5.2 Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

During the next 5 years, we will continue to work with our residents to identify needs and to upgrade our facilities to provide housing that is not only functional but also desirable. We will continue our outreach efforts to those in our community who may be overlooked and who would benefit from housing assistance. This will entail working more closely with other Agencies within our Community that serve low, very low, and extremely low-income families. Educational opportunities will be pursued so staff members can become more knowledgeable in their positions and can stay current on program changes.
