6. Violence Against Women Act Policy: Grundy Housing Authority-

BACKGROUND

The Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA) provides protection for tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on such acts of violence against them.

In general, the law provides, in part, that criminal activity directly relating to domestic violence, dating violence or stalking, engaged in by a member of a tenant's household, or any guest or other persons under the tenant's control, shall not be cause for termination of assistance, tenancy or occupancy rights of the tenant or immediate family member of the tenant's family is the victim or threatened victim of the abuse. The law provides that an incident or incidents of actual or threatened domestic violence, dating violence or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence, and will not be "good cause" for termination of assistance, tenancy, or occupancy rights of a victim of such violence.

Furthermore, the law allows a PHA to "bifurcate" a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.

The VAWA also allows PHAs to request an individual to certify that the individual is a victim of abuse and that the incidences of abuse are bona fide. The certification must include the name of the perpetrator, and any other statutorily required information. The victim must provide the certification within 14 business days after the individual receives a request for such a certification from the PHA.

DEFINITIONS

The following definitions were incorporated into the United States Housing Act and apply to this policy:

Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim share a child in common, by a person who is cohabitating with, or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Dating Violence: Violence committed by a person:

- who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- where the existence of such a relationship shall be determined based on a consideration of the following factors: 1) the length of the relationship; 2) the type of relationship, and 3) the frequency of interaction between the persons involved in the relationship.

Stalking: To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to 1) that person; 2) a member of the immediate family of that person, or 3) the spouse or intimate partner of that person.

Immediate Family Member: A spouse, parent, brother or sister, or child of the person, or an individual to whom that person stands in loco parentis (in place of a parent); or any other person living in the household of that person and related to that person by blood or marriage.

POLICY

The following policy amends the *Admissions and Occupancy Policy (ACOP)* and the Apartment Lease by reference. Appropriate language will be added to the ACOP and Apartment lease at the next revision dates of each.

A copy of this policy is available at the main office of the housing authority. A copy will be made available on request.

Admissions and Occupancy and Termination of Assistance

Being a victim of domestic violence, dating violence, or stalking, will not be considered by the Grundy Housing Authority to be a basis for denial of assistance, or admission to public housing if the application otherwise qualifies for assistance or admission.

Incidents or threats of abuse will not be construed by the Grundy HA as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of a victim of abuse.

Criminal activity directly relating to abuse, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy or occupancy rights if the tenant or an immediate family member of the tenant’s family is the victim or threatened victim of the abuse.

Rights of the Grundy Housing Authority

The Grundy HA may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant, and such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by federal, state and local law for the termination of leases, or assistance under HUD's Public Housing Program.

Certification of Abuse and Confidentiality

The Grundy HA will require that an individual certify that he/she is a victim of abuse and that the incidences of abuse are bonafide. The certification must include the name of the perpetrator, and any other statutorily required information. The victim must provide the certification to the PHA within 14 business days after the individual receives a request from the PHA. The individual may utilize the attached *Form HUD 50066, Certification of Domestic Violence, Dating Violence, or Stalking* to certify the abuse to the Grundy HA. In lieu of Form HUD 50066, the individual may provide the Grundy HA with documentation signed by an employee, agent, volunteer of a victim service provider, an attorney, or a medical profession from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking, or the affects of the abuse, in which the professional attests (under penalty or perjury (28 U.S.C. 1746) to the professionals believe that the incident or incidents in question are bonafide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation. In cases where the individual does not submit the required certification, the PHA may terminate assistance.

Notification to Residents

The PHA will provide notice to all residents and applicants of their rights under Section 6 of the United States Housing Act of 1937 as amended by the Violence Against Women Act of 2005. These rights include the residents' right to confidentiality and the limits thereof, the availability of Form HUD 50066, and that the resident may not be evicted solely on the basis that they are a victim of domestic violence. A sample notice is included with this policy.

Confidentiality

All information provided to the Grundy HA relating to the incident(s) of domestic violence, including the fact that the individual is a victim of domestic violence, dating violence, or stalking will be retained in confidence by the Grundy HA and will not be entered into any shared database nor provided to a related entity, except to the extent that the disclosure is (a) requested or consented by the individual in writing; (b) required for use in an eviction proceeding or termination of assistance; or, (c) otherwise required by applicable law.

GRUNDY HOUSING AUTHORITY

**NOTICE TO RESIDENTS AND APPLICANTS
REGARDING
RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT**

The Violence Against Women Act of 2005 (VAWA) protects victims of domestic violence, dating violence and stalking. These changes affect all persons assisted under the Public Housing and Section 8 Program.

Individuals may not be denied housing assistance, terminated from Public Housing or evicted for being the victim of domestic violence, dating violence or stalking. However, the VAWA provides certain limitations and clarifications concerning your rights. In particular, you should know that nothing contained in VAWA:

1. Prevents the Housing Authority from terminating tenancy and evicting for any violation of a lease that is not based on a matter involving domestic violence, dating violence, or stalking for which VAWA provides protections as described above. However, the Grundy HA may not in such cases apply any stricter standard to you than to other tenants.
2. Prevents the PHA from terminating tenancy and evicting where the housing authority can demonstrate “an actual and imminent threat to other tenants or those employed at or providing service to the property.” Where such a threat can be demonstrated by the Grundy HA, you will not be protected from eviction by VAWA.
3. Limits the ability of the Grundy HA to comply with court orders addressing rights of access to or control of the property. This includes civil protection orders entered for the protection of the victim or relating to the distribution or possession of property.
4. Supersedes any federal, state or local law that provides greater protections than VAWA.

VAWA also creates a new authority under federal law that allows a housing authority to evict, remove, or terminate assistance to any individual tenant or lawful occupant of public housing who engages in criminal acts of physical violence against family members or others. This may be done without evicting or taking any other action adverse to the other occupants.

If you believe that you qualify for protection under VAWA, please notify the PHA. You will be asked to provide proof of your situation by filling out Form HUD 50066 and/or providing a copy of an order of protection, police or court report or a signed document from a victim service provider, medical provider or attorney who has provided a service related to the violence. You must submit this information within 14 business days of the PHA’s request for it. Protections may not apply if the documentation is provided after 14 days. Form HUD 50066 will be provided at the office.

The Grundy Housing Authority will make every effort to correspond with victims in a way that will not put them at greater risk. The Grundy HA may request that applicants or residents requesting VAWA protection come to the office to submit information. All information will be kept confidential by the Grundy Housing Authority and will not be shared or disclosed by the Housing Authority without your consent except as noted in the Confidentiality clause of the VAWA Policy.

You may obtain a copy of the PHA’s written policy concerning domestic violence, dating violence, and stalking from the HA’s main office. Please note that the written policy contains, among other things, definitions of the terms “domestic violence”, “dating violence”, “stalking”, and “immediate family”.
