5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.												
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The mission of the PHA is to serve the needs of low-income, very low-income and extremely low-income families in the City of Easton and to: <ol style="list-style-type: none"> (1) maintain the availability of decent, safe and affordable housing in its community; (2) ensure equal opportunity in housing; (3) promote self-sufficiency and asset development in families and individuals; and (4) improve community quality of life and economic viability. 												

<p>5.2</p>	<p>Goals and Objectives. Identify the PHA’s quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.</p> <p>(a) Maximize utilization rate of Section 8 Vouchers, reduce vacancy times of public housing dwelling units.</p> <p>(b) List of Goals contained in the 5-Year Plan Under Section B – Goals:</p> <p>HUD Goal 1: Increase the availability of decent, safe and affordable housing.</p> <p>PHA: HACE through the use of its HOPE VI Revitalization Grant is working to meet the goals listed in this section. The HOPE VI grant called for the demolition of Delaware Terrace, occupied in 1953 and a portion of Delaware Terrace Annex, occupied in 1961. Both developments were obsolete and needed to be demolished to make way for homes that would improve the quality of the housing made available to residents.</p> <p>With the implementation of this grant residents of that development needed to be relocated and were provided with both vouchers and counseling on the use of the vouchers. In some instances residents remained in the local area but others made use of the portability of those vouchers to move outside the local area.</p> <p>As usual, the authority explains the portability of its vouchers during briefings held for persons issued Section 8 Vouchers.</p> <p>Dwelling units built to replace these two developments will provide residents with the choice of returning to public housing, retaining and using their Section 8 Voucher in the newly modernized development or possibly purchasing a home in that development. Should the opportunity to purchase a home in the newly modernized development not be used by a returning resident, that opportunity would then be passed along to another resident of public housing prior to being sold on the open market.</p> <p>HACE is also working with Habitat for Humanity in the building of six Habitat for Humanity Homes as part of the authority’s HOPE VI Revitalization Grant.</p> <p>The authority is also proud to state that the authority received a SEMAP score of 100% for the fiscal year 1/1/08 to 12/31/08.</p> <p>The authority has also implemented a Family Self Sufficiency and Section 8 Home Ownership Program. The FSS Program has produced three home owners with one of those using the Section 8 Home Ownership Program.</p> <p>In assessing the goal of providing outreach efforts to potential voucher landlords, the authority determined that no outreach was required because the authority’s allocation of Section 8 vouchers were fully allocated.</p> <p>The authority has not, to date, applied for any additional rental vouchers but would in the future should the opportunity to do so arise.</p> <p>The authority also continues to use both general operating funds and capital fund program funds to modernize its housing stock and upgrade the amenities provided to residents.</p> <p>HUD GOAL 2 – Improve community quality of life and economic vitality.</p> <p>PHA Goal – The authority has increased the security in its buildings by providing residents of its three hi-rise buildings with key fobs to obtain admittance into the buildings thus removing the need to open doors with a key. The authority has also installed surveillance camera systems in two of its senior buildings.</p> <p>Three of the authority’s developments are designated for elderly residents or residents with disabilities.</p> <p>HUD GOAL 3 – Promote self-sufficiency and asset development of families and individuals.</p> <p>PHA Goal – Through the use of its Welfare-to-Work and Family Self-Sufficiency Programs the authority works with residents enrolled in those programs to improve their potential for employment. The authority works with other agencies in providing the opportunity for residents to obtain their GED’s, attend English As A Second Language Classes, purchase a vehicle needed for transportation to work or school, attend community college or other colleges to obtain a degree. The authority also provides credit counseling and financial fitness training as well as home ownership preparation. Outside agencies provide Career Decision Making course to participants allowing participants to find out what type of