5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: We, at the Lodi Housing, are dedicated to providing our community with decent, safe, sanitary housing and suitable living environment. We are committed to reducing the concentration of poverty in public housing. We seek to expand economic opportunities to all residents and increase the opportunities to all residents and increase the opportunities of housing choices by forming creative partnership with public and private collaborators.				
5.2	Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. In an effort to accomplish our mission, we have set goals and objectives that represent the essence of the LHA's efforts to assure our mission is attained. We shall continue to collaborate with both public and private entities to promote our common goals and objectives of reducing the concentration of poverty in housing, provide quality affordable housing that's decent, safe, well-maintained and free from drugs and violent crime. We shall also continue working in partnership with individuals and organizations to provide housing, education, and employment opportunities for low income families to become self-sufficient and improve their quality of life. Increase the availability of decent, safe and affordable housing by applying for additional Section 8 HCV, reduce public housing vacancies, acquire property to build additional units and/or developments. Make modifications to dwelling units to make them fully accessible in accordance with the Uniform Federal Accessibility Standards (UFAS). We are presently researching the pros/cons of the new Section 8 Homeownership Program. Our goal/mission is to increase the opportunities for affordable housing and the new Section 8 Homeownership Program appears to be a new vehicle in providing such an opportunity. The new Section 8 Homeownership Program would provide participants with the opportunity to choose between leasing a unit or buying a home. The Vouchers would provide mortgage subsidies for eligible families.

RE: COMMENTS/RECOMMENDATIONS FOR LHA 5-YEAR & ANNUAL PLAN

At our Senior Citizen Tenant Association meeting which was held on February 9, 2011, the residents did not have any major suggestions or recommendations. They are happy with the improvements that have been made so far. However, I did ask Carol A. Ferrara, Assistant Housing Manager, who was in attendance at this meeting, if the Housing Authority could have the cloth furniture in the Community Room cleaned. Mrs. Ferrara said that she would create a work order to have this request addressed.

We all wish the Housing Authority the best in their endeavor to make additional improvements with their 5-Year and Annual Plan and thank you for requesting our participation.

Very truly yours,

Hilda Mahady, President

De Vries Park

Tenants Association

Due to a lack of response and participation, this Tenant's Association is currently dormant.
