Streamlined Five-Year PHA Plan PHA Fiscal Years 2010-2014

Mission

The Housing Authority of Salyersville-Magoffin County is to be a leader in making excellent affordable housing available for low and moderate-income persons through effective management and the wise stewardship of public funds. We will also partner with our residents and others to enhance the quality of life in our communities.

Goals

1. Continue to increase the availability of decent, safe, and affordable housing

OBJECTIVES: Improve the quality of assisted housing through customer satisfaction from continuing to renovate or modernize public housing units

2. Provide an improved living environment

OBJECTIVES: Continue to implement housing improvements through the installation of additional security cameras and the replacement of new exterior doors

3. Promote self-sufficiency and asset development of assisted households

OBJECTIVES: Provide or attract supportive services to increase the independence for the elderly or families with disabilities in cooperation with local agencies

REPORTING ON GOALS FROM 2005-2009

PHA Goal: Improve the quality of assisted housing

Objectives: Increase customer satisfaction and renovate or modernize public housing units

The Housing Authority has increased customer satisfaction over the past five years by completing the following renovations:

***Bathroom renovations in all 59 units using 2004 and 2005 Capital Funds. This project included the installation of all new bathtubs, surrounds, lavatories with tops, commodes, fixtures, vinyl tile, painting, lighting, and accessories.**

***Using some of 2006 Capital Funds, new exterior door locks were replaced on all 59 units and HA buildings. A new lock system was put in place from an out of town locksmith. Therefore, replacement keys cannot be made locally or without the authorization of the Housing Authority via the locksmith.**

***New carpet and vinyl floor tile was installed in all 59 units using the remainder of 2006 Capital funds as well as 2007 Capital Funds.**

***Also, a forest fire damaged the backs of three buildings. The vinyl siding was replaced on these buildings using the remainder of 2007 Capital Funds.**

***Combining 2008 Capital Funds and 2009 ARRA funds, the Housing Authority entered into a contract on 10/20/09 for kitchen renovations. It is currently 75% complete. It included the installation of new cabinets, solid surface countertops, sinks, fixtures, and above the range microwaves.**

PHA Goal: Provide an improved living environment

Objective: Implement public housing security improvements

A security camera system was installed in 2008 and additional cameras were added in 2009. Also Capital Funding was used in 2006 to install

new exterior door locks and a system was put in place that allows only the Housing Authority the ability to contact the Locksmith for replacement keys to be made. A City Police Officer also continues to live on-site.

PHA Goal: Promote self-sufficiency and asset development of assisted households

Objective: Provide or attract supportive services to improve assistance recipient's employability

The Housing Authority has worked in conjunction with our local Big Sandy Community Action Program, which offers on the job training to Senior Citizens. The Magoffin County Board of Educations also offers a local Adult Learning Education Program which some of our residents have been involved with. We also publicize KET GED Connection Posters and brochures.

Criteria for Substantial Deviations and Significant Amendments

Should the Housing Authority of Salyersville/Magoffin County have to use all of one year's Capital Fund Modernization money on one budget line item that would be considered a significant amendment or modification or substantial deviation to our 5 Year Plan.

Violence Against Women Act
Salyersville/Magoffin County Joint Housing Authority

The Housing Authority of Salyersville/Magoffin County will fully comply with the Violence Against Women Act (VAWA). It is our objective to work with others to prevent offenses covered by VAWA to the degree we can.

The Housing Authority is currently partnering with the local Cabinet for Families and Children Department for Community Based Services and the Sandy Valley Abuse Shelter. We are on lists for both of these agencies for referrals of housing. We have recently informed these agencies that our agency will comply with the VAWA and are willing to partner with their agencies in meeting the needs of individuals that they may refer. The Sandy Valley Abuse Shelter is currently offering a Domestic Violence Support Group, which meets in our local library once a week. We have offered our community room for any services, classes, or meetings they may like to offer on-site. Brochures about their services will be offered within the next few weeks to our residents. We will also work with the local City Police and Sheriffs office.

The Housing Authority of Salyersville/Magoffin County does not currently have a preference for victims of domestic violence in our Admissions and Occupancy Policy. Our agency will work to help these victims of violence to obtain housing or to maintain public housing they already have established.

The Housing Authority of Salyersville/Magoffin County upon receiving notice from an applicant or a resident of an act of violence against them will:

1. Counsel and inform as to their rights under VAWA
2. Inform the service provider of the victim
3. Inform law enforcement
4. Follow up with the victim, service provider, and/or law enforcement
5. Safeguard the identities of these victims of violence to the maximum extent.
