Act (VAWA).** A description of: 1) Any activities, services, or programs provided or offered by an agency, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking; 2) Any activities, services, or programs provided or offered by a PHA that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing; and 3) Any activities, services, or programs provided or offered by a public housing agency to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance victim safety in assisted families.

7.0 Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers

- (a) **Hope VI or Mixed Finance Modernization or Development.** 1) A description of any housing (including project number (if known) and unit count) for which the PHA will apply for HOPE VI or Mixed Finance Modernization or Development; and 2) A timetable for the submission of applications or proposals. The application and approval process for Hope VI, Mixed Finance Modernization or Development, is a separate process. See guidance on HUD's website at: <http://www.hud.gov/offices/pih/programs/ph/hope6/index.cfm>
- (b) **Demolition and/or Disposition.** With respect to public housing projects owned by the PHA and subject to ACCs under the Act: (1) A description of any housing (including project number and unit numbers [or addresses]), and the number of affected units along with their sizes and accessibility features) for which the PHA will apply or is currently pending for demolition or disposition; and (2) A timetable for the demolition or disposition. The application and approval process for demolition and/or disposition is a separate process. See guidance on HUD's website at: http://www.hud.gov/offices/pih/centers/sac/demo_dispo/index.cfm
Note: This statement must be submitted to the extent that approved and/or pending demolition and/or disposition has changed.
- (c) **Conversion of Public Housing.** With respect to public housing owned by a PHA: 1) A description of any building or buildings (including project number and unit count) that the PHA is required to convert to tenant-based assistance or

that the public housing agency plans to voluntarily convert; 2) An analysis of the projects or buildings required to be converted; and 3) A statement of the amount of assistance received under this chapter to be used for rental assistance or other housing assistance in connection with such conversion. See guidance on HUD's website at: <http://www.hud.gov/offices/pih/centers/sac/conversion.cfm>

- (d) **Homeownership.** A description of any homeownership (including project number and unit count) administered by the agency or for which the PHA has applied or will apply for approval.
- (e) **Project-based Vouchers.** If the PHA wishes to use the project-based voucher program, a statement of the projected number of project-based units and general locations and how project basing would be consistent with its PHA Plan.

8.0 Capital Improvements. This section provides information on a PHA's Capital Fund Program. With respect to public housing projects owned, assisted, or operated by the public housing agency, a plan describing the capital improvements necessary to ensure long-term physical and social viability of the projects must be completed along with the required forms. Items identified in 8.1 through 8.3, must be signed where directed and transmitted electronically along with the PHA's Annual Plan submission.

8.1 Capital Fund Program Annual Statement/Performance and Evaluation Report. PHAs must complete the *Capital Fund Program Annual Statement/Performance and Evaluation Report* (form HUD-50075.1), for each Capital Fund Program (CFP) to be undertaken with the current year's CFP funds or with CFFP proceeds. Additionally, the form shall be used for the following purposes:

- (a) To submit the initial budget for a new grant or CFFP;
- (b) To report on the Performance and Evaluation Report progress on any open grants previously funded or CFFP; and
- (c) To record a budget revision on a previously approved open grant or CFFP, e.g., additions or deletions of work items, modification of budgeted amounts that have been undertaken since the submission of the last Annual Plan. The Capital Fund Program Annual Statement/Performance and Evaluation Report must be submitted annually.

Additionally, PHAs shall complete the Performance and Evaluation Report section (see footnote 2) of the *Capital Fund Program Annual Statement/Performance and Evaluation* (form HUD-50075.1), at the following times:

1. At the end of the program year; until the program is completed or all funds are expended;
2. When revisions to the Annual Statement are made, which do not require prior HUD approval, (e.g., expenditures for emergency work, revisions resulting from the PHAs application of fungibility); and
3. Upon completion or termination of the activities funded in a specific capital fund program year.

8.2 Capital Fund Program Five-Year Action Plan

PHAs must submit the *Capital Fund Program Five-Year Action Plan* (form HUD-50075.2) for the entire PHA portfolio for the first year of participation in the CFP and annual update thereafter to eliminate the previous year and to add a new fifth year (rolling basis) so that the form always covers the present five-year period beginning with the current year.

8.3 Capital Fund Financing Program (CFFP). Separate, written HUD approval is required if the PHA proposes to pledge any

portion of its CFP/RHF funds to repay debt incurred to finance capital improvements. The PHA must identify in its Annual and 5-year capital plans the amount of the annual payments required to service the debt. The PHA must also submit an annual statement detailing the use of the CFFP proceeds. See guidance on HUD's website at:

<http://www.hud.gov/offices/pih/programs/ph/capfund/cffp.cfm>

9.0 Housing Needs. Provide a statement of the housing needs of families residing in the jurisdiction served by the PHA and the means by which the PHA intends, to the maximum extent practicable, to address those needs. **(Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan).**

9.1 Strategy for Addressing Housing Needs. Provide a description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **(Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan).**

