RE: Fiscal Year 2010 Agency Plan

Dear Residents:

Each year the U.S. Department of Housing and Urban Development requires that your Housing Commission prepare an annual and a five-year agency plan. This plan contains all of our written policies, a summary of completed capital improvements, and a statement of planned capital improvements.

This letter is to advise you that the process to draft our new 2010 Agency Plan has begun. If you are interested in reviewing the 2010 Agency Plan you may do so at our main office during regular business hours.

This is a good opportunity to review the way the Monroe Housing Commission does business and to become aware of projects we are planning for the future. You are invited to be partners in this process, so we encourage you to review the plan and share with us any ideas or comments you may have. I would also like to extend an invitation to any interested resident to serve on a resident advisory board. This board meets to discuss the plan and its components before the Housing Commission adopts it. If you are interested in serving on this board, or if you have any questions about this process, feel free to call our office.

Those present discussed the contents of the Annual Plan. In particular, attention was drawn to the future renovation of Greenwood. Nancy discussed the plans of the new siding as well as new windows and front porches.

Nancy discussed Capital Funding with the residents and explained that the funds we are saving are in reserve for the Greenwood renovation with plans to upgrade River Park Plaza.

A few comments were suggested by the residents from Scattered Sites and River Park Plaza:

Residents asked if they could get new refrigerators and stoves as well as new windows for the River Park Plaza. A resident asked if framed art work could be installed in the hallways on each floor. Another resident asked if we could add a security camera to the library when the camera system is updated for the River Park Plaza. One resident expressed that baskets on each door would benefit them so they don't have to bend for papers that are delivered to their doors. New doors would be another option with door slots.

Being no further business, the meeting adjourned at 7:15 pm.
