9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p style="text-align: center;">Housing Needs Analysis – Section 8</p> <p>When analyzing local housing markets and developing strategies for meeting housing problems, HUD suggests the consideration of several factors. These factors include how much a household spends on housing costs, the physical condition of the housing and whether or not the household is overcrowded.</p> <p>An excess cost burden is identified when a household pays more than 30 percent of its gross income for housing costs. When so much is spent on housing, other basic household needs may suffer.</p> <p>The measure of physical inadequacy is the number of units lacking complete kitchen and/or plumbing facilities. While this is not a complete measure of physical inadequacy, the lack of plumbing and/or kitchen facilities can serve as a strong indication of one type of housing inadequacy.</p> <p>Overcrowded housing conditions occur when a residence accommodates more than one person per each room in the dwelling. Overcrowding may indicate a general lack of affordable housing in a community where households have been forced to share space, either because other housing units are not available or because the units available are too expensive.</p> <p>The housing needs of the very low-income and extremely low-income families are constantly reviewed with regard to those current and potential participants of the Section 8 Housing Choice Voucher Program. Affordability is reviewed annually when determining whether to increase or decrease payment standards. In addition, the Authority ensures that a family pays no more than 30% of their monthly adjusted income towards rent and utilities at initial occupancy, thereby allowing families to have a more viable and stable economic and living environment.</p> <p>The Cicero Housing Authority monitors the special needs categories of those utilizing the program as well as those families selected from the waiting list. Selection from the waiting lists is determined by the Cicero Housing Authority's established preferences of a disabled member in the household or veteran/surviving spouse of a veteran. Whenever a PHA issues a voucher to a family that includes a person with disabilities, the PHA provides a current listing of available accessible units known to the PHA and, if necessary, otherwise assists the family in locating an available accessible dwelling unit. Currently there are 930 families on the Cicero Housing Authority's Section 8 Housing Choice Voucher Program waiting list. Approximately 86% are extremely low-income and about 14% represent very low-income families. The Cicero Housing Authority will continue to target families whose income is at or below 30% of the area median income.</p>

9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <ul style="list-style-type: none"> ➤ Maintain or increase lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction. ➤ Maintain or increase lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of the program. ➤ Program staff and Local Operators will continue marketing the program to the local Chamber of Commerce, real estate agencies and apartment associations. ➤ The Cicero Housing Authority will continue to adhere to the guidelines set forth in the Violence against Women Reauthorization Act of 2005 (VAWA), which prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking. Specifically, Section 606(4)(A) of VAWA adds the following provision to Section 8 of the U.S. Housing Act of 1937, which lists contract provisions and requirements for the housing choice voucher program. ➤ The Cicero Housing Authority will ensure full compliance with the Carbon Monoxide Detector Act during its HQS inspections.

Violence Against Women Act
FY 2010, 5-Year and Annual Plan

The Cicero Housing Authority (CHA) has adopted a policy to implement applicable provisions of the Violence Against Women Act of 2005 (VAWA). The policies enable the CHA to serve the needs of child and adult victims of domestic violence, dating violence, and stalking, as defined in VAWA.

The CHA has revised its Section 8 Housing Choice Voucher Administrative Plan to comply with and support VAWA by establishing policies to support and assist victims of domestic violence, dating violence, or stalking, from being evicted or terminated from housing assistance programs based on acts of such violence against them.

Therefore, the CHA, in compliance with federal laws, will treat all applicants and participants equally, providing the same quality of service, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. The CHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Order 11063
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- Violence Against Women Reauthorization Act of 2005 (VAWA)
- When more than one civil rights law applies to a situation, the laws will be read and applied together.
- Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted

Additionally, the CHA will continue to partner with the Continuum of Care, Family and Medical Services, the Town of Cicero Shelter Program, the Cicero Police Department, and other service agencies, which can assist the CHA in reducing the statistical cases of domestic violence. Furthermore, the CHA understands that partnerships throughout the community can also bring forth an educational perspective, which in turn, could deter any level of discrimination resulting from a domestic violence situation. The CHA anticipates that these outreach efforts and outsourcing initiatives could potentially increase the awareness of VAWA.
