10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>Hill City Housing Authority has met and in continuing to meet the goals set forth in the 5-year plan. HUD has recognized the Housing Authority as a high performer for each year we were assessed. With the use of capital funds, we have modernized the apartments and improved the site by replacing windows in all apartments and the community building, replacing all water heaters, replacing storeroom and mechanical room doors, adding hard-wired smoke detectors in all apartments, replacing flooring in one apartment and the community building, adding a sprinkler system to the grounds, trimming trees, and other miscellaneous improvements. We have held resident meetings approximately twice a year to update residents on policy and procedure changes as well as to solicit ideas for improving the housing authority.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”</p> <p>1) Significant Amendment Hill City HA will amend or modify its Annual Agency Plan upon the occurrence of any of the following events during the term of the approved plan: a) A federal statutory or regulatory change is made effective, and in the opinion of the Authority, has either substantial programmatic or financial effects on the programs administered by the Authority, or creates substantial obligations or administrative burdens beyond the programs under administration at the start of the Plan year, and b) Any other event that the Authority’s board determines to be a significant amendment or modification of the approved annual plan.</p> <p>2) Substantial Deviation Hill City HA will amend its 5 year or agency plan upon the occurrence of any of the following events during the term of an approved plan: a) A federal statutory or regulatory change is made effective, and in the opinion of the Authority, has either substantial programmatic or financial effects on the programs administered by the Authority, or creates substantial obligations or administrative burdens beyond the programs under administration at the start of the Plan year, and b) Any other event that the Authority’s board determines to be a significant amendment or modification of the approved annual plan.</p> <p>Attachment A: VAWA Statement</p> <p>The Hill City Housing Authority will protect certain victims of criminal domestic violence, dating violence, sexual assault, or stalking; as well as members of the victims’ immediate families from losing their HUD assisted housing as a consequence of the abuse of which they were the victim.</p> <p>Under the Violence Against Women Act (VAWA), public housing residents have the following specific protections, which will be observed by the Hill City Housing Authority:</p> <p>An incident or incidents or actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not in itself be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.</p> <p>The Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants. This is also true even if the household member is not a signatory to the lease. Under VAWA, the Housing Authority is granted the authority to bifurcate the lease.</p> <p>The Housing Authority will honor court orders regarding the rights of access or control of the property.</p> <p>There is no limitation on the ability of the Housing Authority to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims.</p> <p>There is no prohibition on the Housing Authority evicting if it “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s (victim’s) tenancy is not terminated.”</p> <p>Any protections provided by law which give greater protection to the victim are not superseded by these provisions.</p> <p>In addition to these changes to the ACOP the Housing Authority has teamed with the local County and City Sheriff’s Office to help support children and adults from violence.</p>
