Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Authority does recognize the need for public notification for items contained within the 5-Year and Annual Plans. This authority shall make proper for any Substantial Deviations from these plans as required under law. The exception to this definition is if the change has been made to meet compliance with The U.S. Department of Housing and Urban Development requirements. Substantial deviation or Significant amendment or shall mean those of the mission statement, goals and objective, capital fund program or changes in significant expenditures. And changes in requirement for administration of Public Housing requiring public comment and/or public hearing.

B. Significant Amendment or Modification to the Annual Plan

A Significant Amendment or Modification to the Annual Plan shall be construed to mean the following:

- Changes to rent or admissions policies or organization of the waiting list;
- Additions of non-emergency work items not currently included in the Annual Statement or the 5-Year Action Plan or changes in use of replacement reserve funds under the Capitol Fund;
- Any changes with regard to demolition or disposition, designation, homeownership programs or conversion activities.

These issues, if required, shall be raised with proper public notification. The Housing Authority acknowledges that an exception will be made by HUD to comply with the above changes that are adopted to reflect changes in HUD regulatory requirements: such changes will not be considered significant amendments by HUD.

McCOMB/SUMMIT HOUSING AUTHORITY POLICY ON VIOLATION AGAINST WOMEN (VAWA) AND JUSTICE DEPARTMENT REAUTHORIZATION ACT OF 2005

The VAWA prohibits the McComb - Summit Housing Authority (MHA/SHA) to evict or remove assistance from certain persons (including members of the victim’s immediate family) living in the MHA/SHA developments if the asserted grounds for such action is an instance of domestic violence, dating violence, sexual assault, or stalking, as described in Section 3 of the U.S. Housing Act of 1937, and amended by the Violence Against Women Reauthorization Act (VAWA) of 2005.

The MHA/SHA will accept certification from alleged victims in verifying this claim by a MHA/SHA resident.

The VAWA provides “criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of the tenancy or occupancy rights, if the tenant or immediate family member of the tenant’s family is the victim or threatened victim of that abuse.” VAWA further provides that incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed either as serious or repeated violations of the lease by the victim of such violence or as good cause for terminating the tenancy or occupancy rights of the victim of such violence.

VAWA does not limit the MHA/SHA authority to terminate the tenancy of any tenant if the MHA/SHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property.

When a tenant family is facing lease termination because of the actions of a tenant, household member, guest, or other person under the tenant’s control and a tenant or immediate family member of the tenant’s family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the MHA/SHA will require the individual to submit documentation affirming that claim.

The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking

One of the following:

A police or court record documenting the actual or threatened abuse

A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The required certification and supporting documentation must be submitted to the MHA/SHA within 14 business days after the individual claiming victim status receives a request for such certification. The MHA/SHA, owner or manager will be aware that the delivery of the certification form to the tenant in response to an incident via mail may place the victim at risk, e.g., the abuser may monitor the mail. The MHA/SHA may require that the tenant come into the office to pick up the certification form and will work with tenants to make delivery arrangements that do not place the tenant at risk. This 14-day deadline may be extended at the MHA/SHA discretion. If the individual does not provide the required certification and supporting documentation within 14 business days, or the approved extension period, the MHA/SHA may proceed with assistance termination.

The MHA/SHA also reserves the right to waive these victim verification requirements and accept only a self-certification from the victim if the MHA/SHA deems the victim's life to be in imminent danger.

In extreme circumstances when the MHA/SHA can demonstrate an actual and imminent threat to other participants or those employed at or providing service to the property if the participant's (including the victim's) tenancy is not terminated, the MHA/SHA will bypass the standard process and proceed with the immediate termination of the family's assistance. The MHA/SHA will request that a victim of the domestic violence described in this policy to provide evidence or certify to the MHA/SHA that the incident or incidents of abuse are bona fide. All information provided to the MHA/SHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law. The MHA/SHA five-year and Annual Plan contains information regarding any goals, activities, objectives, policies, or programs of the MHA that are intended to support assist victims of domestic violence described above.
