5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.												
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: Our Mission is to provide quality housing opportunities to improve the lives of the citizens who are in need; To serve our community's housing needs using all resources available; To provide affordable housing for all residents through creative partnerships with public and private collaborators; To provide safe, decent, affordable housing for eligible residents of the City of Jefferson; To provide affordable housing that is in good repair; To be stewards of public funds and trust and to serve all customers with respect; To do good by doing good business in offering a variety of housing opportunities for the community's citizens.												

Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

Goals and Objectives:

To provide improved living conditions for very low and low income families while maintaining their rent payments at an affordable level. To operate a socially and financially sound public housing agency that provides decent, safe and sanitary housing within a drug free, suitable living environment for tenants and their families. To avoid concentration of economically and socially deprived families in any one or all of the PHA's public housing developments.

The Authority continues to offer low income families affordable housing. It works closely with local police to keep the neighborhoods drug free and to avoid crime in the area. The Authority tries to attract a variety of families of various socio-economic backgrounds to each of its public housing developments.

Progress in Meeting Our Mission and Goals

The turnaround time for vacant units has remained low this year. It has been averaging 26 days. The vacancy rate also has been low. Last year it was 6.74% and is now averaging 5.57%.

For the past several years JCHA and the Jefferson City Public Schools have been building single family homes for sale to low income families. We have some lots left and anticipate the school will build on one of them next year. We have four homes for sale. We have sold one home to a Section 8 resident using the homeownership program.

We are also closely monitoring our PHAS and SEMAP scores.

We are using CGP to continue to improve the units, reduce vacancies, improve amenities for the residents and improve security.

De-concentration is monitored by the staff. Most of our residents are at 30% or lower of medium income.

We have signed an agreement with the Division of Family Services to provide support to our families. The Head-start program and The Jefferson City Daycare are housed in our buildings. The Boys and Girls Club also provides youth activities for the neighborhood in one of our buildings.

The Section 8 Voucher program has 202 vouchers issued.

5.2

The Jefferson City Housing Authority staff closely monitors all programs to ensure access to assisted housing regardless of race, color, religion, national origin, sex, or familial status and to ensure accessible housing to persons with all types of disabilities regardless of the unit size required.

PROHIBITION AGAINST TERMINATING TENANCY OF VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING [Pub.L. 109-162 and 109-271]

The Violence against Women Reauthorization Act of 2005 (VAWA), provides that “criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of the tenancy or occupancy rights, if the tenant or immediate family member of the tenant’s family is the victim or threatened victim of that abuse.” VAWA further provides that incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed either as serious or repeated violations of the lease by the victim of such violence or as good cause for terminating the tenancy or occupancy rights of the victim of such violence.

VAWA does not limit the PHA’s authority to terminate the tenancy of any tenant if the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property.

Victim Documentation

PHA Policy

When a tenant family is facing lease termination because of the actions of a tenant, household member, guest, or other person under the tenant’s control and a tenant or immediate family member of the tenant’s family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the PHA will require the individual to submit documentation affirming that claim.

The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking

One of the following:

A police or court record documenting the actual or threatened abuse

A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The required certification and supporting documentation must be submitted to the PHA within 14 business days after the individual claiming victim status receives a request for such certification. The PHA, owner or manager will be aware that the delivery of the certification form to the tenant in response to an incident via mail may place the victim at risk, e.g., the abuser may monitor the mail. The PHA may require that the tenant come into the office to pick up the certification form and will work with tenants to make delivery arrangements that do not place the tenant at risk. This 14-day deadline may be extended at the PHA’s discretion. If the individual does not provide the required certification and supporting documentation within 14 business days, or the approved extension period, the PHA may proceed with assistance termination.

The PHA also reserves the right to waive these victim verification requirements and accept only a self-certification from the victim if the PHA deems the victim’s life to be in imminent danger.

Once a victim has completed certification requirements, the PHA will continue to assist the victim and may use bifurcation as a tool to remove a perpetrator from assistance. Owners will be notified of their legal obligation to continue housing the victim, while using lease bifurcation to remove the perpetrator from a unit. The PHA will make all best efforts to work with victims of domestic violence before terminating the victim's assistance.

In extreme circumstances when the PHA can demonstrate an actual and imminent threat to other participants or those employed at or providing service to the property if the participant’s (including the victim’s) tenancy is not terminated, the PHA will bypass the standard process and proceed with the immediate termination of the family’s assistance.

Terminating or Evicting a Perpetrator of Domestic Violence

Although VAWA provides protection from termination for victims of domestic violence, it does not provide protection for perpetrators. In fact, VAWA gives the PHA the explicit authority to bifurcate a lease, or to remove a household member from a lease, “in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.” This authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law for eviction, lease termination, or termination of assistance [Pub.L. 109-271].

PHA Policy

When the actions of a tenant or other family member result in a determination by the PHA to terminate the family’s lease and another family member claims that the actions involve criminal acts of physical violence against family members or others, the PHA will request that the victim submit the above required certification and supporting documentation in accordance with the stated time frame. If the certification and supporting documentation are submitted within the required time frame or any approved extension period, the PHA will bifurcate the lease and evict or terminate the occupancy rights of the perpetrator. If the victim does not provide the certification and supporting documentation, as required, the PHA will proceed with termination of the family’s lease.

