9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The PHA has determined that the most important factors for the families in its jurisdiction are affordability, supply, and quality of housing. Families with school age children feel that location to the school is important. Families with elderly and disabled members place importance to their home’s proximity to public transportation, and shopping centers. Currently the Public Housing waiting list has 12 families on it. Ten applications have children. The families are small with two applications being single person families. 100% of these families have incomes under 30% of AMI.</p> <p>The Section 8 waiting list is open with 2 families being on that list.</p>

The PHA will employ effective maintenance and management policies to minimize the number of public housing units off-line. And will undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required. Adopt rent policies to support and encourage work. 	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>The PHA reports progress in meeting the Mission of promoting adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination by following the policies set in place by our Board of Commissioners, using the Capital Fund to improve and maintain the physical condition of the complex, and to encourage work through the preference.</p> <p>The HA reports progress in meeting these goals in that the Public Housing PHAS Score is 97%. The PHA has converted a two bedroom unit to 504 compliant. We continue to monitor all programs to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability, and to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, sex, familial status and disability. The HA follows the admissions and occupancy policy to assist employed families.</p> <p>10.0 (b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”</p> <p>The Housing Authority of the City of Ava defines Substantial Deviation in regard to the 5-year plan to be the same as HUD’s definition which is as follows: Additions of non-emergency work items (items not included in the current Annual Statement of 5 Year action Plan) or changes in use of replacement reserves funds under the Capital fund.
