The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. The housing needs of low and moderate income families are reviewed with regard to those currently utilizing the Section 8 tenant-based rental assistance program. Affordability is reviewed when determining whether to increase or decrease the family unit size. In addition, the Housing Authority of Travis County makes sure that a family pays no more than 30% of their monthly adjusted income towards rent and utilities, thereby allowing families to have a more viable and stable economic and living environment. Those searching for affordable housing units under the Section 8 Housing Choice Voucher Program are able to obtain the most completed and update listing within our jurisdiction. This information enables families to become more educated, make better informed housing decisions and to be able to move out of the areas of high concentrations of poverty population. The Housing Choice Voucher Program will accomplish this by careful review of payment standards within our jurisdiction. We will maintain or increase Section 8 lease-up rates by continuing to market the program to landlords. We will continue to conduct ongoing public relation and outreach with affordable housing advocates, social service agencies and landlords concerning program availability, thereby maintaining program visibility. Currently there are approximately 350 families on the Section 8 Housing Choice Voucher Waiting List. Families are ranked by date and time of application. The Public Housing Waiting List is being reopened during the period July 9-15, 2010 and the family wait list order will be determined by lottery selection. The Housing Authority of Travis County monitors the needs of those utilizing the program and for new admission will continue to target families whose income is at or below 30% of the area median income.

- (d) **Homeownership.** A description of any homeownership (including project number and unit count) administered by the agency or for which the PHA has applied or will apply for approval.
- (e) **Project-based Vouchers.** If the PHA wishes to use the project-based voucher program, a statement of the projected number of project-based units and general locations and how project basing would be consistent with its PHA Plan.

8.0 Capital Improvements. This section provides information on a PHA's Capital Fund Program. With respect to public housing projects owned, assisted, or operated by the public housing agency, a plan describing the capital improvements necessary to ensure long-term physical and social viability of the projects must be completed along with the required forms. Items identified in 8.1 through 8.3, must be signed where directed and transmitted electronically along with the PHA's Annual Plan submission.

8.1 Capital Fund Program Annual Statement/Performance and Evaluation Report. PHAs must complete the *Capital Fund Program Annual Statement/Performance and Evaluation Report* (form HUD-50075.1), for each Capital Fund Program (CFP) to be undertaken with the current year's CFP funds or with CFFP proceeds. Additionally, the form shall be used for the following purposes:

- (a) To submit the initial budget for a new grant or CFFP;
- (b) To report on the Performance and Evaluation Report progress on any open grants previously funded or CFFP; and
- (c) To record a budget revision on a previously approved open grant or CFFP, e.g., additions or deletions of work items, modification of budgeted amounts that have been undertaken since the submission of the last Annual Plan. The Capital Fund Program Annual Statement/Performance and Evaluation Report must be submitted annually.

Additionally, PHAs shall complete the Performance and Evaluation Report section (see footnote 2) of the *Capital Fund Program Annual Statement/Performance and Evaluation* (form HUD-50075.1), at the following times:

1. At the end of the program year; until the program is completed or all funds are expended;
2. When revisions to the Annual Statement are made, which do not require prior HUD approval, (e.g., expenditures for emergency work, revisions resulting from the PHAs application of fungibility); and
3. Upon completion or termination of the activities funded in a specific capital fund program year.

8.2 Capital Fund Program Five-Year Action Plan

PHAs must submit the *Capital Fund Program Five-Year Action Plan* (form HUD-50075.2) for the entire PHA portfolio for the first year of participation in the CFP and annual update thereafter to eliminate the previous year and to add a new fifth year (rolling basis) so that the form always covers the present five-year period beginning with the current year.

8.3 Capital Fund Financing Program (CFFP). Separate, written HUD approval is required if the PHA proposes to pledge any

portion of its CFP/RHF funds to repay debt incurred to finance capital improvements. The PHA must identify in its Annual and 5-year capital plans the amount of the annual payments required to service the debt. The PHA must also submit an annual statement detailing the use of the CFFP proceeds. See guidance on HUD's website at:

<http://www.hud.gov/offices/pih/programs/ph/capfund/cffp.cfm>

9.0 Housing Needs. Provide a statement of the housing needs of families residing in the jurisdiction served by the PHA and the means by which the PHA intends, to the maximum extent practicable, to address those needs. **(Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan).**

9.1 Strategy for Addressing Housing Needs. Provide a description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **(Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan).**

- (b) **Significant Amendment and Substantial Deviation/Modification.** PHA must provide the definition of "significant amendment" and "substantial deviation/modification". **(Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan.)**

- (c) PHAs must include or reference any applicable memorandum of agreement with HUD or any plan to improve performance. **(Note: Standard and Troubled PHAs complete annually).**

11.0 Required Submission for HUD Field Office Review. In order to be a complete package, PHAs must submit items (a) through (g), with signature by mail or electronically with scanned signatures. Items (h) and (i) shall be submitted electronically as an attachment to the PHA Plan.
