Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The housing needs in Housing Authority's jurisdiction for low, very low and extremely low income families, particularly elderly families, families with disabilities as well as various races and ethnic groups is moderate to severe. The families in the aforementioned categories are often on fixed or limited incomes. The Housing Authority continues to market the housing through newspaper advertisements and word of mouth [to social agencies, churches & civic organizations] in the area. Families who have made applications [on the waiting list] are processed as quickly as possible and housed</p>

Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>The Housing Authority has made great progress in meeting the mission and goals described in the 5-Year Plan. The occupancy rate varies with the number of move ins and move out. However, the Housing Authority's Waiting List is well populated and families are being processed for assignment on a continuing basis.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification".</p> <p>The Housing Authority considers a "significant amendment" to any policy revising eligibility requirements, selection and/or admission requirements or the procedure for managing the waiting list that could affect a family's admission to affordable housing.
