I can relate to the less fortunate when I was young. Somewhere along the line there were people in my life that cared enough to help my family. And now I feel I need to return the favor by helping the tenants here at Churchill Woods. By providing additional resources that would enhance & educate their lives they can maybe help a family member or others that are less fortunate than they are. It's very hard to comment on the previous 5-year PHA Plan as my staff & I were put into place after the previous plan was submitted. However & after in-depth analyses of what our facility needs are, we knew our goals going forward were going to be overwhelming. Safety & Modernization was at the top of our list.</i></p> <p>Our safety goals we recently completed :</p> <ul style="list-style-type: none"> • 32 CCTV Camera System • Sprinkler System throughout. • Implementation of personal locked storage units. • Promoting a smoke free facility <p>To improve the quality of life for our tenants & facility:</p> <ul style="list-style-type: none"> • Enhanced the marketable appearance inside and out. Over the years it was showing its age so it was time not only for the current tenants living here but also to attach new future tenants. Thanks to a lot of help from staff, vendors, outside sources and the tenants, they all helped for us to meet most of goals we set out to meet. We have turned a cold dirty storage room into a bright beautiful exercise room. We remodeled most of the common rooms in the building such as a Library, TV Room, Game Room, Community Room, Lobby, Public bathrooms & laundry room. When we had an open housing our tenants were so excited most invited their families to come and see the place. We continued our efforts outside; bring in landscapers, planted new trees, flowers and shrubs. Installed sidewalks around the building, adding sitting areas, a smoking shelter and even a gazebo. This month we have moved into phase 2 on our goals list which will include a new elevator, expanding our parking & Tenant garden.</i></p> <p>(b) Significant Amendment & Substantial Deviation / Modification. <i>The Monroe Housing Authority would post a new plan to the public if we added a project of significant value.
