5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.				
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: Overall, the mission statement of the Marion MHA is to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination for the low-income, very low-income and extremely low-income families of Marion County. This can be accomplished through the administration and obtainment of additional housing vouchers if and when provided by HUD; the development of additional housing through various other program including the low income tax credit program, Mainstream Vouchers, the HOME TBRA program and the coordination of housing benefits with other local, county, state and federal agencies.				
5.2	Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. The Marion MHA would like to double its usage of the Housing Choice Voucher Program. Unfortunately, federal budgetary restraints restrict the obtaining of virtually any additional vouchers or funding of any sort at this time. Until federal funding sources become more readily available, the Authority must rely on local initiatives, such as HOME funding through the city and/or county, and any state housing programs that may become available. In addition, the Marion MHA will continue to investigate the possibility of utilizing low-income housing tax credits to develop more affordable housing for low and very-low income families. However, being a very small PHA, development of such a program will severely strain the available resources of the agency. During the past five years, the Authority has strived to utilize all available Housing Voucher funding provided by HUD. In that respect, the agency has been successful. However, because of the recession, the actual number of families assisted has decreased because the agency contribution towards the rent has increased as family income has declined. Until the economy strengthens and more funding is available, the agency fears this trend will continue.				
6.0	PHA Plan Update (a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: See attachment. (b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. The public may obtain copies of this 5-Year and Annual PHA plan at the Authority administrative office, 88 West Third Street, Mansfield, OH 44901; at the Authority leasing office, 117 North Greenwood Street, Suite 12, Marion, OH 44302; at the City of Marion, Mayor's Office, 233 West Center Street, Marion, OH 44302 and the Marion County-Marion Public Library, 445 East Church Street, Marion, OH 44302.				
7.0	Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i> The Marion MHA administers a small Voucher Homeownership Program. Currently, there are 10 families participating in this program. All families are advised, at the time of initial application, of the availability of this program. However, because other funding sources for down payment and other financial assistance have become extremely limited, the possibility of other families participating in this program are very unlikely at this time until economic conditions improve. The Authority will continue to make this program available and will continue to work with other government, non-profit and social agencies and financial institutions to discover additional funding sources to allow this program to flourish and continue.				
8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable. Not Applicable.				
8.1	Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing. Not Applicable.				

8.2	Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan. Not Applicable.

9.0	Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. See Attachment

10.0	Additional Information. Describe the following, as well as any additional information HUD has requested. (a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan. Very little progress has been made in the last five years in meeting the mission and goals as set forth in the 5-Year and annual plans, mainly because of the economy, dwindling federal and state funding sources and the ever-increasing demand for rental assistance. (b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification” A significant amendment or substantial deviation/modification to the PHA plan would include the addition/subtraction of any housing program. 6.0 **PHA Plan Update**
PHA Plan Elements

1. **Eligibility, Selection and Admissions Policies, including Deconcentration and Wait List Procedures.** No revisions or changes since prior PHA plan submission.
2. **Financial Resources.** No revisions or changes since prior PHA plan submission. Funding sources remain Housing Choice Voucher funds and any HOME funds that may be obtained from city or county for Tenant Based Rental Assistance.
3. **Rent Determination.** No revisions or changes since prior PHA plan submission.
4. **Operation and Management.** No revisions or changes since prior PHA plan submission.
5. **Grievance Procedures.** No revisions or changes since prior PHA plan submission.
6. **Designated Housing for Elderly and Disabled Families.** Not applicable.
7. **Community Service and Self-Sufficiency.** Not applicable.
8. **Safety and Crime Prevention.** Not applicable.
9. **Pets.** Not applicable.
10. **Civil Rights Certification.** The PHA examines its programs to identify any impediments to fair housing choice and work with the Legal Aid Society of Marion County, the City of Marion, Richland County Fair Housing Officer Don Mitchell and other agencies to promote and affirmatively further fair housing. The annual plan is consistent with the Consolidated Plan of the State of Ohio.
11. **Fiscal Year Audit.** The Authority is audited annually by Independent Public Accountants selected by the State of Ohio and approved by HUD. The audit is submitted annually to HUD and the State of Ohio where it is reviewed and approved. A copy of the latest Fiscal Year audit is included with the hard-copy of this plan submission.
12. **Asset Management.** Not applicable.
13. **Violence Against Womens Act (VAWA).** The Authority works with local social service agencies, law enforcement officials and counseling services to identify and verify victims of domestic violence, sexual assault and/or stalking. If such victim is a current participant on the Authority's housing programs, the agency follows all of the mandated procedures to insure that said victim and her/his family continue to receive rental assistance and that the perpetrator is no longer a member of the household and/or is removed from the household. The Authority notifies all prospective program participants and all landlords of the requirements of the VAWA provisions and assists said victims in any way possible to insure their safety and continued program participation.

9.0 **Housing Needs.**

According to the latest available U.S. Census Bureau data (2007), a full 15.7% of Marion County persons are living below the federal poverty level. In addition, the same figures show that 48.5% of renter occupied households in the county pay more than 30% of their income towards their rent and utilities. The same figures show that of that number, 41% of renter occupied household pay more than 35% of their income towards rent and utilities.

The waiting list of the Marion MHA now totals 956 families at the time of writing of this plan. Of this total, 6.5% (62) are elderly head-of-households, and 93.5% are families, of which 76% are female head-of-households.

There is a small minority population in Marion County – only 16.4% total of the current waiting list, while a total of 912 households (854 families and 58 elderly households) are classified as very low income on the waiting list.

