The goals and objectives listed will enable the PHA to serve the needs of families for the next five years. To increase the availability of decent, safe and affordable housing. To improve voucher management, increase customer satisfaction and concentrate on efforts to improve specific management functions. To increase assisted housing choices such as; to provide voucher mobility counseling, conduct outreach efforts to potential voucher landlords and to increase voucher payment standards. To ensure equal opportunity in housing for all Americans. To undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status and disability. A lot of progress has been made by the PHA in meeting the goals from the previous 5 Year Plan such as; The Housing Authority increased customer satisfaction as we increased the number of vouchers therefore decreasing our waiting list numbers. We conducted outreach efforts to potential voucher landlords by having a landlord conference also by contacting each landlord individual to update their property information and to inform new landlords about the Section 8 Program. This agency suggested assistance at EKV for GED and further education to help better the families with employment opportunities. The Housing Agency posted signs provided from Fair Housing Opportunities regarding access to assisted housing, provide a suitable living environment and ensure accessible housing. This agency has also improved the flow of applications update, inspections and initial lease-up. This PHA now handles all criminal background checks on-line and they are returned within a 24 hour time frame. The VAWA language and selection criteria was been revised in the Administrative Plan. The policy procedure to implement the Violence Against Women Act is brought to everyone's attention at the Briefing as handouts are provided. It is also noted on the bulletin board within the office. Handouts are available for group meetings within the community.				

6.0	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:</p> <p>The Housing Authority accepts all Housing Applications they are then stamped with the date and placed in the data base on the same day. There are changes to the Administrative Plan and Rent Structures as well as the Utility Charts. In regards to the Grievance Procedures a letter is sent giving the tenant a reasonable amount of time to respond to an informal hearing if requested however the request must be in writing. The fiscal year audit was submitted and there were two finding; one being the department did not have appropriate procedures in place to ensure that appropriate oversight of operations by those charged with governance was applied; and the department did not have appropriate procedures in place to ensure that the waiting list was printed at regular intervals to show the progression of applicants along the list. Both findings have been corrected. The current Fiscal Year Audit is available for review.</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions.</p> <p>The PHA Plan may be obtained at 118 North Second Street, Richmond, KY 40475. The PHA Plan may also be reviewed on the City of Richmond Website</p>
7.0	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p>Project Based Assistance is low utilization rate for vouchers due to lack of suitable rental units. It is also accessible to neighborhoods outside of high poverty areas. There are eleven (11) units available 6/2 BR and 5/3 BR located in Dillingham Heights 1209 Linden Street Richmond ,KY also; There are thirty-five (35) efficiency apartments at Liberty Place Recovery Center for Women at 218 Lake Street Richmond, KY. This agency administrates thirty-two (32) Tenant-Base vouchers that were from an opt-out situation.</p>
8.0	<p>Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.</p>
8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing.</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). 9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The Richmond Section 8 waiting list remains open and applications are taken daily by mail or hand delivered. The waiting list currently consists of 684 applicants for the Section 8 Program. The main issue on housing needs would consist of more low-income housing within our jurisdiction, more housing that is handicap accessible and more one and three bedroom units .The affordability is based on a Rent Reasonableness comparable within the general location of the unit in question. This location serves both the City and County jurisdiction. Handicap units, one bedroom and three bedrooms are a major concern for smaller and larger households within our jurisdiction. The quality and supply of housing is mostly made up of being 25% older residence before 1970 however there is a large number of two bedroom units available. There are more apartments available within the City limits than single family homes whereas visa versa for the County.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>There has been a shortage of affordable housing for all eligible population. The strategy is to maximize the number of affordable units available to the PHA within its current resources. One measure is to ensure access to affordable housing among families assisted by the PHA, regardless of unit size. To maintain or increase Section 8 lease-up rates by marketing the program to owners outside are areas of minority and poverty concentration. To increase Section 8 lease up rates by effectively screening Section 8 applicants to increase owner acceptance of the program. It will also be procedure to participate in the Consolidated Plan development process to ensure coordination with broader community strategies. It is this PHA's concern to increase awareness of all PHA resources among families of race and ethnicities with disproportionate needs.</p>

	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>10.0 The Housing Authority is continuing to increase the availability of decent, safe and affordable housing within our jurisdiction. The goals and objectives of the previous five year plan have been met in a positive way by this agency. We will continue to employ equally effective strategies to address all goals, needs and objectives in the future.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"</p> <p>A substantial deviation from our 5 Year Plan would be a change in the general mission or a specific goal. The City of Richmond Section 8 Housing has made no substantial change from the 5 Year Plan policy. The Significant Amendment will modify or amend the Annual Plan in accordance with the requirements as defined as 24CFR 903.13, 903.15, 903.17 and 903.23 if the following occurs; changes to the Administrative Plan, Payment Standards or Minimum Rents.</p>
