A. Progress in meeting Mission & Goals

The Housing Authority (HA) has completed comprehensive modernization programs on a portion of the housing units during 2010. The housing authority scored 87 out of 100 possible points on the physical inspection subsection of the PHAS review. During 2010 the Housing Authority maintained a vacancy rate for Public Housing of less than (3) percent. This would indicate that the Housing Authority is meeting or exceeding the HUD goal of increasing the availability of decent, safe, affordable housing in good repair. This Housing Authority is striving to improve the community quality of life and economic suitability by recruiting a tenant body composed of families with a broad range of incomes to avoid concentration of the most economically deprived families. The HA has used a local preference system to select from applicants on the waiting list who have family incomes within adopted income ranges. This HA will continue its efforts to improve security in our developments working with the City and County law enforcement agencies and enforce the Screening and Eviction Policy (Formerly "One Strike").

B. Significant amendment and Substantial Deviation

"Substantial Deviation" of the Annual Plan from the 5-Year Plan is defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.

"Significant Amendment or Modification" of the Annual Plan or 5-Year Plan is:

- i. Changes to rent or admissions policies or organization of the waiting list; or
- ii. Additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.

C. Other Information

Congress passed the Omnibus Appropriations Act of 2009 and said bill became Public Law 111-8 on March 11, 2009. Section 212 exempts the county of Los Angeles, California and the states of Alaska, Iowa, and Mississippi from the requirement to have a resident as a member of the governing board; provided that a minimum of six residents of public housing or Section 8 Assistance provide advice and comments to the PHA. The Advisory Board shall meet no less than quarterly.
