Resident Advisory Board Comments

The following comments were received from tenants at the Resident Advisory Board meeting conducted on July 22, 2009. All comments were regarding potential Capital Fund work items.

- Harris House driveway and parking lot need replacing
- Sidewalk needed from Harris House Community Room to Pavilion (Accessibility issue)
- Harris House window screens need replacing
- Harris House & Murray Manor should replace bathtubs with walk in showers

Analysis of Recommendations

1. Harris House driveway and parking lot need replacing

Problem areas were recently patched. Maintenance Manager and PNA assessment indicate several more years of useful life. Modernization Coordinator will take concern under advisement and work replacement into Capital Fund budget in the future.

2. Sidewalk needed from Harris House Community Room to Pavilion

This is a project that will be incorporated into the operating budget for 2010. The complaint is valid in that it can be difficult for some to walk across the grass to get to the pavilion.

3. Harris House window screens need replacing

The windows are old and replacement parts are hard to find. Complete window replacement is scheduled in 2012. Naturally, this will include screens. Individual screen repairs will continue to be done until windows are replaced.

4. Harris House & Murray Manor should replace bathtubs with walk in showers

GMHA has seen a need for walk-in showers. A grant application has been submitted to HUD under the ARRA Competitive Grants but GMHA has not received a decision yet. Additionally, GMHA submitted a grant application to Geauga County Economic Development for funds to cover four tub conversions. GMHA did not receive the grant. Depending upon the outcome of the ARRA grant, the tub conversions may be added to the Capital Fund budget.
