VIOLENCE AGAINST WOMEN ACT (VAWA)

The Violence against Women Reauthorization Act of 2005 (VAWA), provides that “criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of the tenancy or occupancy rights, if the tenant or immediate family member of the tenant’s family is the victim or threatened victim of that abuse.” VAWA further provides that incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed either as serious or repeated violations of the lease by the victim of such violence or as good cause for terminating the tenancy or occupancy rights of the victim of such violence.

VAWA does not limit the PHA’s authority to terminate the tenancy of any tenant if the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property.

Victim Documentation

PHA Policy

When a tenant family is facing lease termination because of the actions of a tenant, household member, guest, or other person under the tenant’s control and a tenant or immediate family member of the tenant’s family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the PHA will require the individual to submit documentation affirming that claim.

The documentation must include two elements:

- A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking

- One of the following:

- A police or court record documenting the actual or threatened abuse

- A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The required certification and supporting documentation must be submitted to the PHA within 14 business days after the PHA request is received by the victim. Upon written request from the tenant, the PHA will extend the 14-day deadline for an additional 10 business days as long as the extension request is submitted within the initial 14 business-day period. If the individual does not provide the required certification and supporting documentation within 14 business days or the approved extension period, the PHA will proceed with termination of the family’s lease.

If the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant’s tenancy is not terminated, the PHA will bypass the standard process and proceed with the immediate termination of the family’s lease.

Terminating or Evicting a Perpetrator of Domestic Violence

Although VAWA provides protection from termination for victims of domestic violence, it does not provide protection for perpetrators. In fact, VAWA gives the PHA the explicit authority to bifurcate a lease, or to remove a household member from a lease, “in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.” This authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law for eviction, lease termination, or termination of assistance [Pub.L. 109-271].

PHA Policy

When the actions of a tenant or other family member result in a determination by the PHA to terminate the family’s lease and another family member claims that the actions involve criminal acts of physical violence against family members or others, the PHA will request that the victim submit the above required certification and supporting documentation in accordance with the stated time frame. If the certification and supporting documentation are submitted within the required time frame or any approved extension period, the PHA will bifurcate the lease and evict or terminate the occupancy rights of the perpetrator. If the victim does not provide the certification and supporting documentation, as required, the PHA will proceed with termination of the family’s lease.

If the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant’s tenancy is not terminated, the PHA will bypass the standard process and proceed with the immediate termination of the family.

PHA Confidentiality Requirements

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

THE HILLSBORO HOUSING AUTHORITY
FIVE YR PLAN RESIDENT MEETING
MARCH 23, 2010

The following residents were in attendance: Donna Brumm, Mariann Unruh, Bonnie Reagan, Linda Bartel, Vernice Ratzlaff, James Winslow, Kim Friesen, Delbert Funk, Linda Cassidy, Frieda Birkle, Elaine Coach and Regina Ogle.

Executive Director, Gaye Funk, presented a draft copy of the Five Year Plan and a wish list of potential capital grant expenditures.

The residents were in favor of all of the items on the list. Parking was at the forefront of the discussion. Residents would like to have additional parking spaces and a better designed parking lot. In addition, they expressed a desire for assigned parking. The Authority is in agreement with the desire for more, better thought out parking. However, the Authority is opposed to assigned parking spaces for the following reasons: police cannot enforce parking issues on private property; the PHA cannot devote staff time to monitoring parking spaces; the PHA cannot afford the expense of having vehicles towed; and the residents may not like the location of their assigned parking space.

Some of the residents voiced their wish for covered parking. The Authority believes the logistics of covered parking within our confined parking lot is not feasible. Additionally, the cost to maintain such a structure would be burdensome to the Authority.

A few of the residents would like to have washers and dryers in their apartments. The Authority could remodel & place hook-ups in the apartments giving residents the option to purchase washers and dryers. When asked if they would be willing to purchase and maintain the units, interest waned. At this time, the Authority cannot afford to purchase and maintain 24 washers and 24 dryers.

The resident meeting adjourned without further comments.
