

9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The housing needs in our area for low and very low income individuals are not readily available because generally, rental housing in our jurisdiction is not affordable to low and very-low income constituents without help. The supply of units appears to be adequate but not affordable. Because of the lack of affordable rental housing in our area, assisted housing continues to be necessary and desired by those living in our authority district and those on our waiting lists.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>The MVHA annually places an ad in the local paper encouraging new landlords to contact us to see what the Section 8 program has to offer to the renters and owners. An orientation is held at the onset of residency with the tenant. Brochure packets with many sources of information are given to all new landlords and tenants. Residents are assisted by staff to obtain appropriate housing and the inspector monitors the residence annually and quality control inspections are completed as required on selected properties.</p>
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>We work closely with other area organizations to promote self-sufficiency and to provide decent, safe, and affordable housing to low income for the elderly and disabled persons for the community of Posey County. We provide a living environment free of discrimination and housing that is suitable for all individuals eligible by following our Public Housing Policies.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”</p> <p>Funds from one year’s plan may be utilized to accomplish any work items scheduled during the five-year plan and shall not be considered a substantial deviation. Emergency work items shall take precedence over scheduled work items and shall not be considered a substantial deviation. Any excess funds remaining after completion of the scheduled work items for the annual plan year, may be utilized for future year’s planned work items. Capital Funds originally designated for operations may be utilized to supplement any other approved work items in order to accomplish the goals in the Plan. This shall not be considered a substantial deviation.</p>
11.0	<p>Required Submission for HUD Field Office Review. In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged. Items (h) through (i) must be attached electronically with the PHA Plan. Note: Faxed copies of these documents will not be accepted by the Field Office.</p> <p>(a) Form HUD-50077, <i>PHA Certifications of Compliance with the PHA Plans and Related Regulations</i> (which includes all certifications relating to Civil Rights)</p> <p>(b) Form HUD-50070, <i>Certification for a Drug-Free Workplace</i> (PHAs receiving CFP grants only)</p> <p>(c) Form HUD-50071, <i>Certification of Payments to Influence Federal Transactions</i> (PHAs receiving CFP grants only)</p> <p>(d) Form SF-LLL, <i>Disclosure of Lobbying Activities</i> (PHAs receiving CFP grants only)</p> <p>(e) Form SF-LLL-A, <i>Disclosure of Lobbying Activities Continuation Sheet</i> (PHAs receiving CFP grants only)</p> <p>(f) Resident Advisory Board (RAB) comments.
