Luck Housing Authority (LHA)
Domestic Violence Policy

1. Eligibility screening and domestic violence

(a) An applicant household shall not be denied assistance solely because it includes a victim of domestic violence, provided that the perpetrator of domestic violence is not a member of the applicant household.

(b) In determining eligibility for housing assistance in cases where LHA has become aware that the household includes a victim of domestic violence, and when screening reveals negative and potentially disqualifying information, such as poor credit history, previous damage to an apartment, or a prior arrest, inquiries will be made regarding the circumstances contributing to this negative reporting, to ascertain whether these past events were the consequence of domestic violence against a member of the applicant household.

(c) Any such inquiries will make clear that members of applicant households have a right to keep any history of domestic violence against them confidential.

(d) When inquiries reveal that the negative reporting was the consequence of domestic violence against a member of the applicant household, the applicant household will not be denied housing assistance on the basis of this reporting, provided that the perpetrator of domestic violence is not a member of the applicant household.

(e) All adult members of a household applying for assistance will be informed that in the above circumstances, a history of domestic violence will mitigate negative findings due to the domestic violence.

2. Termination of housing assistance

Individuals will not be terminated from housing assistance solely because they are the victims of domestic violence, or because they have sought the assistance of the police or the courts.

3. Family break-up policies

(a) When a household receiving assistance breaks up and the domestic violence is a factor, first priority will be given to the best interest of the family.

(b) If there is a court determination of the family members' respective rights as to the housing assistance, including a determination set out in a personal protection order that determination will be taken into consideration.

(c) An individual receiving housing assistance must notify the LHA when a household composition changes due to domestic violence and then the rent which had previously been determined based on the income of an abusive family member who has left the household or been excluded from the household by a personal protection order or other court order, for the unit will be adjusted to reflect the household's changed circumstances. In the case of a rent decrease the rent adjustment will become effective the first day of the month following the month in which the change was reported. Per the Admissions and Continued Occupancy Policy.

(d) When households including both citizens and noncitizens break up, a noncitizen victim of domestic violence may still be eligible for housing assistance only if they are a national or eligible non-citizen or if they have remaining family members that are eligible.

4. **Preferences**

Families who are victims under VAWA will receive a preference in LHA's public housing and housing assistance programs. Families who have been victims of domestic violence, dating violence or stalking shall provide: a) documentation signed by the victim and an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence or stalking or the effects of the abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident(s) in question are bona fide incidents of abuse; or b) a federal, state, tribal, territorial or local police or court record to establish their victim status under this policy.

5. **Transfers, relocations**

(a) A household is required to give written notice to the LHA before moving out or terminating the lease. If the household must move to protect a member's safety it will be responsible to the LHA for their share of rent and to follow program rules until the LHA releases tenant from their lease obligations. The LHA may also refer public housing residents to local legal service agencies for assistance.

(b) The LHA will make every effort, once the domestic violence has been verified to assist the family in transferring to a different LHA unit provided:

1. That an approved size unit is available and
2. These transfers are approved by the screening committee.

6. **Linkages with community resources**

Housing Authority may refer him or her to domestic violence advocates. The LHA will also inform the individual those local legal service agencies that are available to provide assistance and representation to domestic violence victims.

7. **Definitions**

(a) “Domestic violence” is defined as a household member who commits an act of violence toward another household member. It is not limited to violence between individuals who are married or formerly married or who have a child in common.

If the person does not provide a complete and accurate certification within the 14 days, the LHA may take action to deny or terminate participation or tenancy.

8.2 **Certification**

A person who is claiming victim status shall provide to LHA a) documentation signed by the victim and an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence or stalking or the effects of the abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident(s) in question are bona fide incidents of abuse; or b) a federal, state, tribal, territorial, local police or court record.

(c) All legal mandates of confidentiality will be honored.
