Income Verification:

We are successfully using the EIV (Enterprise Income Verification) System provided by HUD to verify all income sources and help track down any unreported income in the household. Each month we obtain all the reports available, for the particular reexamination month we are working on. These reports include: the Income Report (one for each member of each family that must be recertified that month), the Discrepancy Report, the Failed Verification Report, the No Income Report and the New Hires Report.

In order to monitor the full-time student or adult status for household members over 18, we send out letters twice a year, prior to the start of college semesters, requesting income verification and school status. The goal is to reduce the amount of unreported income in between annuals due to young adults' change in employment/education plans.

Once a month, we are running the New Hires Report and sending out requests for income verification to any family who shows new employment prior to their annual.

Repayment Plans

During 2009, 11 families entered into repayment plans due to unreported income.

Ten of these repayment plans will continue into 2010, in addition to the one carried over from 2008.

The total amount due for repayment plans initiated in 2009 is: \$23,439.16

In December 2009, we instituted a new repayment plan program, pursuant to HUD guidelines. All amounts due are payable to the Village of Mount Kisco. We are no longer using our prior

method of reducing our HAP and increasing the tenant's rent to accommodate the repayment amount. Pursuant to CFR 792-202, the PHA may retain 50% of the amount it actually collects from a repayment agreement, plus reasonable and necessary costs incurred in the collection of such debt.

Zero Income Families:

For those families who declare they have very low or no income, we continue to use the "Expense Worksheet" recommended by HUD. This form provides a detailed budget indicating the family's monthly expenses and the source of funds used to support these items. Therefore it constitutes another good tool to detect unreported income.

SEMAP:

As we are a small, non-troubled agency, we are only required to submit a SEMAP Certification every other year. Nevertheless, we closely monitor our agency's reporting rate and performance in reference to 4 of the SEMAP indicators, by periodically printing out the following HUD provided PIC reports:

1. Reexamination Report
2. Tenant Rent Calculation Discrepancy report
3. HQS Inspection Report
4. Newly Leased Units – HQS Passed Inspection date Detailed Report

Landlords:

Our 6 major landlords are the following:

- 796 North Bedford Road, LLC: 9 units
- Lexington Properties (Joseph Cosentino): 8 units
- Fortune Financial: 6 units
- Maple Avenue Management Co. (Albert Severini): 6 units
- A-Home: 6 units
- Rylan Management Company (Karl Ryzerski): 5 units

Together, they provide housing for 37% of our clients.

The building located at 796 N Bedford Road continues to offer our clients excellent, handicapped accessible, one bedroom units at a reasonable cost. With a superintendent now living on the premises, many improvements have been made.

Fortune Financial is a growing landlord agency that offers, in general, very good one, two and three bedroom apartments.

As in previous years, Mr. Cosentino shows no interest in working with our local Section 8 program.

Six (6) new landlords have entered the program as a result of a marketing focus and informal briefings.

One goal in 2010 is to implement an outreach to all owners in the Mount Kisco area, educating them about the benefits of Section 8 Voucher Program. Given the current real estate market and economic conditions, we would like to broaden our owner base by serving both tenants and landlords.

Voucher Management System (VMS) Financial Data Collection:

This data is currently being submitted monthly by Caryl Ballin, the PHA manager, via the Web Access Security System (WASS). Some of the required information is obtained from the Village of Mount Kisco.

Funding:

We ended the year with monthly HAPs greater than our monthly funding. This does not represent a problem for us because our records reflect a surplus in the funding of over \$100,000.00 and we are aware that if these funds remain unused, they will be recaptured by HUD.

In order to better utilize our funding, one of our main goals was to keep our lease-up rate as high as possible. While our average lease-up rate in 2008 was 100%, during the 2nd half of 2009 a number of families ended participation and our average lease-up rate fell to 98%. Additionally, we did not have a large pool of port-ins to absorb as in past years and needed to aggressively qualify the prospective families on the waiting list.

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 4/1/10, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.
