THE PEQUOT LAKES HOUSING AUTHORITY
DOMESTIC AND SEXUAL VIOLENCE PROTOCOL

I. Statement of Purpose

Adopted:8/21/2007

The Pequot Lakes Housing Authority's Protocol on Domestic and Sexual Violence (the "Protocol") has a dual purpose. Informed by the housing provisions of the Violence Against Women Act of 2005, the Protocol is intended to provide Pequot Lakes Housing Authority residents, applicants, employees, and contractors with a roadmap for accessing Pequot Lakes Housing Authority services and accommodations for victims of domestic and sexual violence. Second, the Protocol is also intended to provide Pequot Lakes Housing Authority employees with guidance when providing services and accommodations to victims of domestic and sexual violence.

II. Admissions to Public Housing / Section 8 New Construction / Alpine apartments

A. Admissions Generally

- The Pequot Lakes Housing Authority may not deny admission to housing on the basis that an applicant is or is perceived to be a victim of domestic violence or sexual violence ("d/sv").
- An applicant who is a victim of d/sv may provide incomplete rental and employment histories, otherwise required as a condition of admission or assistance, where provision of such rental and employment history would endanger the victim's or the victim's children's safety.
- If an applicant believes that an offer of a specific housing unit raises safety concerns, the applicant may reject the unit of housing without jeopardizing his/her opportunity for other public housing upon a showing of such safety concerns **in accordance with Section III B of this Protocol** in a manner satisfactory to the party making the housing offer.
- At developments with work requirements, management should be aware that the victim may be unable to work a full complement of hours per week due to safety concerns or necessary time needed for psychological and physical recovery.
- At developments with other site specific criteria, management may allow the victim the reasonable opportunity to present information regarding their status as a victim of domestic or sexual violence and how it has impacted their ability to meet other eligibility criteria such as clean credit history, rental history, landlord references, eviction history, or a criminal history. The management company will consider such information in mitigation.

III. Continued Occupancy of Public Housing Units

A. Accommodations and Safety Provisions for Victims of Domestic and Sexual Violence.

1. Site-Specific Criteria: Victims of domestic or sexual violence may request accommodations from mixed-income site specific criteria contained in the Tenant Selection Plan for a particular development. The victim must establish, to the

satisfaction of the management and the Pequot Lakes Housing Authority, a casual relationship between the violence and the requested accommodation. Possible accommodations include:

- a. **Work Requirement:** The victim may be unable to work a full complement of hours per week due to safety concerns or necessary time needed for psychological and physical recovery.
- b. **Other Requirements:** Allow the victim the reasonable opportunity to present information regarding their status as a victim of domestic or sexual violence and how it has impacted their ability to meet other eligibility criteria such as clean credit history, rental payment history, landlord references, eviction history, or a criminal history. The Pequot Lakes Housing Authority will consider such information in mitigation.
 1. **Absence from the Unit:** Safety concerns may require victims of domestic or sexual violence to depart on an emergency basis from their unit without informing property management in advance. When victims of domestic or sexual violence and/or their household members must leave the unit due to their status as a victim of domestic or sexual violence the victim or another household member shall inform property management within **four days** after alternative housing or shelter is found. Upon being informed, property management and Victim Assistance shall work with resident to develop a "Housing Safety Plan" that will include a checklist of actions to be taken to assist the victim.
 2. **Changes in Household Composition:** Changes in household composition, whether it is the departure of the head of household or another household member may occur due to the victim's status as a domestic or sexual violence victim. Reporting of any household member's departure shall occur within 10 calendar days a reasonable time period after the departure. Where the head of the household departs the household without a housing subsidy, the process for determining whether there are any "residual" rights shall be determined in accordance with Section VI B of the Pequot Lakes Housing Authority's Admissions and Continued Occupancy Policy (ACOP").
 3. **Rent Determinations and Arrearages:** Frequently, residents who are victims of domestic or sexual violence cannot access all apparent sources of income due to their status. When making either annual or increment rent determinations or re-determinations or assigning responsibility for rent arrearages, management shall consider whether income has become temporary, sporadic or non-recurring or non-accessible due to the incident of d/sv.
 4. **Minimum Rent Policy:** Residents who are victims of domestic or sexual violence and can demonstrate that due to their status they cannot comply

with the minimum rent policy shall be eligible for an accommodation pursuant to the Pequot Lakes Housing Authority's hardship provision.

5. Service Connector: Residents who are victims of domestic or sexual violence will be encouraged to work with Service Connectors if the connectors are trained on domestic and sexual violence and can provide the best standard of care. Victims of domestic or sexual violence are free to seek services from other providers specializing in domestic and sexual violence.
6. Other Accommodations: Additional possible accommodations for victims of domestic or sexual violence include the following, which may also be included in the Housing Safety Plan:

- Pequot Lakes Housing Authority can still evict the tenant if it can demonstrate an actual and imminent threat to tenants, residents or property management staff if that tenant is not evicted.
