Ensuring the physical safety of victims of actual or threatened domestic violence, dating violence, or stalking who are assisted by YHA;

Providing and maintaining housing opportunities for victims of domestic violence dating violence, or stalking;

Creating and maintaining collaborative arrangements between YHA, law enforcement authorities, victim service providers, and others to promote the safety and well-being of victims of actual and threatened domestic violence, dating violence and stalking, who are assisted by YHA; and

Taking appropriate action in response to an incident or incidents of domestic violence, dating violence, or stalking, affecting individuals assisted by YHA.

This policy will be known as the Violence Against Women Act (VAWA) policy. Hereafter called (LHA)Violence Against Women Act (VAWA) policy.

#### **GOAL:**

To protect denial of admission to and/or eviction of individuals of Domestic Violence in which they were victims.

#### **OBJECTIVE:**

To assure protected victims, each of which are defined separately, establishes together a broad group of protected individuals (all of which are herein referred to as victims of domestic violence) Dating Violence, Sexual Assault and Stalking, housing needs are addressed. Note that these definitions include, among others, children, as well as Victims of Dating Violence and Stalking.

#### **POLICY:**

LHA will not deny admission, continued occupancy, or terminate the tenancy of an applicant/tenant who are victims of domestic violence. Management may however “bifurcate” a

lease/application or other wise remove a household member from a lease/application without regard to whether a household member is a signatory to the lease/application in order to evict/ remove any individual who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing or otherwise penalizing the victim of violence who is also a tenant or lawful occupant, applicant (providing the culpable person will no longer reside in the unit). The LHA may however deny admission and/or evict where the LHA can demonstrate “an actual and imminent threat to other tenants or those employed at or providing service to the property.”

Management may request in writing that an individual complete, sign and submit, within 14 business days a HUD approved certification form that certifies that he/she is a victim of domestic violence, and that the incident or incidences in question are bona fide incidences of such actual or threatened abuse. On the certification form, the individual will provide the name of the perpetrator.

In lieu of a certification form and/or in addition to, a tenant/applicant may provide to the LHA (1) some local police records or court record; (2) documentation signed and attested to by an employee, agent or volunteer of a victim service provider, an attorney or a medical professional, from whom the victim has sought assistance in addressing domestic violence, or the effects of abuse, in which the professional’s attests under penalties of perjury to the belief that the incident(s) in question are bona fide.

If the certifications or information is not provided timely, none of the protections afforded to the victim of domestic violence will apply and management would be free to evict.

Information provided to the LHA relating to the fact of any household member being a victim of domestic violence, dating violence, or stalking will be retained by the Authority in confidence, and will not be shared or disclosed without your consent except in denial/eviction proceedings or as otherwise required by law.

NOTE: The LHA may at the Executive Director’s (or his or her signee) discretion, provide assistance to an individual based solely upon the individual’s statement or other corroborating evidence.

One or more incidents of actual or threatened domestic violence will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and will not be good cause for termination of tenancy or occupancy right of the victim of such violence.

Termination procedures will be effected in accordance with Federal, State, or Local Law. LHA will honor court orders addressing rights of access or control of the property including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up. Management may not subject an individual who is a victim of domestic violence to a more demanding standard than other tenants in determining whether to evict. Management will however make a determination as to any actual and/or imminent threat to other tenants or those employed at or providing services to the property if the tenant is not evicted. Violation of the lease not premised on the act or acts of violence in question against the tenant or a member of the tenant’s household may however result in eviction.

**NOTIFICATION OF RIGHTS UNDER VIOLENCE AGAINST WOMEN ACT (VAWA)**

**DATE:** \_\_\_\_\_

**TO:** \_\_\_\_\_

**FROM: Yazoo City Housing Authority, 121 Lindsey Lawn, Yazoo City, MS 39194**

A new federal law reauthorizing the Violence Against Women Act (VAWA) provides certain rights to tenants and lawful occupants of public housing. This law requires that you be notified of these rights.

**Protections Against Eviction**

1. VAWA states that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking (as these terms are defined in VAWA) will not be considered to be a “serious or repeated” violation of your lease, if you are the victim of the incident or incidents. This means you may not be evicted based on such an incident(s) where you are the victim.

2 In addition, although the housing authority may evict you for certain types of criminal activity as provided in your lease, VAWA states that the housing agency may not evict you if the criminal activity is:

- (a) directly related to domestic violence, dating violence, or stalking; and
- (b) engaged in by a member of your household, or any guest, or another person under your control; and
- © you or a member of your immediate family is the victim of this criminal activity.

**Certification**

If the housing agency notifies you that it intends to terminate your tenancy based on an incident or incidents of domestic violence, dating violence, or stalking, and you claim protection against eviction under VAWA, the housing may require you to deliver a certification. You must deliver the certification within 14 business days after you receive the housing agency’s request for it. If you do not do this within the time allowed, you will not have any protection under VAWA and the agency may proceed with terminating your tenancy without reference to the VAWA protections.

You may certify either by:

- (a) Completing and delivering a HUD-approved certification form which will be supplied to you by the housing authority; or
- (b) Providing the housing agency with documentation signed by an employee, agent, or volunteer of a service provider, an attorney, or a medical professional from whom the (you or another member of your immediate family) has sought assistance in addressing domestic violence, dating violence, or stalking or the effects of the abuse.  
(This certification must be sworn under penalty of perjury); or
- © Producing a Federal, State, tribal, territorial, or local police record.

### **Confidentially**

Information you provide to the housing authority relating to the fact that you or another member of your household is a victim of domestic violence, dating violence, or stalking will be retained by the housing authority in confidence. This information will not be shared or disclosed by the agency without your consent except as necessary in an eviction proceeding or as otherwise required by law.

### **Limitations**

1. Prevents the housing agency from terminating tenancy and evicting for any violation of a lease that is not based on a matter involving domestic violence, dating violence, or stalking for which VAWA provide protections as described above. However, the housing agency may not in such cases apply any stricter standard to you than to other tenants.
2. Prevents the housing agency from terminating tenancy and evicting where the housing authority can demonstrate “an actual and imminent threat to other tenants or those employed at or providing service to the property.” Where such a threat can be demonstrated by the housing agency, you will not be protected from eviction by VAWA.
3. Limits the ability of the housing agency to comply with court orders addressing rights of access to or control of the property. This includes civil protection orders entered for the protection of the victim or relating to the distribution or possession of property.
4. Supersedes any Federal, State or local law that provides greater protection than VAWA.

### **Housing Agency Right to Remove Perpetrator of Domestic Violence**

VAWA also creates a new authority under Federal law that allows a housing agency to evict, remove, or terminate assistance to any individual tenant or lawful occupant of public housing who engages in criminal acts of physical violence against family members or others. This may be done without evicting or taking any other action adverse to the other occupants.

### **Further Information**

You may obtain a copy of the housing authority’s written policy concerning domestic violence, dating violence, and stalking, from: \_\_\_\_\_.

The written policy contains, among other things, definitions of the terms “domestic violence,” “dating violence,” “stalking,” and “immediate family.”
