5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.																										
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The mission of the Housing Authority of Madisonville is to provide decent, safe and sanitary housing throughout the City of Madisonville and the County of Hopkins for lower-income families, in addition to promoting self-sufficiency for low-income families through supportive services and education free from discrimination.																										
5.2	Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. Goals: <ul style="list-style-type: none"> • Improve the quality of assisted housing through continued improvement of public housing resulting maintaining a low vacancy rate of 2% annual or below; • Improve diversity in public housing resulting in a population reflecting the surrounding community. Five years ago the agency was 83% African American and 17% White, currently African Americans represent 71% of the residents with the remaining population being White. The goal is to continue to balance the population with an increase in diversity by a 5% variation. The City of Madisonville is 75% White with African Americans making up 12.3% of the population. • Promote self-sufficiency and asset development of families and individuals through increasing the number and percentage of employed persons in assisted families, provide or attract supportive services to improve assistance recipients' employability, and provide or attract supportive services to increase independence for the elderly or families with disabilities. Currently 49% of residents receive wages. The goal is to increase this percentage by 6% over the next five years. <i>See attached narrative for progress in meeting the goals and objectives described in the previous 5-Year Plan.</i>																										
6.0	PHA Plan Update (a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: <div style="padding-left: 40px;"> Internal Controls Policy Flat Rents Trespass Policy </div> (b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. <div style="padding-left: 40px;"> Housing Authority of Madisonville Office 211 Pride Avenue Madisonville, KY 42431 </div>																										
7.0	Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable. N/A</i>																										
8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.																										

8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing. See attached 50057.1 documents.</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan. See attached 50075.2 document.</p>
8.3	<p>Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The City of Madisonville does not have a public transportation system; therefore individuals with limited resources must live within walking distance of both child care and work. This continues to greatly reduce lower-income families' housing choice. Another issue of housing choice is that individuals with special needs in accessibility but have limited resources have a very difficult time finding affordable housing.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>The Housing Authority will continue to provide transportation whenever possible and encourage the City to invest in public transportation. Secondly, the Housing Authority will continue to meet the needs of those individuals needing accessible housing that is affordable. Whenever funding is available the MHA will continue to further this goal.</p>
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan. See Attached Narrative addressing 5.2</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification":</p> <p>Discretionary changes or significant amendments or modifications in the plans or policies of the Housing Authority that fundamentally alter the mission, goals, objectives of the agency and require formal approval of the Board of Commissioners.</p>
11.0	<p>Required Submission for HUD Field Office Review. In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Note: Faxed copies of these documents will not be accepted by the Field Office.</p> <p>(a) Form HUD-50077, <i>PHA Certifications of Compliance with the PHA Plans and Related Regulations</i> (which includes all certifications relating to Civil Rights)</p> <p>(b) Form HUD-50070, <i>Certification for a Drug-Free Workplace</i> (PHAs receiving CFP grants only)</p> <p>(c) Form HUD-50071, <i>Certification of Payments to Influence Federal Transactions</i> (PHAs receiving CFP grants only)</p> <p>(d) Form SF-LLL, <i>Disclosure of Lobbying Activities</i> (PHAs receiving CFP grants only)</p> <p>(e) Form SF-LLL-A, <i>Disclosure of Lobbying Activities Continuation Sheet</i> (PHAs receiving CFP grants only)</p> <p>(f) Resident Advisory Board (RAB) comments. Comments received from the RAB must be submitted by the PHA as an attachment to the PHA Plan. PHAs must also include a narrative describing their analysis of the recommendations and the decisions made on these recommendations.</p> <p>(g) Challenged Elements</p> <p>(h) Form HUD-50075.1, <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> (PHAs receiving CFP grants only)</p> <p>(i) Form HUD-50075.2, <i>Capital Fund Program Five-Year Action Plan</i> (PHAs receiving CFP grants only)</p>

5.2 (Continued)

Previous Goals and Progress:

Improve the quality of assisted housing through:

Improve public housing management: Resolved all PH management finds with no new; Score in high performer with improvement in Physical inspections and financial. Increase in TAR.

Improve voucher management: High performer last three years after troubled status year prior due to late SEMAP submission; maintained lease-up at or near 98% over last fiscal year.

Increase customer satisfaction: Resident feedback is that customer satisfaction has increased over the past five years. Surveys indicate residents are satisfied with improvement within the complexes. Decreasing maintenance charges when possible has greatly improved customer satisfaction.

Renovate or modernize public housing units: Renovation and modernization of units in various sites were carried out through the Capital Fund Program in Old Browning Springs, Carver Court, and New Browning Springs. Due to the age of our units this goal will be ongoing throughout the agency's existence.

Increase assisted housing choices through:

Provide voucher mobility counseling: Provided at briefing and also at the point of port request.

Conduct outreach efforts to potential voucher landlords: Potential landlords are provided detailed information regarding the program.

Increase voucher payment standards: Payment standards have been raised over the past five years.

Improve community quality of life and economic vitality through:

Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments: Although the vast majority of MHA households are very low income, income level households are placed throughout the MHA to reach deconcentration.

Implement public housing security improvements: Better lighting has been installed in parking lots and areas that are prone to loitering. Local law enforcement has increased patrols and provides daily feedback with MHA as to prior evening activity on the property.

Promote self-sufficiency and asset development of families and individuals through:

Increase the number and percentage of employed persons in assisted families: Although unemployment is high in Madisonville, the MHA provides preference for families with earned wages. This has resulted in an increase in working family members.

Provide or attract supportive services to improve assistance recipients' employability: Computer classes, resume writing, and job prep courses are provided onsite at no charge to all residents. In addition transportation is provided to and from the local employment services office.

Provide or attract supportive services to increase independence for the elderly or families with disabilities: Twice weekly, elderly residents are provided a social activity on site with transportation as needed. Home health agencies come onsite also monthly to provide health checks for residents.

Ensure Equal Opportunity in Housing for all Americans through:

Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability; Undertake affirmative measures to provide a suitable living environment for families living in assisted housing regardless of race, color, religion national origin, sex, familial status, and disability; and Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required: The MHA continues to undertake affirmative measures to address fair housing choice. When units become available to rent the next family on the list for that unit size is offered the unit – regardless of race, color, etc. There is only one exception – if a unit is one equipped for accessibility then the unit is offered to the first family on the list with a family member with a disability.

Violence Against Women Act (VAWA)

The Housing Authority of Madisonville will serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking through providing a preference for residency, supportive services, and referrals. The MHA will continue to provide residential preference for individuals under the Violence Against Women Act (VAWA). In addition, information and supportive services will be provided for residents to meet needs. Referrals and transportation will be provided for services in which the MHA is not qualified to provide. External agencies will include the Madisonville Police Department, Hopkins County Health Department, County Attorney's Office, Department for Families and Children, and any other area agency that can assist.

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 2010, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13).
