8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.
8.1	Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing.
8.2	Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). 8.3	Capital Fund Financing Program (CFFP). Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.
9.0	Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. Housing Needs- In Logansport Housing Authority's jurisdiction, we are seeing that there is housing available but not affordable for many families. Our community has experienced a drastic increase in unemployment due to the decline of the auto industry. The quality of available housing is diverse. As for affordability, many owners will negotiate rent with the prospective tenant in order to lease the unit. Housing for elderly seems to be sufficient, there are three senior housing complexes in the city of Logansport. There is a lack of housing for non-elderly disabled. There are very few accessible units available throughout the community. There is a possibility that there will be new construction for non-elderly disabled outside the jurisdiction of the Logansport Housing Authority. For low income families there are two Section 8 project-based complexes in the community and two LIHTC complexes.
9.1	Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. In order to address housing needs for families in the community, a listing of units available is posted in the lobby of the Logansport Housing Authority's office. A copy of this listing is available to any and all who request it. The list is updated continuously as we receive information from the owners. Logansport Housing Authority also provides the information to agencies and employers on a quarterly basis. Logansport Housing Authority's waiting list is extremely large at this time. We will be closing our waiting list and no longer take applications., effective November 1, 2009. Opening the waiting list will be depending on future funding. In the meantime, for families needing housing assistance we will refer them to the LIHTC complexes, the Section 8 Project-based complexes and the homeless shelter.

10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <ol style="list-style-type: none"> 1. Explore opportunities for acquisition and renovation of property to provide rental units for low income families - Though Logansport Housing Authority has explored opportunities for acquisition and renovation for low income housing, we have not been able to find a property that would be appropriate for our purposes. Currently, there is sufficient housing for low income families. 2. Provide annual landlord training to educate owners on fair housing issues, Section 8, landlord/tenant laws and other issues. Logansport Housing Authority has not done this on an annual basis. We have provided learning opportunities concerning methamphetamine and how it may impact owners of rental properties. 3. Increase the number of employed persons in assisted families by referring jobless and zero income families to the Family Self-Sufficiency Program . Logansport Housing Authority has been successful in this goal. We have very good participation in the program and a large percentage of Family Self-Sufficiency Program families have active escrow accounts. 4. Provide money management education for Section 8 participants. Logansport Housing Authority has made available budgeting workshops to Section 8 clients. We have found that participation and interest is very low. 5. Become a HUD certified Housing Counseling Agency. Logansport Housing Authority has abandoned this goal. Affordable Housing Agency in Marion Indiana, received a grant to provide housing counseling services in this area, including Cass County. Rather than duplicate services, Logansport Housing Authority refers families to Affordable Housing Agency in Marion for those services. Services are provided by phone so transportation is not an barrier. <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"</p>

ATTACHMENT A:

Resident Advisory Board Comments

The Resident Advisory Board (RAB) met at the office for the Logansport Housing Authority September 8, 2009. In attendance were Sharon Anspach and Ralph Robertson. Absent were: Edward Davis, Melinda Clark and Martin Maxwell.

The RAB was supportive of the future goals of the Logansport Housing Authority.

COMMENTS:

Lack of accessible housing.

Sharon Anspach stated that she felt that this is a serious issue in our community because of the number of elderly and disabled. Advised her that we were in agreement with that advising them that there is a possibility of new construction outside our jurisdiction and that Logansport Housing Authority will stay informed of the progress.

SEMAP

The RAB was very supportive of Logansport Housing Authority's goal to improve our SEMAP score. There was initially some confusion about the purpose of SEMAP but after extensive discussion, they understood the benefits and how it applies to improving Logansport Housing Authority's performance.

Meeting

There was a suggestion that the RAB meet every six months rather than annually. This would help to keep them advised of Logansport Housing Authority's progress toward meeting the goals and give the RAB opportunities to address new issues. The consensus was that the RAB would meet at six month intervals.
