A third complex is currently being built which will also allow for housing limited income residents. The Fort Stockton Housing Authority has the funding available to provide assistance to many of these families, but is currently facing scarcity of available units. It continues to take steps to maintain and improve the quality of assisted housing units by creating a supportive environment for program participants and landlords to discuss and resolve issues of mutual concern. The City of Fort Stockton inspectors are regularly inspecting units and communicating the needed repairs to landlords in order to maintain safe and suitable housing for program participants.</b></p> <p>(b) Significant Amendment and Substantial Deviation/Modification.