If the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant’s tenancy is not terminated, the PHA will bypass the standard process and proceed with the immediate termination of the family.

PHA Confidentiality Requirements

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

These 76 units are all located on Elizabeth Street. Most of these are duplexes comprised of one, two and three bedroom units. As the units are over 30 years old, they have few accessibility features. If plans are approved, the work would begin within three months. The authority has completed major renovations on 8 units of Public Housing in MO00900005. This included new wiring, heating and air conditioning systems, drywall, floors, bathrooms and kitchens. Currently no request is being submitted to MHDC for using tax credits to rebuild the housing units lost. We will be trying to get assistance from HUD to assist the residents with rent.</p> <p>The Housing Authority does not have plans for Conversion of Public Housing.</p> <p>The Housing Authority has a Section 8 Homeownership Program that can accept up to ten participants. Two voucher holders have purchased homes through the Section 8 Homeownership Program. Participants must:</p> <ul style="list-style-type: none"> Meet minimum income requirements. Be a first time homebuyer. Have acceptable credit ratings or the ability to correct credit ratings. Participate in credit counseling programs before purchase of the home. These Project -based Voucher units are located at 1012 Linden Way and were previously part of Public Housing. Now the units are in a Tax Credit Property and not owned by the Authority. These vouchers help to keep the units within the means of persons in need of affordable housing.</p> <p>The Authority also manages 206 units of Tax Credit Property with Project-based Section 8 funding. It also manages 71 units of Tax Credit only units. The Tax Credit Properties with Project Based Section 8 are 22 units at Capital City Apartments at 522 East Elm Street, LaSalette 1210 Linden Drive, Kenneth Locke II at 1210 Linden Way and Hyder 1310 Linden Drive. <p>9.0</p>	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The Housing Authority has determined that the most important factors for the families in its jurisdiction are affordability, supply and quality of housing. Families without an elderly or disabled member feel that accessibility and size are moderately important and location is relatively unimportant. However, families with elderly or disabled members do place importance their home's proximity to public transportation, schools, employment and shopping centers.</p> <p>Currently the Public Housing Waiting List has 265families on it. Fifty-one percent of these families have children. The majority of families on the waiting list are small with, 125families qualifying for one bedroom units and 99 qualifying for two bedroom units. Two families include elderly members and 48 families with disabled members are on the list. 99% of the families on the Public Housing Waiting list have incomes under 30% of AMI.</p> <p>The Section 8 Waiting List has 238 families on it. 98% of these families have incomes under 30%of AMI. It will continue to work closely with the Jefferson City Police to keep crime rates low. All of its units are within two blocks of the city bus lines and several are accessible for persons with disabilities.</p> <p>It will:</p> <ul style="list-style-type: none"> Employ effective policies to minimize the number of units off-line. Reduce turnover time for vacant units Market the Section 8 program to new landlords Market the Section 8 program to landlords outside areas of poverty/minority concentration

10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"</p> <p>Progress in Meeting Our Mission and Goals . The vacancy rate has remained steady, averaging 6.28%.</p> <p>To more efficiently meet the needs of handicapped families, the Housing Authority has split the Public Housing waiting list into three lists: One list for 9001, Family Public Housing; one list for 9003 which is Dulle Tower combined with Hamilton Tower. They are side-by-side high-rise buildings with one bedroom apartments for handicapped and elderly families. The third list is for 9005 a small development for families with a mobility impaired member.</p> <p>We finished rehabilitating MO 9005.</p> <p>For the past several years JCHA and the Jefferson City Public Schools have been building single family homes for sale to low income families. We are continuing this program. Next year the school should be using another one of our lots to build a new house. We have four homes for sale. We have sold one home to a Section 8 resident using the homeownership program.</p> <p>We are also closely monitoring our PHAS and SEMAP scores.</p> <p>We are using CGP to continue to improve the units, reduce vacancies, improve amenities for the residents and improve security.</p> <p>De-concentration is monitored by the staff. Most of our residents are at 30% or lower of medium income.</p> <p>We have signed an agreement with the Division of Family Services to provide support to our families. The Head-start program and The Jefferson City Daycare are housed in our buildings. The Boys and Girls Club also provides youth activities for the neighborhood in one of our buildings.</p> <p>Due to funding issues the Section 8 Voucher program has 189 vouchers issued.</p> <p>The Jefferson City Housing Authority staff closely monitors all programs to ensure access to assisted housing regardless of race, color, religion, national origin, sex, or familial status and to ensure accessible housing to persons with all types of disabilities regardless of the unit size required.</p> <p>Substantial Deviation from the 5-Year Plan or Significant Amendments or Modifications: Substantial deviations or significant amendments or modifications are defined as discretionary changes in plans or policies of the Housing Authority of the City of Jefferson that fundamentally change the mission, goals, objectives, or plans of the authority and which require formal approval by the Board of Commissioners.</p>