10.0 Additional Information. Describe the following, as well as any additional information requested by HUD:

- (a) **Progress in Meeting Mission and Goals.** PHAs must include (i) a statement of the PHAs progress in meeting the mission and goals described in the 5-Year Plan; (ii) the basic criteria the PHA will use for determining a significant amendment from its 5-year Plan; and a significant amendment or modification to its 5-Year Plan and Annual Plan. **(Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan).**
- (b) **Significant Amendment and Substantial Deviation/Modification.** PHA must provide the definition of "significant amendment" and "substantial deviation/modification". **(Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan.)**

- (c) PHAs must include or reference any applicable memorandum of agreement with HUD or any plan to improve performance. **(Note: Standard and Troubled PHAs complete annually).**

11.0 Required Submission for HUD Field Office Review. In order to be a complete package, PHAs must submit items (a) through (g), with signature by mail or electronically with scanned signatures. Items (h) and (i) shall be submitted electronically as an attachment to the PHA Plan.

- (a) Form HUD-50077, *PHA Certifications of Compliance with the PHA Plans and Related Regulations*
- (b) Form HUD-50070, *Certification for a Drug-Free Workplace (PHAs receiving CFP grants only)*
- (c) Form HUD-50071, *Certification of Payments to Influence Federal Transactions (PHAs receiving CFP grants only)*
- (d) Form SF-LLL, *Disclosure of Lobbying Activities (PHAs receiving CFP grants only)*
- (e) Form SF-LLL-A, *Disclosure of Lobbying Activities Continuation Sheet (PHAs receiving CFP grants only)*
- (f) Resident Advisory Board (RAB) comments.
- (g) Challenged Elements. Include any element(s) of the PHA Plan that is challenged.
- (h) Form HUD-50075.1, *Capital Fund Program Annual Statement/Performance and Evaluation Report (Must be attached electronically for PHAs receiving CFP grants only)*. See instructions in 8.1.
- (i) Form HUD-50075.2, *Capital Fund Program Five-Year Action Plan (Must be attached electronically for PHAs receiving CFP grants only)*. See instructions in 8.2.

Danville Housing Authority
10.0 (a) Progress in meeting Mission and Goals

HUD Strategic Goal: Increase the availability of decent, safe and affordable housing.

PHA Goal: Expand the supply of assisted housing

Objectives:

- Reduce Public Housing vacancies
- Apply for additional rental vouchers

PHA Goal: Improve the quality of assisted housing

Objectives:

- Improve Public Housing Management (PHAS Score)
- Improve Voucher Management (SEMAP Score)
- Increase Customer Satisfaction
- Concentrate on efforts to improve specific management functions:
(Public Housing Finances, Voucher Unit Inspections)
- Renovate or modernize public housing units

PHA Goal: Increase assisted housing choices

Objectives:

- Provide voucher mobility counseling
- Conduct outreach efforts to potential Section 8 Voucher landlords
- Increase Voucher Payment Standards
- Utilize all funding for Section 8 Housing Choice Vouchers
- Review branching out of jurisdiction to Iroquois County for Section 8
- Review offering the Section 8 Housing choice Voucher Home Ownership Program
- Review other forms of affordable housing for expansion.

The Housing Authority made progress in several areas of this strategic goal the past several years. We applied for Section 8, VASH vouchers to assist our local veterans in conjunction with our local Veterans Hospital. Vacancy reduction within Public Housing has remained relatively stable. Our turnover rate is high and we have been stricter regarding lease violations. Our PHAS score has increased over the past several years and our SEMAP score is now at 100%. Our last customer satisfaction score in PHAS was a 9.

Over the past several years, as funding from HUD has been reduced, the Housing Authority has maintained reserves in both the Public Housing Program and the Section 8 Program. Some years reserves were decreased while other years they were increased. This was done by reducing staff and minimizing expenditures. We continue to renovate our public housing stock to make them viable community assets.

We continue to conduct outreach efforts to increase our supply of Section 8 landlords. Through word of mouth, speaking engagements and our monthly radio program we continue to explain the value of Section 8 to the community and how important this asset is to Danville. As funding has allowed, we have increased the Section 8 payment standards to 110% of FMR. During calendar year 2008 we were using more than our current funding for Section 8 as we dipped into our HAP reserves to make payments to our landlords. As funding has been restored during calendar year 2009, we re-opened the wait list and re issuing vouchers as quickly as possible in an effort to utilize all funding. We have not been actively pursuing the expansion of our jurisdiction into Iroquois County because of the retroactive reductions in Section 8 funding over the past several years. We also did not actively pursue offering the Section 8

Housing Choice Voucher Home Ownership Program due to funding restraints. We have continued to work with the City of Danville to improve relations regarding expansion of assisted housing though the Mayor continues to oppose this action.

HUD Strategic Goal: Improve community quality of life and economic vitality

PHA Goal: Provide an improved living environment

Objectives:

- Implement public housing security improvements
- Designate developments or buildings for particular resident groups (elderly, persons with disabilities or possible change to 1 bedroom family development)

Over the course of the past several years, we have installed motion detection cameras in both of our high-rise buildings for resident security. The Danville Police Department has access to monitoring the cameras from their patrol cars. We have revamped the alarm system to prevent certain doors from being “propped open” to allow non-residents into the secure building. We continue to review the process of designating a particular building for a particular resident group. We have hired an engineering firm to provide costs to reduce the number of zero bedroom units in one of the buildings and make more one-bedroom units. This will make the property much more marketable for potential clients.