The Marion MHA would like to assist all of these families expeditiously; however, because of the paucity of rental assistance available nationwide, that is nothing more than a hope at the present time. The economy has forced many households to “double up,” even though there are significant numbers or quality rental units available throughout all areas of Marion County.

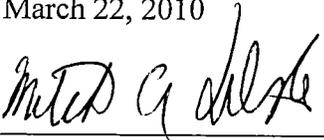

9.1 **Strategy for Addressing Housing Needs.**

The Marion MHA will apply for any Housing Choice Vouchers that are made available by the U.S. Department of Housing and Urban Development, either free standing or special needs, such as MainStream Vouchers, if the Authority meets the eligibility requirements for said applications. In addition, the MMHA will continue to investigate the possibility of developing, on its own and in partnerships with other local and state agencies, more affordable housing throughout Marion County, although this is difficult for a small, financially limited, HA to accomplish.

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 7/1/10 hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
- X NA The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
- X NA For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

A public hearing concerning the Marion Metropolitan Housing Authority's 2010 Five-Year and Annual PHA plan submission was held on Wednesday, March 24, 2010, at 1:00 p.m. at the Marion MHA leasing office in Marion, Ohio.

Chairman Mitchell A. Libster opened the hearing at 1:00 p.m. Also attending the hearing was Mr. Patrick A. Heydinger, Director and Mrs. Vera Mitchell, Receptionist and Ms. Tammy Broadwater, Tenant Counselor.

Mr. Libster informed those present that the public hearing was advertised in The Marion Star, a newspaper of general circulation in Marion County, Ohio.

He noted that the PHA plan has been on public display at the Marion Public Library, the PHA leasing office and the office of the Mayor of the City of Marion, Ohio and the Marion County Commissioners office.

Mr. Libster said that after the public hearing, any comments received would be reviewed and responded to by the Authority.

Mr. Libster asked for comments from the general public or any other attendees at the hearing. There were no comments, either oral or written, and no attendees from the general public at the hearing.

Hearing none, the Chairman declared said public hearing closed at 1:30 p.m.

All three members of the Marion MHA Resident Advisory Council received, via U.S. Mail, a complete copy of the Marion MHA's proposed Five Year and Annual PHA Plan for 2010, including supporting documentation of the latest PHA audit and the Section 8 Administrative Plan.

Following receipt of the documents and review time, the members of the Marion MHA Resident Advisory Council met on Wednesday, February 24, 2010, at 1 p.m. at the Authority leasing offices in Marion, Ohio.

Attending the meeting were members Mr. Earnest E. Robinson and Ms. Rebecca Rollison. Excused was Ms. Christy Bowen. Others attending were Mrs. Annamarie DePrey, Leasing Agent and Mr. Patrick Heydinger, Director.

Mr. Heydinger welcomed members and thanked them on behalf of the Authority for their efforts.

Mr. Heydinger explained to the Council the requirements of the U.S. Department of Housing and Urban Development for the Five-Year and Annual Plan submission.

Mr. Heydinger said this document would be reviewed by HUD to meet only certain, specific criteria. The overall Authority goals remain the same, he said, in the five-year plan and thus no changes have been made.

Mr. Heydinger said most of the Five-Year and Annual Plan components do not apply to the local agency because it has no public housing units and because the Authority is not proposing any changes in the plan or goals, there are further reduced submission requirements.

He explained that the plan has been submitted to Norwalk City and Huron County officials for their review and signoff. He said the Mayor of Marion, Scott Schertzer, and the Marion Regional Planning Commission, which prepares the Consolidated Plan for Marion County, have already signed-off on the plan.

The Director noted that the Authority has revised certain portions of the Voucher Administrative Plan to deal with clarifications, proposed by HUD, to the Violence Against Women Act (VAWA) and general program updates to conform more closely to actual housing authority practices, and changes to third-party verification requirements and further utilization of the Enterprise Income Verification (EIV) system.

The Director explained that VAWA was signed into law in January, 2006, and the U.S. Department of Housing and Urban Development has finalized guidance and implementation guidelines on the law.

HUD has advised local agencies that they must abide by provisions of the law and HUD has provided a certification form that may be utilized by local agencies in enforcing provisions of VAWA.

Mr. Heydinger said all new landlords and participants receive information on the law at the time of initial briefing and again at recertifications.

The Director explained that during the last calendar year, the Authority was overleased significantly and utilized over \$31,000.00 of its own administrative fee funds rather than put families off the program. He is hopeful that additional voucher funding can be obtained to assist more families. However, he cautioned that current indications from both the Administration and Congress seem to show that funding will remain at current levels, at best, or be reduced even further.

He noted that to meet current year funding, the Authority must reduce the total number of families on the program, unless special set-aside funding or other funding sources can be found.

Council members had few questions on the plan and supporting documents. Members expressed their desire that the Authority obtain any and all additional funding, so it can at least reach full contact leasing authority.

Mr. Robinson commented that certainly more funds are needed, as the housing needs in Marion County for low income families remain great. Members made generally favorable comments about the Authority and its operations and indicated if they had any additional comments, they would submit them in writing to the Authority. A public hearing is set for March 24, 2010 at 1 p.m. on the plan.

Following lengthy discussion, and approval of submission of the plan by members, Mr. Heydinger thanked members for their comments and said they would be included in the minutes. The meeting was adjourned at approximately 1:45 p.m.

By my signature, I am certifying that I was in attendance at the February 24, 2010, meeting of the Marion Metropolitan Housing Authority's Resident Advisory Council at the MMHA Leasing Office in Marion, Ohio.