career they would be interested in and then aligning that participant with the proper resources to obtain the proper credentials for that career. Another outside agency conducts a seminar on Barriers to Career Success which explores the reasons why a participant is unable to obtain a job, retain a job or be promoted. The authority also makes referrals, if needed, for mental health and family counseling services. Interested participants also work with Business Ownership Counseling Services, a division of the Community Action Committee of the Lehigh Valley to obtain the necessary training and paperwork necessary to start their own business. The authority works with various other agencies in eliminating obstacles that participants may encounter in their effort to become self-sufficient.</p> <p>The Authority will work with community agencies to help eliminate barriers to permanent housing encountered by homeless families and individuals.</p> <p>HUD GOAL 4 – Ensure Equal Opportunity in Housing for all Americans</p> <p>PHA Goal – the authority has designated 15 dwelling units for persons with disabilities and is working on designating additional dwelling units for persons with disabilities. Dwelling units designated for the disabled are for the physically disabled and hearing impaired.</p>
<p>6.0</p>	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions.</p> <p>(a) HACE’s Section 8 Administrative Plan has been revised to include a project Based Voucher Program.</p> <p>(b) The 5-Year and Annual Plan for the Easton Housing Authority for the period 2010-2014 may be obtained at the housing authority’s administrative offices at 157 South Fourth Street, Easton, Pennsylvania. Site selection will be consistent with the project based statutory goals of de-concentrating poverty and expanding housing and economic opportunity.</p> <p>(f) The PHA will establish a site-based waiting list for units in its new HOPE VI mixed finance development at the site of the former Delaware Terrace (PA24-1) and a portion of Delaware Terrace Annex (PA24-3). The list will be established in a manner which is consistent with all applicable civil rights and fair housing laws and regulations.</p>
8.0	<p>Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.</p>
8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing.</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.</p>
8.3	<p>Capital Fund Financing Program (CFFP).</p> <p><input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>According to information contained in the City of Easton's Consolidated Plan families with incomes below thirty percent AMI and income above the 30% AMI but below 50% of AMI are the most impacted by the issues of the affordability and supply of housing. The issues of quality, accessibility, size and location show less of an impact but should still be addressed. The housing authority has also discerned a need for additional elderly, handicapped and large family dwelling units.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>The authority will address the issue of the supply of housing by continuing to work with its contracted maintenance and painting companies to reduce the number of days a public housing dwelling unit is off line thus enabling units to be turned over quicker for occupancy by a new tenant. The authority is currently working with the City of Easton in the development process for its Consolidated Plan for 2010 – 2015.</p> <p>The authority will address the issue of the lack of affordable housing by also applying for additional Section 8 vouchers, when available.</p> <p>The issue of affordable housing and location of housing will be addressed by the authority through the use of its Family Self-sufficiency Program, Welfare to Work Program and Section 8 Home Ownership Program. Participants in these programs are encouraged to move forward at their own pace to accomplish goals and achievements set by the participant and the housing authority toward attaining self-sufficiency and possible home ownership. Participants of the Section 8 Voucher Program are provided with names of landlords who own apartments throughout and adjacent to the City of Easton.</p> <p>The authority continually upgrades the quality and accessibility of its housing stock through the use of its capital fund program and general operating fund budget. Through inspections of units leased through the Section 8 Voucher Program the authority attempts to assure the quality of dwelling units under its Section 8 Voucher Program.</p> <p>Regarding the discerned need for additional elderly, handicapped and large family dwelling units, the authority would seek out sources of funding for affordable housing for these types of units.</p>

