

5.2

Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

2009 Goals

Goal Number I – Aggressively seek new sources of funding for CCHRA initiatives.

Objective: Obtain certifications necessary to establish property management opportunities for tax credit properties.

Progress: At this time tax credits are not a viable option for development because there is not a market for selling the credits. For CCHRA, a more pragmatic approach is to hold on to its current commercial space tenants, try and help them expand and wait for the market to begin to rebound.

Goal Number II – Continue to improve the efficiency and effectiveness of the CCHRA Staff.

Objective: In collaboration with LHEDF, implement a continuous quality improvement training program throughout the agency.

Progress: During the year, our team members received certificates for training in the areas of Enterprise Income Verification , Residential Load Certification , Leadership Charleston , Pesticides with Clemson Extension , Art & Science of Grant Writing, Lowcountry Human Resources Law Update, Insurance Benefits Training Program and COBRA.

Goal Number III – Seek opportunities to provide additional housing for low-income residents, as well as provide broad-based programs leading to family independence.

Objective: Continue to provide opportunities through the Family Self-sufficiency (FSS) Program.

Progress: Through the Housing Choice Voucher Program, CCHRA increased the enrollment of families participating in the Family Self-sufficiency Program from 24 to 26.

Goal Number IV. – Provide an increased range of educational, social, and cultural activities to enhance quality of life for residents.

Objective: In coordination with LHEDF, seek funding from area philanthropic, community agencies and other organizations where appropriate in support of mission-related programs, such as ABCDE, Spring Fling, etc.

Progress: Residents had an opportunity to attend the Resident Retreat in Charlotte North Carolina hosted by Carolinas Council and Senior Fall Fest hosted by Beaufort Housing Authority in September 2009. Additionally, CCHRA re-dedicated a newly remodeled fitness center to residents of Joseph Floyd Manor. The center is furnished with exercise equipment and is located on site for easy access. Volunteers from the Heart & Soul, Patient Navigation Program are instrumental in helping residents develop fitness, healthy eating, blood pressure management, scheduling doctors appointments, etc.

Goal Number V – Carefully monitor customer service and continue communicating information about CCHRA in order to optimize the agency's mission.

Objective: Enhance communication with local, state, and federal legislative bodies in order to better promote the mission of CCHRA.

Progress: We have scheduled and made appearances before local service clubs and community council; served on industry group committees and presented to our congressional delegation in an effort to better promote the mission of CCHRA.

Objective: Continually seek-out customer feedback on quality of customer service being provided, both internally and externally, through surveys, comment cards, employee observations, and other feedback methods.

Progress: HUD no longer administers the Resident Satisfaction Survey as a tool for measuring PHA's customer service skills. Therefore, CCHRA has developed an in-house customer service form for residents to provide feedback to the housing authority on issues concerning management, security and safety and maintenance. We will fully implement this form in FY2010. Meanwhile, we have placed a suggestion box in our administrative lobby for residents to submit comments and/or suggestions.

2010 Goals

Goal Number I - Pursue actions aimed at gaining financial independence of CCHRA at an acceptable rate of return.

Objective(s): (1) Continue to seek out private sector opportunities to generate revenue for CCHRA; (2) Determine and prioritize areas of HUD funding from which CCHRA should attempt to separate; (3) Study the possibility of offering property management services to non-section 8 landlords as a revenue source; (4) Work with the lowcountry Housing and Economic Dev. Foundation (LHEDF) on tax credit and other financing opportunities.

Goal Number II - Develop and/or participate in training and professional development programs to ensure a highly efficient and effective CCHRA staff at a cost not to exceed two (2) percent of annual budget.

Objective(s): (1) Continue internal training and professional development activities based on needs; (2) Review individual staff member career patterns and professional development plans to determine needed refresher courses, certificates, etc; (3) Increase cross-training within CCHRA; (3) Investigate the possibility of joint training opportunities with the Housing Authority of the City of Charleston; (4) Develop an effective, ongoing method of obtaining customer feedback from residents and landlords.

Goal Number III - Provide additional housing opportunities for low-income residents. (Note: Cost to be determined later).

Objective(s): (1) Continually look for opportunities to obtain funding for additional housing and be ready to respond rapidly to those opportunities; (2) Continue to make referrals to the LHEDF of HCV and PH residents expressing interest in home ownership.

Goal Number IV - Provide programs which will lead to family independence of residents and HCV clients at a cost of .55 percent of annual budget.

Objective(s): (1) Continue to emphasize the Family Self-sufficiency Program within CCHRA, with a goal of graduating five or more people in 09-10; (2) Continue to encourage PH residents to participate in the Individual Development Account (IDA) Program.

Goal Number V - Provide educational, social, and cultural programs to enhance quality of life of residents and HCV clients at a cost of at least .25 percent but no more than three (3) percent of annual budget.

Objective(s): (1) Expand the patient navigation program to Brighton Place and HCV Participants; (2) Continue to seek out and participate in events which will enrich the lives of CCHRA residents.

Goal Number VI - Increase the knowledge and awareness of stakeholders and the general public about CCHRA at a cost of one (1) percent of annual budget.

Objective(s): (1) Conduct BOC Linkage sessions with appropriate groups to determine better ways to collaborate and serve CCHRA customers; (2) Continue to participate with groups that are stakeholders of CCHRA.

Violence Against Women Act Policy

A goal of the Charleston County Housing and Redevelopment Authority (CCHRA) is to implement strategies in compliance with the Violence Against Women Act (VAWA). It is our objective to collaborate with others to prevent offenses identified by VAWA.

CCHRA has the following procedures in place to assure applicants and residents are aware of their rights under the Violence Against Women Act.

Information on domestic violence is available to all visitors. The information provides a list of local domestic violence resources services/programs available to persons in need of services. In addition, a copy of form HUD 52641 and a copy of the information are given to all new move-ins as a part of the Orientation Process. Current residents that become victims of domestic violence are referred to local Law Enforcements Agencies for Victim's Advocacy. In addition they are referred to My Sister's House for assistance with temporary housing in a safe environment.

CCHRA provides or offers the following activities, services or programs, either directly or in collaboration with other service providers, to child or adult victims of domestic violent, dating violence, sexual assault, or stalking.

Victims are referred to My Sister's House Volunteer Program, Charleston Domestic Violence Services, Turning Point, Family Violence Intervention Program, Family Violence Treatment Center, Domestic Violence Support Group (Mt. Pleasant), Dee Norton Lowcountry Children's Center, and The Family Violence Intervention Program. In addition Trident United Way provides a 24 hour hotline which contains a database of agencies that provide emergency shelter, case management, youth activities, life skills and after care.

By offering these services, CCHRA complies with the VAWA and its requirements. It is our objective to provide domestic violence services information at the time of orientation, offer current residents that become victims of domestic violence protection through collaborative efforts with local community organizations and to empower victims with resources to obtain a normal life after the abuse.
