For a complete list of PHA Plan elements, see Section 6.0 of the instructions.</p> <p>Elements/policies that were changed did not substantially impact admissions or continued occupancy (i.e. substantial deviation from prior 5-yr plan). However, multiple policies were updated to improve or to ensure compliance with accessibility and regulatory changes (i.e. terminology), including the ACO policy, grievance procedure, community service policy, pet policy and the adoption of a new reasonable accommodations policy.</p> <p>PHA plans and supporting documents are available at the main office of the Salem Housing Authority, 70 Telfer Circle, Salem, NH 03079 during regular business hours, Monday through Friday 8:00 a.m. to 4:00 p.m.</p>

8.2	<p><b>Capital Fund Program Five-Year Action Plan.</b> As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). 9.0	<p><b>Housing Needs.</b> Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>According to the Consolidated Plan of 2006-2010, the high priorities identified include the development and preservation of affordable rental housing for low and very-low income families. Medium priorities include the development and preservation of affordable housing for very low income elderly, and community development efforts for removal of architectural barriers. The 2010 Action Plan of the CP indicates the highest needs identified are for multi-family rental housing in rural areas (note Salem is not a rural area and is not USDA eligible). Data readily available through NH Housing Finance Authority continues to show that Rockingham County (in which Salem is located) has the highest home prices in the State of NH.</p> <p>A market survey recently prepared for the SHA by an outside firm describes a low vacancy rate in Salem, high rents and an aging stock of multi-family rental units. The need for development of affordable family rental units was indicated.</p> <p>The public housing waiting list (elderly/disabled) remains extensive, with average waiting time of 3-5 years. Waiting list demographics show:  Total number of applicants: 233  76% of households - elderly  94% of households primary race White  95% are non-Hispanic households  64% are female head of household  91% waiting for one-bedroom units  Only 2% of applicant households are waiting for (wheelchair) accessible units</p>