Additional Information. Describe the following, as well as any additional information HUD has requested.

- (a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.
- (b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

(a) Through the current plan year and as we approach the 2010 plan year HACE is continuing to implement its policies and programs in compliance with HUD regulations and thus is continuing to promote adequate and affordable housing, economic opportunity and suitable living environment, free from discrimination.

- HACE continued to manage a Successful Section 8 Welfare-to-Work Voucher Program with twenty-two participants on the program. One Welfare-to-Work participant graduated from the housing authority's Family Self-Sufficiency program and, this past semester graduated from Northampton Community College with an Associates Degree. This same participant purchased a home on June 30, 2009, through the Section 8 Home Ownership Program.
- There are thirty active participants in HACE's Family Self-Sufficiency Program, eleven public housing residents and nineteen Section 8 participants. There are twelve prospective new participants for enrollment in August of 2009. Current participants are engaged in Home ownership preparation activities, academic and employment training as well as business ownership endeavors. The Family Self-Sufficiency program also publishes (for over a year) its own newsletter which keeps participants informed about each other's successes and experiences, keeps the participants current on information, programs and services and welcomes their submissions, in-put and participation.

Seminars conducted thus far in 2009 have included: Career Day, Home Ownership Open House and How to Select a Realtor and a Home. Career Day was presented by participants that have achieved career progression and have passed state exams in order to work in their fields of work (L.P.N., Licensed Cosmetologist, Certified Masseuse and Insurance Sales). Open house was a presentation by a local bank on mortgage applications and qualifications, credit, funding and grant opportunities and two seminars in June presented by two local realtors on how to select a realtor and a home.

- The housing authority continues to maintain a close watch on its TARs through the ad hoc duties of a staff person and effects timely evictions in cases of non-payment of rent. The authority continues to have a contract with a local collection agency although limited success has been attained.
- HACE continues to direct the expenditures of its CFP allocations as well as its general fund budget and stimulus funds toward the renovation and physical upkeep of its public housing units. With the disposition of the authority's largest development and a portion of an adjacent development, additional funds will be available to address renovation and physical upkeep of the remainder of its developments.
- HACE continues to apply policies ensuring Equal Housing Opportunities and will increase the number of units made accessible to persons with disabilities.
- During the 2004 plan year, the housing authority revised its Agency Plan to allow for the implementation of a Section 8 Homeownership Program. As of June, 2009, there were nineteen participants in that program.
- HACE was awarded a HOPE VI Revitalization Grant in October of 2006. Implementation of that grant has commenced with the demolition of the dwelling units at both the Delaware Terrace and Delaware Terrace Annex Developments, with complete demolition of both developments expected by the Fall of 2009. The authority's HOPE VI Delaware Terrace project has been awarded a tax credit reservation for the Family Phase of the Program.
- The two public housing residents hired through the Pennsylvania State Civil Service Commission to serve as relocation assistants through the HOPE VI Program have become permanent housing authority employees.
- Through the HOPE VI Revitalization Grant the facilities of the Boys and Girls Club located at the Delaware Terrace Development will be expanded to allow for the Boys and Girls Club to offer additional services to residents of public housing.
- The Grant received by HACE from the Northampton County Community and Economic Development Association for funding to implement a Lease to Purchase Homeownership Program will be used to assist participants of HOPE VI to purchase a home.
- HACE continues to encourage resident empowerment through support and assistance of the Resident Management Associations and continues to actively recruit new resident management associations at developments which do not currently have active resident management associations. The authority is pleased to state that, in 2009, a new resident management association started at one of its senior buildings, bringing to four the number of active Resident Management Associations.
- HACE continues to send its newsletter quarterly to its residents. Articles in the newsletters highlight residents who have achieved home ownership, announced new housing authority policies, put the spotlight on residents who have attained an age between ninety and one hundred years old, show photographs of housing authority/resident events. HACE has also initiated an Earth Day Celebration where residents from four senior complexes and one family development, along with HACE staff work together in the planting of flowers and bushes in an effort to enhance the appearance of its developments. HACE also initiated National Night Out Activities in four of its developments in 2008 and will continue that activity in 2009.
- HACE will again solicit bids and award contracts for maintenance services, lawn maintenance, cleaning and painting of vacant units, cleaning of offices and common areas and extermination services. Also in an effort to improve the appearance of its developments, the authority initiated a painting program for the common areas in its three senior hi-rise buildings.

(b) Significant Amendment – Continue to perform goals as stated in this plan, however, it would be through alternate means, i.e. conversion of public housing units to Section 8 vouchers.

Substantial Deviation/Modification – to go in a direction that would be contrary to the goals as stated in this plan.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the X 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning 1/1/2010 hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).

 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
