Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

Strategies
Need: Shortage of affordable housing for all eligible populations
Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by maintaining a 100% section 8 lease-up rate by effectively screening Section 8 applicants to increase owner acceptance of program.
Strategy 2: Increase the number of affordable housing units by applying for additional section 8 units should they become available and pursuing housing resources other than public housing or Section 8 tenant-based assistance.
Need: Specific Family Types: The Elderly
Strategy 1: Target available assistance to the elderly by applying for special-purpose vouchers targeted to the elderly, should they become available.
Need: Specific Family Types: Families with Disabilities
Strategy 1: Target available assistance to Families with Disabilities by applying for special-purpose vouchers targeted to families with disabilities, should they become available.
Reasons for Selecting Strategies
Both funding and staffing constraints influenced the PHA's selection of the strategies it will pursue.
