9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The housing needs of low-income, very low-income, and extremely low-income families who reside in YHA's jurisdiction, taken directly from and in accordance with the applicable Yakima, Washington 2010-2014 Consolidated Plan:</p> <p>At least 6,294 renter households and 4,452 owner households had significant housing problems in Yakima in the year 2000 census. The numbers have likely increased in the years since due to rising housing costs and stagnant if not decreasing incomes.</p> <p>However, priority housing needs based on the gross number of households who are most likely to be in need of critical housing assistance consist of:</p> <ul style="list-style-type: none"> • Renter households with incomes below 30% of Median Family Income (MFI) – since this group includes 1,558 households with housing problems of which 1,779 are paying more than 50% of their gross household income for housing. • Owner households with income below 30% of MFI – since this group includes 867 households with housing problems of which 619 are paying more than 50% of their gross household income for housing. • Renter households with incomes between 31-50% of MFI – since this group includes 2,113 households with housing problems of which 464 are paying more than 50% of their gross household income for housing. • Owner households with incomes between 31-50% of MFI – since this group includes 906 households with housing problems of which 354 are paying more than 50% of their gross household income for housing. <p>The basic obstacle to meeting underserved needs include:</p> <ul style="list-style-type: none"> • The rising cost of housing – relative to community wage levels make it hard to supply safe, decent and affordable housing to lower income groups, and • The subsidies required providing affordable housing for all those in need – is far above the amount of resources that are available.

9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>In the fiscal year 2010, YHA will use all reasonable efforts to provide safe, decent, and affordable housing to extremely low-income, and very low-income residents of Yakima and Kittitas (Section 8 only) counties, as follows:</p> <ul style="list-style-type: none"> • YHA will be applying for funding to construct new units, • YHA will review potential acquisitions of property to preserve affordable housing, • YHA will develop policies and procedures to begin homeownership opportunities through a Section 8 Homeownership Program, • YHA will seek opportunities to partner with for-profit and non-profit developers, • YHA will continue to expand the tenant-based Section 8 program by applying for incremental and special needs vouchers, • YHA will remain committed to housing the homeless population through the use of project-based vouchers, • YHA will remain committed to providing services, in connection with housing, by partnering with Yakima County, Washington State Department of Social and Health Services, Veterans Affairs Office, and other non-profit organizations, • YHA will partner with the City of Yakima Police Department to provide a full-time officer for its Public Housing units, and • YHA will continue to refer families who need immediate housing assistance to a number of other community service organizations and through the use of "211" to help maximize individual success.
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>YHA has made progress in meeting the mission and goals in its 5-Year Plan in the following ways:</p> <ul style="list-style-type: none"> • Apply for additional rental vouchers (Goal – 1,000 more vouchers) – YHA has received 35 VASH vouchers and has applied for 50 FUP vouchers. • Reduce public housing vacancies (Starting a Preventative Maintenance Plan) – YHA has implemented a preventative maintenance plan that is followed for each work order. • Improve public housing management (Improve turnaround time) – YHA's average turnaround time for Public Housing units is currently 15.67 days through the end of September 2009, which is under the goal of a 20 day turnaround. • Increase customer satisfaction (Improve response time for work orders) – YHA's response time for completing work orders on average for fiscal year 2009 was 3.8 days, which is under the goal of 25 days. • Conduct outreach efforts to potential voucher landlords (Increase advertising to solicit new landlords) – YHA has joined the Yakima Valley Landlords Association and has advertised in its monthly newsletter. • Determine through a Housing Needs Assessment for Yakima County the priority for greatest need for affordable housing in the following categories: families, elderly, disabled, individuals released from prison, homeless, aids victims, farm-worker, and assisted living – YHA is a member of the Homeless Network of Yakima County which has performed a Housing Needs Assessment for Yakima County. As a result, YHA has set-aside 75 Section 8 vouchers specifically for the homeless and has partnered with Yakima County to provide services through the County's HGAP program. • Begin development starting with the area that has the greatest need – Besides setting aside 75 Section 8 vouchers for the homeless, YHA applied for funding to build more farm-worker units. The application was unfunded. YHA will continue to pursue additional funding for future development. <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"</p> <p>YHA considers a "substantial deviation" or "significant amendment or modification" as a discretionary change in the plan or policy of the housing authority that fundamentally alters the mission, goals, objectives or plans of the agency and which will require the formal approval of the Board of Commissioners. Specifically, the following will be considered a substantial deviation or significant amendment or modification:</p> <ul style="list-style-type: none"> • A material change in the policies regarding the manner in which tenant rent is calculated, • A material change in the admissions policies with respect to the selection of applicants from or organization of the waiting list, or • Any change with regard to demolition or disposition, designation, home ownership programs or conversion activities not previously identified in the agency plan <p>An exception to this definition will be made only to the extent that the modification is the result of changes in HUD regulatory requirement; such changes will not be considered a substantial deviation or significant amendment or modification to either the five-year or annual plan.</p>

 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
