The Violence Against Women Act

Attachment D

It shall be the policy of Shelby Metropolitan Housing Authority to protect victims of domestic violence, stalking, and dating violence as defined below. Shelby MHA will not deny or terminate assistance or subject residents to eviction action provided:

1. Victim status is confirmed
2. The perpetrator is barred from the family and premises
3. The Victim complies with all other terms and conditions of the lease and/or family responsibilities

It shall be the policy of the Shelby Metropolitan Housing Authority not to release information regarding the victim that would lead to the identification of the victim or whereabouts of the victim.

Definitions:

- Domestic Violence – Crime of violence (felony or misdemeanor) against a person protected under domestic or family violence laws.
- Stalking – To follow or watch a person with reasonable fear of harmful intent
- Sexual assault – Conduct against a person described in 18U.S.C. 109A
- Dating Violence – To violate a person who is or has been in a social or intimate relationship with a victim or immediate family member

The objective of the Shelby Metropolitan Housing Authority is to promote awareness about domestic violence and related issues so that clients have the proper knowledge about their rights and can take positive action to make an informed decision. Shelby MHA is collaborating with Shelby County Victims Services and New Choice Domestic Violence Shelter to offer programs on domestic violence, dating violence, sexual assault and stalking. Shelby MHA is a member of CCRT Coordinated Community Response Team, which is the Domestic Violence Coalition for Shelby County. We participate in activities that promote awareness about domestic violence.

The VAWA information has been added to the Section 8 Housing Choice Voucher Program and Public Housing Briefings. The Briefing Packets now include the brochure Tenants Rights The Violence Against Women & Department of Justice Act.

In the SMHA ACOP and Section 8 Administrative Plan victims of domestic violence are given preference points to enable the families to be housed faster. Our policies state that the families must be working with law enforcement agencies, mental health facilities, victim services or domestic violence programs to receive the preference.

Shelby Metropolitan Housing Authorities goals are to educate clients about domestic violence and help families that are in a domestic violence situation find a safe affordable place to live. We will continue to collaborate with other agencies to provide programs, education, and services for families of domestic violence.
