

5.2

Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

Goals and Objectives: 2010-2014

1. Maintain a minimum of 95% occupancy in Public Housing properties.
2. Maintain a minimum of 97% usage of funding available through the Housing Choice Voucher program.
3. Enroll a minimum of 5 households in the Family Self-Sufficiency Program.
4. Financially assist in the construction or rehabilitation of 2 Habitat for Humanity homes.
5. Provide down payment and closing cost assistance to at least 5 households.
6. Provide home improvement assistance to at least 40 households.
7. Provide continued assistance to survivors of domestic violence, dating violence and stalking referred to it by Shelter House and other agencies.

Progress on meeting Goals and Objectives in the 2005-2009 Plan

1. The PHA increased its Public Housing occupancy rate. During the fiscal years 7/1/2000 through 6/30/2005 the average occupancy rate the Public Housing properties was 85.6%. In the fiscal years from 7/1/2005 through 6/30/2009, average occupancy rate was 94%.
2. Increased the ability of our Housing Choice Voucher program to serve large families by increasing the payment standard from its previous level of 90% up to 100% of Fair Market Rents.
3. Since July 1, 2005, the HRA/EDA has provided down payment assistance to 6 households and home improvement assistance to 38 households through local funding. The HRA/EDA has provided project management to assist Renville County to secure a Small Cities Development Grant which will provide home improvement funding to a projected 15 owner-occupied households and 5 rental properties.
4. The HRA/EDA has provided four locally funded grants to Habitat for Humanity for development of properties in Renville County.
5. The PHA met its goal of achieving high performer status on the Section 8 Management Assessment for 2009.
6. The PHA has increased accessibility in its Public Housing units by installing ADA approved showers in two units and installing outdoor handrails at its 17 unit apartment building. The PHA has improved energy efficiency by installing new windows in all 25 units in its Public Housing inventory and by replacing refrigerators in its Public Housing units with Energy Star rated models.
7. The PHA has increased support services for elderly and disabled families in Public Housing by establishing a relationship with the Senior Nutrition Program to provide noon meals at its 17-unit apartment building.
8. The PHA has increased the number of Spanish Language forms and documents available to clients of its rental assistance programs.
9. The PHA incorporated language compliant with the VAWA Act into its Public Housing Admissions and Continued Occupancy Plan and Housing Choice Voucher Administrative Plan in 2006. A review of a model Administrative Plan this year resulted in the finding that one additional section needed to be added to the HCV Administrative Plan, "Section 3-III.G. Prohibition Against Denial of Assistance to Victims of Domestic Violence, Dating Violence and Stalking." That plan section was sent out for Public Review with this annual and 5-year plan and a resolution from the PHA Board adopting that change to the Administrative Plan is an attachment to this plan. The PHA is located across the hall from the Renville County office of Shelter House, an agency serving survivors of domestic violence, and receives referrals from its staff as well as makes referrals to it on a regular basis. The PHA provides information and referrals regarding housing opportunities and assistance to persons referred to it by Shelter House. The Renville County HRA/EDA is a sponsor of Shelter House's annual "Making a Difference" fundraiser for services to survivors of domestic violence.

6.0	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: The PHA has not made substantial changes to its Public Housing Admissions and Continued Occupancy Policy or its Housing Choice Voucher Administrative Policy since 2006, at which time the revised policies were submitted with that year's annual plan. There have not been substantial changes in other program elements since the last 5 year plan. A language change to the Administrative Plan regarding VAWA compliance is being made as part of this year's plan, as is discussed in Section 5.2 above. The PHA did receive unanticipated federal funds for capital improvements in 2009 through the American Recovery and Reinvestment Act and unanticipated state funds for capital improvements in 2008. It is not known whether this funding will be on-going and it is not included in project funding for 2010-2014.</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. 3-III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING [Pub.L. 109-162]

The Violence against Women Reauthorization Act of 2005 (VAWA) prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking. Specifically, Section 606(4)(A) of VAWA adds the following provision to Section 8 of the U.S. Housing Act of 1937, which lists contract provisions and requirements for the housing choice voucher program:

- That an applicant or participant is or has been a victim of domestic violence, dating violence, or stalking is not an appropriate reason for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission.

Definitions

As used in VAWA:

- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship
 - The type of relationship
 - The frequency of interaction between the persons involved in the relationship
- The term *stalking* means:
 - To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or
 - To place under surveillance with the intent to kill, injure, harass, or intimidate another person; and
 - In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

- The term *immediate family member* means, with respect to a person:
 - A spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent; or
 - Any other person living in the household of that person and related to that person by blood and marriage.

Notification

PHA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history (e.g., a poor credit history, a record of previous damage to an apartment, a prior arrest record) that would warrant denial under the PHA's policies. Therefore, if the PHA makes a determination to deny admission to an applicant family, the PHA will include in its notice of denial:

A statement of the protection against denial provided by VAWA

A description of PHA confidentiality requirements

A request that an applicant wishing to claim this protection submit to the PHA documentation meeting the specifications below with her or his request for an informal review (see section 16-III.D)

Documentation

Victim Documentation

PHA Policy

An applicant claiming that the cause of an unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking must provide documentation (1) demonstrating the connection between the abuse and the unfavorable history and (2) naming the perpetrator of the abuse. The documentation may consist of any of the following:

A statement signed by the victim certifying that the information provided is true and correct and that it describes bona fide incident(s) of actual or threatened domestic violence, dating violence, or stalking

A police or court record documenting the domestic violence, dating violence, or stalking

Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical or other knowledgeable professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

Perpetrator Documentation

PHA Policy

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit

Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

Time Frame for Submitting Documentation

PHA Policy

The applicant must submit the required documentation with her or his request for an informal review (see section 16-III.D) or must request an extension in writing at that time. If the applicant so requests, the PHA will grant an extension of 10 business days, and will postpone scheduling the applicant's informal review until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant the PHA determines that the family is eligible for assistance, no informal review will be scheduled and the PHA will proceed with admission of the applicant family.

PHA Confidentiality Requirements
