9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>Based upon the present Housing Authority of the City of Loveland master waiting list there is a severe and obvious need for very-low income housing to address applicants at 30% AMI and below. Our list shows 81.46% of all applications on file are completed by individuals and families at 30% and below AMI (2152 applications). The next greatest need is seen by applicants at 30%-50% AMI with an application base of 1753 applications. Low income to not low 50% - 80% applications are limited (362 applications) for a percentage of total waiting list of 16.82%. Our waiting list continues to support applications from families with 60% (1291) of all applications being from families with children. The next highest level of applications is from disabled applicants (370 applications or 17.19%). Finally, we host 223 (10.36%) of applications from applicants who are elderly. Bedroom size requests from low income applicants indicate a strong need for 2 bedroom units (951), next is the one bedroom unit request (704) and finally 430 applications indicate a need for 3 bedroom units. Of note, the 1291 applications from families with children indicate a total number of 2412 children in need of affordable housing at this time. Another important source of data being used on this section is the "Larimer County Housing Needs Assessment" which was prepared in September, 2009 by the Community Strategies Institute. This study indicates "Affordability of housing still remains a significant program for many." "Developers wishing to increase the inventory of affordable rental units are also facing challenges in programming rental units to meet demand segmented by income. The HUD Regional Economist, in the most recent Market Watch report, supports the need for rental housing units affordable to households earning less than 50% of the AMI." (Page 55 – Larimer County Housing Needs Assessment).</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. The Housing Authority of the City of Loveland increased the affordable housing stock by 50 Section 8 Project based units when it purchased Creek Side Garden apartments. We continue to pursue additional development opportunities as they arise.</p>
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <ol style="list-style-type: none"> 1. We have successfully continued to offer Family Self Sufficiency services to residents and plan to increase our program size. 2. We successfully completed the Project Based requirements for 50-units at Silver Leaf One. 3. We have successfully 3 completed Homeownership closings. 4. We continue to offer excellent Section 8 Voucher Program services, comply with HUD regulations and all EHO requirements. <p>(b) Significant Amendment and Substantial Deviation/Modification. There are no changes to the Housing Authority of the City of Loveland's 5 year plan. A "significant amendment" and "substantial deviation/modification" would include any change to the 5 year plan that would alter plan goals.
