5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.												
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.												

<p>5.2</p>	<p>Goals and Objectives. Identify the PHA’s quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.</p> <p>The Broken Bow Housing Authority undertakes and will continue to ensure access to safe, clean, affordable housing with a suitable and pleasant living environment regardless of race, color, religion, national origin, sex, familial status and disability.</p> <p>Goal #1 - Reducing Vacancy The Broken Bow Housing Authority has made great strides in reducing the number of vacancies in our public housing units. We will continue in our efforts in lowering those numbers, resulting in less make ready and lease-up days. This will also allow more time for our Maintenance Staff to focus more time on preventative maintenance items.</p> <p>Goal #2 – Marketability of Housing Authority Units The Broken Bow Housing Authority has made many improvements to our units including an all electric conversion of our scattered site units, which will provide our tenants with less deposit money required upon move-in and more affordable monthly utility bills. We believe this should also be a marketing tool allowing our units to be more attractive, and competitive with private landlord rentals in our area.</p> <p>Goal #3 – Returning to High Performer Status The Broken Bow Housing Authority has a focus on improving the PHAS Score to return to a High Performer Status. The Broken Bow Housing Authority has studied the deficiencies noted on the PHAS inspection. Repairs have been made to those deficiencies and tenants have been instructed to correct deficiencies within their control. The Broken Bow Housing Authority has made concentrated efforts to improve specific management functions. Improvements have been made in the Work Order System, and the implementation of Internal Control Procedures which resulted in no findings in the 2008 audit.</p> <p>The following is the portion of the Broken Bow Housing Authority’s Admissions and Continued Occupancy Policy (ACOP) for Violence Against Women Act (VAWA) Protections:</p> <p>20.22A VAWA PROTECTIONS</p> <p>Under the Violence Against Women Act (VAWA), public housing residents have the following specific protections, which will be observed by the Broken Bow Housing Authority:</p> <p>An incident or incidents or actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not in itself be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.</p> <p>The Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants. This is also true even if the household member is not a signatory to the lease. Under VAWA, the Broken Bow Housing Authority is granted the authority to bifurcate the lease.</p> <p>The Housing Authority will honor court orders regarding the rights of access or control of the property.</p> <p>There is no limitation on the ability of the Housing Authority to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims.</p> <p>There is no prohibition on the Housing Authority evicting if it “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s (victim’s) tenancy is not terminated.”</p> <p>Any protections provided by law which give greater protection to the victim are not superseded by these provisions.</p> <p>The Broken Bow Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority. Types of acceptable verifications are outlined below, and must be submitted within 14 business days after receipt of the Housing Authority’s written request for verification.</p>
<p>6.0</p>	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan.
