8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

5.2 St. Bernard participated in the DHAP to HCV conversion. The agency has grown to 578 vouchers within in the past few months due to the DHAP conversion and additional vouchers that were allocated to St. Bernard in order to meet the needs of the parish.

St. Bernard is concerned about the elderly and disabled households earning less than 50% of the median income. The waiting list preferences have been changed to meet the needs of the local residents.

St. Bernard is going to implement an FSS program to assist individuals.

6.0 St. Bernard PHA Plan Update:

Utility Allowances: The PHA has reviews and revised its utility allowances to determine if they are too high. Changes in utility allowances are implemented immediately, but not later than the next regularly scheduled examination of family income.

Ensuring Rent Reasonableness: At the contract anniversary date the PHA will review owner rents and reduce if warranted. The PHA will determine whether the rent to owner is a reasonable rent in comparison to rent for other comparable unassisted units in accordance with the regulations, CFR 982.507(B) and the HAP contract. Even if an owner's rent is reasonable, the PPHA will request the owner voluntarily agree to a temporary rent reduction or defer a rent increase to avoid termination of family assistance and HAP contract termination. It is the owner's option to agree to such measures.

Family Income Verification and Other Anti-Fraud Efforts: The PHA has accelerated efforts concerning income verification. The PHA is utilizing EIV and implemented third party verification. The families have been notified that enforcement action will be taken if underreporting of income is discovered.

Interim Examinations: The PHA are being processed according to regulations and filed with PIC.

HQS Inspections: The PHA is performing the inspections and keeping a log for audit purposes. The PHA is filing all inspections with PIC.

Violence Against Women Act (VAWA)
