Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>Based on information provided in the Wayne County Consolidated Plan, we identified the following housing needs:</p> <p>Transportation. Lack of convenient public transportation which constricts the ability of low income families to travel for work and family needs.</p> <p>Affordability. There is a need for more affordable housing for persons with disabilities, and that it not be concentrated in a few communities, but rather throughout the county.</p> <p>Supply. We installed new security door hardware, and new kitchen appliances (ranges and refrigerators), interior painting, rear porch refuge fencing, floor drains, and concrete work.</p> <p>Security. Maintain project security lighting. We installed security screen doors, and security entry doors.</p> <p>Safety. We have increased safety in the dwelling units by installing rubber stair treads on all previously tiled stairs. We have increased safety of the exterior and grounds by repairing broken fencing and gates, and we have repaired broken cement sidewalks, drives, and porches.</p> <p>Occupancy. We continue to work diligently on improving our occupancy rate while still having to make further progress in meeting our occupancy goal.</p> <p>Energy Efficiency. New energy efficient furnaces and water heaters were installed in all units. Electronic ignition for the gas ranges that provide safety and help save energy.</p> <p>Supportive Services. To increase independence for the elderly and families with disabilities, we make referrals to many agencies for services throughout the county, including for the areas of home health care, food programs, and a summer lunch program. The local Urgent Care health facility provided free health screening, including glucose testing, blood pressure checks, and flu shots. We utilize our Family Resource Center for computer training and job readiness training for residents and their families.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 01/01/2010, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.

8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);

 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
