

9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. The area surrounding Brillion, WI has been fortunate in being able to supply the basic needs of the elderly, and low income residents. The BHA is an elderly/disabled housing unit. We currently have one person on our waiting list. For the past several years we have been able to provide housing when applications are made and certifications completed.</p>
9.1	<p>Strategy for Addressing Housing Needs. The Brillion Housing Authority will continue to advertise in the local papers, will market the program to the local Chamber of Commerce, real estate agencies, and apartment associations. The Housing Authority is currently working on creating a web site so information is readily accessible regarding apartment size, rent rates, location, amenities, etc.</p>
10.0	<p>Additional Information.</p> <p>(a) We have met our goal to reduce vacancy, provide updated facilities, and have assisted residents in obtaining needed social services. We now have 12 units that are barrier free to better accommodate residents in wheelchairs, walkers, etc.</p> <p>(b) "Significant Amendment" Significant modifications to major strategies to address housing needs and to major policies (e.g. policies governing eligibility, selection or admission and rent determination) or programs (e.g. demolition or disposition, designation or conversion activities.) Any Board action which departs from the primary mission of the Brillion Housing Authority.</p> <p>"Substantial Deviation" Any action that necessitates a change in a course of action or a major revision in the statement of goals and objectives.</p>

BRILLION HOUSING AUTHORITY
PARKVIEW HOMES RESIDENT ADVISORY BOARD (RAB)

The PHA **Resident Advisory Board** met three times from July thru October, 2009 to discuss the Agency Plan requirements and drafts and other policy issues. The RAAB did not submit written comments on the draft plan. Executive Director responded to RAB members' oral comments during the meetings.

The Executive Director talked to the RAB about the PHA process and timeline for developing the Capital Fund Program budget. Again, the RAB did not submit any written comments, and no specific comments on capital improvement needs.

All residents of the Parkview Apartments are members of the RAB. The attendance fluctuates, average attendance 12 (possible 25).

Comments Received from RAB: The RAB recommends that the Brillion Housing Authority continue to study the problems that arise from the elderly living in the same community with the young disabled residents.

BHA RESPONSE: The Housing Authority realizes that there is a problem due to the young handicapped being placed in elderly housing. The HA will continue to comply with rules of fair housing, including providing housing for people with disabilities.

Comments Received from RAB: The RAB recommends that as a condition of accepting a unit in public housing, applicants who receive mental health services, shall provide the appropriate assessment certifying that they do not pose a safety risk to their community and are able to live with minimal assistance from outside services.

BHA RESPONSE: The Housing Authority realizes that there is a problem due to people with a mental condition being placed in an elderly housing environment. The HA will continue to comply with

rules of fair housing, including providing housing for people that are in need of mental health services.

Comments received from RAB: ALL residents are very pleased with the newly refurbished apartments. They especially like the new appliances, cupboards, and floor coverings. The 12 apartments that have washer & dryers in them are appreciated as well. The 12 barrier free apartments are a welcome addition. The residents say they are happy to call Parkview Apartments HOME. Several of the residents expressed their joy in learning how to use the internet, even if just for e-mail. (Made possible by the HA purchasing two computers, printer, and copier, for the business center this past year.) The residents also commented about the "whiskey barrels" that were placed on each patio. Everyone planted various kinds of flowers in them this year, and comments were made as to how nice everything looked.

BHA RESPONSE: THANK YOU !!

VAWA and the PHA Plan

BRILLION HOUSING AUTHORITY, BRILLION WI 54110

On October 12, 2009 the PHA Board of Commissioners approved a Policy on Protections for Victims of Domestic Violence (VAWA Policy).

The Brillion Housing Authority adopted these policies in compliance with the Violence Against Women Act (VAWA) Amendments of 2005. The Act also requires the PHA to describe in the Agency Plan any goals, objectives, policies, or programs that will enable the PHA to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault or stalking. (sec. 603).

The PHA supports the goals of the VAWA Amendments and will comply with its requirements.

The PHA will continue to administer its housing programs in ways that support and protect residents and applicants who may be victims of domestic violence, dating violence, sexual assault or stalking.

The PHA will not take any adverse action against a resident or applicant solely on the basis of her or his being a victim of such criminal activity, including threats of such activity. "Adverse action" in this context includes denial or termination of housing assistance.

The PHA will not subject a victim of domestic violence, dating violence, sexual assault or stalking to a more demanding standard for lease compliance than other residents.

The PHA will continue to develop policies and procedures as needed to implement the requirements of VAWA, and to collaborate with other agencies to prevent and respond to domestic violence, dating violence, sexual assault or stalking, as those criminal activities may affect applicants for and participants in the PHA's housing programs.

The PHA VAWA Policy states that "the PHA will provide notices explaining the VAWA protections to applicants for public housing."