HUD Strategic Goal: Promote Housing Self-Sufficiency

PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

- Increase the number and percentage of employed persons in assisted families
- Provide or attract supportive services to improve assistance recipients’ employability
- Provide or attract supportive services to increase independence for the elderly or families with disabilities

We continue to work with a number of agencies within our community to promote self-sufficiency. The Housing Authority is a member of our Vermilion County Workforce Investment Board and works closely with the members of that board. We are represented on many boards and advisory boards’ through-out the city and county to promote our mission and to form collaborative partnerships. These include the Community School District, the Community College, and many others support service agencies within the community.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Objectives:

- Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status and disability.
- Undertake affirmative measures to provide a suitable living environment for families living in assisted housing regardless of race, color, religion, national origin, sex, familial status and disability.
- Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required.

Though there has been pressure from various sectors of the community for the Authority to accept applicants only from our local community this did not happen. We make sure we undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex,

familial status and disability. Our Public Housing wait list continues to remain open and applications are available on our web site. Applications arrive daily from many parts of the country. We had our Section 8 wait list open for five days this past June and received 700 applications. We have made modifications to units as necessary to provide suitable living environments. We work very hard to ensure accessible housing for all persons with all varieties of disabilities regardless of unit size required.

Danville Housing Authority
11.0 (f) RAB comments

The following are questions from resident meetings with each AMP and their resident advisory boards to discuss their wants and concerns for the PHA Plans.

AMP 101- Fair Oaks

- RAB – 1.) Will the rest of the roofs and roads at the Fair Oaks complex be completed in 2010?
2.) Can we get ceiling fans installed in our units for the summer heat?

DHA – 1.) Roof repairs will be a continuous cycle over the upcoming years. With limited funding we will repair/replace all of the roofs in one AMP and then it is time to move on to another AMP and so forth. By the time we have all AMP's complete it is time to start over, so yes we will complete as much as we have the funding for. We continue to do the most needed roof work first. And yes, the road repairs started in the summer are scheduled for completion this coming spring and we will repair/replace as much of the remaining roads as funding is available.

2.) We have installed them for residents in the past and would prefer to complete the installation if a resident has one they would like to use. As far as a ceiling fan being a regular fixture in all of the units, this cost will have to be evaluated for future planning.

AMP 102 – Churchill Towers, Beeler Terrace and Madison Court

- RAB – 1.) Will the community room at Churchill Be remodeled soon?
2.) Can a second elevator be added at Churchill?
3.) We would like new kitchen cabinets at Churchill Towers is this a possibility?

DHA – 1.) Once we have specs and the bid process is complete. There will have to be asbestos abatement as well. This should all be completed by February. We will then begin the completion of the remodel.

2.) We must first figure out where to put it as we would either have to destroy existing units or build an addition to accommodate a second elevator. It is still being investigated at this time.

3.) We are concentrating on infrastructure issues at all developments and updating our outdated facilities as best we can with the funding available. ARRA funds are helping with the infrastructure issues. Kitchen cabinets can certainly be looked at for future plans.

AMP 103 – Mer Che Manor

- RAB – 1.) Can we get additional cameras for the rest of the building and the parking lots?
2.) Can we get signs for the patio room and other common areas stating "no alcoholic beverages allowed"?

DHA – 1.) Additional cameras are in the plan as well as additional lighting for the hallways and stairwells.

- 2.) Signs will be ordered.

PUBLIC HEARING COMMENTS:

Chairman Puhr stated that with little attendance at this year's hearing it has been decided to return to the 4:00 p.m. time slot for the 2010 PHA Annual and Five Year Plans public hearing.

The Mayor of the City of Danville, Illinois has concerns and questions about our plans as he feels we should reduce both the number of Public Housing units and Section 8 vouchers available to the Danville community. He feels that we have burdened our social service agencies with increased numbers of residents in both programs. The Authority has not varied from our usual numbers for both programs from the past few years and have actually had to dip into reserves to cover HAP payments for Section 8. We feel the numbers the Mayor used for his statistical information are not quite correct and we have provided corrected information for his use. The staff of DHA feels there is a need for every unit and voucher we have available to our community and feel we are doing our best implement both plans. We continue to strive to make our properties more marketable and inviting to possible clients and will continue to do so as long as we are able.

**Danville Housing Authority
Carbon Monoxide Detector Act**

In accordance with the Carbon Monoxide Detector Act (Public Act 094-0741) effective January 1, 2007, the Housing Authority of the City of Danville, Illinois has completed inspection and installation of combination smoke/carbon monoxide detector, with hard-wire/battery back-up in all units with sleeping areas as well as any buildings that burn fossil fuels, such as natural gas, coal or propane. Inspections were performed during the second week in December and all installations were complete by the January 1, 2007 effective date. We continue to remind the tenants that battery replacement is to be completed by them if they are able but we will respond when we receive a call for smoke or carbon monoxide issues. We also make sure that the unit is ready and fully operational upon move-in.
