7.0 **Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers.** *Include statements related to these programs as applicable.*

During FY 2011, the WHA has no plans for Hope VI, Mixed-Finance, Development, Demo-Dispo, Public Housing Conversions, or Homeownership.

However, in order to support local affordable housing planning initiatives, the WHA may explore the feasibility of establishing a Section Project-Based Voucher Program during FY 2011. The preliminary concept is that the WHA would project-base up to 20 vouchers for elderly housing in North Waltham where no other subsidized housing currently exists. The former Hardy School property on Lake Street might be a potential candidate for project-basing.

8.0 **Capital Improvements.** Please complete Parts 8.1 through 8.3, as applicable.

8.1 **Capital Fund Program Annual Statement/Performance and Evaluation Report.** As part of the PHA 5-Year and Annual Plan, annually complete and submit the *Capital Fund Program Annual Statement/Performance and Evaluation Report*, form HUD-50075.1, for each current and open CFP grant and CFFP financing.

Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

Local Needs

Data from the 2010 Census will not be available for some time; therefore the information below is somewhat dated but believed to be generally representative of local housing needs.

The City of Waltham Consolidated Plan for 2001-2005 states that Census Data shows the poorest residents paid the most for housing (in terms of income devoted to housing costs) Renters comprise ~55% of the households in the City. Renters facing "housing cost burdens(i.e. paying more than 30% of income for housing) are not concentrated in low income areas, but are distributed across the City.

The City of Waltham as of April 2002 has 5.2% of its available housing units counted as affordable according to Mass General Law 40B. Although the city does not meet the affordable goal 10% of the units in the community , it does as of 2003 meet the maximum land area requirement of MGL 40 B. Therefore , zoning relief for affordable housing development under this law may not be available for future affordable housing projects.

To address the identified housing needs, WHA will 1) seek to maintain, improve and preserve our existing housing stock by using appropriate resources, and, 2) continue to be aggressive in applying for additional grants from federal as well as non-federal housing resources to help add to the affordable housing available in our community. . We also intend to continue our working relationship with government and non-profit agencies to try and meet our community's housing needs. The WHA has during 2006 and 2008 continued discussions with the City of Waltham regarding management , Housing Choice Voucher project based assistance, and development of affordable housing in City buildings that have or will become vacant. The WHA has also formulated plans to utilize local Community Preservation Act funds to preserve and increase affordable housing opportunities. We also will strive to improve housing management, and conduct outreach to increase the number of potential landlords ,and modernize federal and state public housing.

Public Housing Needs

General information on the WHA's Public Housing Waiting List is available at the WHA's Main Office, 110 Pond Street, Waltham, MA 02451.

9.0

Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

Section 8 Needs

The Waltham Housing Authority since January 2003 has participated in a centralized Section 8 Waiting List administered by the Mass. Chapter of NAHRO. Cooperatively, with 84 other Massachusetts PHA's, a single internet based waiting list has been created. Applicants may submit a standard preliminary application to any participating PHA and be placed on the list for all participating Authorities. Each agency selects families from the list in the manner outlined in their Section 8 Administrative Plan. PHA participation in the program represents 84 of the Mass. PHA's operating the Section 8 HCV program. Additional PHA's have expressed commitment to join the program in coming years. There are agencies which currently do not operate the Section 8 Voucher program which have agreed to accept applications to the centralized list, in order to provide local access to the waiting list for residents of their community. Rules and procedures for using the centralized list and participating in the program are formalized in a standard Memorandum of Understanding (MOU) between MassNAHRO and each PHA. Each PHA's Section 8 Administrative Plan reflects the content of the MOU. Updates were sent to all applicants on the list in February 2008 by MassNAHRO. Detailed information regarding this list is available at the following website: <http://section8listmass.org/>.

- Participate in the MassNAHRO Section 8 Centralized Waiting List.

Waltham Housing Authority FY 2011 Agency Plan RAB and Public Hearing Comments

After publishing a Legal Notice making the FY 2011 Agency Plan available for a 45-day public review and comment period, the Waltham Housing Authority (WHA) conducted two (2) meetings with the Resident Advisory Board (RAB) on March 29, 2011 and April 12, 2011 as well as a Public Hearing on April 27, 2011.

Approximately 10-12 public housing residents and Section 8 participants attended each of the RAB meetings; however only 2 (1 public housing, 1 Section 8) attended the Public Hearing.

In general the discussion and comments from both the RAB meetings and Public Hearing were very positive and focused on upcoming work and plans.

Two specific issues came up at the Public Hearing:

- (1) Both Public Hearing attendees were very supportive of the WHA's desire to implement its proposed Non-Smoking policy; and
- (2) There was a recommendation that the Elderly and Disabled need help with Air Conditioning installation and removal. The WHA indicated that it was going to verify that Waltham's Elderly Affairs agency still provides this "service" and to make it known to residents that this service is available.

Both the RAB and Public Hearing participants thanked the WHA for being part of this process.
