9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The City of Como does not have a lot of rental property due to the fact it is so small. Como Housing has some of the best rental property at an affordable price. Just up the street a private builder put in 8 (2 bedroom apts) but they all rent for \$650 per month. We have very few vacancies and not a very long waiting list. At this time housing seems to be adequate for this small town.</p>

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>We advertise occasionally for applicants so that those that have needs can be put on the waiting list and to let people know about Housing in Como.</p>
