8. For PHA Plan that includes a policy for site based waiting lists:
  - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);

  - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;

The Violence against Women Reauthorization Act of 2005 (VAWA) prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking. Specifically, Section 607(2) of VAWA adds the following provision to Section 6 of the U.S. Housing Act of 1937, which lists contract provisions and requirements for the public housing program:

Every contract for contributions shall provide that . . . the public housing agency shall not deny admission to the project to any applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for assistance or admission, and that nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

#### **Definitions**

As used in VAWA:

- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - The length of the relationship
  - The type of relationship
  - The frequency of interaction between the persons involved in the relationship
- The term *stalking* means:

- To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or
- To place under surveillance with the intent to kill, injure, harass, or intimidate another person; and
- In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person. The term *immediate family member* means, with respect to a person –
  - A spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent; or
  - Any other person living in the household of that person and related to that person by blood and marriage.

### **Notification and Victim Documentation**

#### PHA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history that would warrant denial under the PHA's policies. Therefore, if the PHA makes a determination to deny admission to an applicant family on the basis of an unfavorable history, the PHA will include in its notice of denial a statement of the protection against denial provided by VAWA and will offer the applicant the opportunity to provide documentation affirming that the cause of the unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking.

The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking

One of the following:

A police or court record documenting the actual or threatened abuse

A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The applicant must submit the required documentation with her or his request for an informal hearing (see section 14-I.B) or must request an extension in writing at that time. If the applicant so requests, the PHA will grant an extension of 10 business days, and will postpone scheduling the applicant's informal hearing until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant the PHA determines

the family is eligible for assistance, no informal hearing will be scheduled and the PHA will proceed with admission of the applicant family.

### **Perpetrator Removal or Documentation of Rehabilitation**

#### **PHA Policy**

In cases where an applicant family includes the perpetrator as well as the victim of domestic violence, dating violence, or stalking, the PHA will proceed as above but will require, in addition, either (a) that the perpetrator be removed from the applicant household and not reside in the public housing unit or (b) that the family provide documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment.

If the family elects the second option, the documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

This additional documentation must be submitted within the same time frame as the documentation required above from the victim.

### **PHA Confidentiality Requirements**

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.
