Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the___ 5-Year and/or_X_ Annual PHA Plan for the PHA fiscal year beginning 2011 *, hereinafter referred to as" the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:*

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
   - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
   - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
   - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
   - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
   - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.

15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.

We address the needs of our residents and strive to keep the community safe and wholesome. The actions we take reduce the vacancies and promotes long term residency.

Leverage private or other public funds to create additional housing opportunities

Bernalillo County continues to use Capital Fund Program funds to improve the unit condition and energy saving devices. BCHD has installed water saver toilets, aerators for faucets, zero scaped yards, Energy Star appliances, and energy efficient windows.

Bernalillo County continues to provide the tenants with the very best in maintenance staff. BCHD strives to accommodate residents and perform maintenance repairs in a timely manner. Staff is present to address emergency situations or concerns by our tenant with regards to property and safety.

Bernalillo County Program Assistants notify participants at their screening that they have the right and freedom of choice where they want to live. They are encouraged to find the best available unit for their family within the guidelines of the program.

Bernalillo Continues to have Landlord orientations twice a month. This educates our landlords on all programs regulations and the benefits to them with regards to timely inspections and guaranteed payments. Our field inspectors encourage present landlords to relay our need for landlord to others.

Bernalillo County Partners with the Bernalillo County Sheriff's Department. She Sheriff's Department supplies BCHD a monthly report with any activities in the area. We often check for abandoned vehicles and unauthorized individuals on the property.

BCHD had taken affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability. BCHD provides safe decent living environment with the assistance of our maintenance staff and Sheriff's Department in immediate area. BCHD units are inspected to verify safe and sanitary conditions.

12-II.E. TERMINATING THE ASSISTANCE OF DOMESTIC VIOLENCE, DATING VIOLENCE, OR STALKING VICTIMS AND PERPETRATORS [Pub.L. 109-162, Pub.L. 109-271]

The Violence Against Women Reauthorization Act of 2005 (VAWA) provides that "criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control shall not be a cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that domestic violence, dating violence, or stalking."

VAWA also gives PHAs the authority to "terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant."

VAWA does not limit the authority of the PHA to terminate the assistance of any participant if the PHA "can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant is not evicted or terminated from assistance." However, situations where this might be relevant are extremely rare.

PHA Policy

In determining whether a participant who is a victim of domestic violence, dating violence, or stalking is an actual and imminent threat to other tenants or those employed at or providing service to a property, the PHA will consider the following, and any other relevant, factors:

Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, or stalking

Whether the threat is a physical danger beyond a speculative threat

Whether the threat is likely to happen within a short period of time

Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location

If the tenant wishes to contest the PHA's determination that he or she is an actual and imminent threat to other tenants or employees, the tenant may do so as part of the informal hearing.

Victim Documentation

PHA Policy

When a participant family is facing assistance termination because of the actions of a participant, household member, guest, or other person under the participant's control and a participant or immediate family member of the participant's family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the PHA will request in writing that the individual submit documentation affirming that claim. The written request will include explicit instructions on where, when, and to whom the documentation must be submitted. It will also state the consequences for failure to submit the documentation by the deadline.

The documentation will consist of a completed and signed form HUD-50066, Certification of Domestic Violence, Dating Violence, or Stalking. In lieu of the certification form, the PHA will accept either of the following forms of documentation:

A police or court record documenting the actual or threatened abuse

Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical or other knowledgeable professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice.

The individual claiming victim status must submit the requested documentation within 14 business days after receipt of the PHA's written request or must request an extension within that time frame. The PHA may, at its discretion, extend the deadline for 10 business days.

If the individual provides the requested documentation within 14 business days, or any PHA-approved extension, the PHA will reconsider its termination decision in light of the documentation.

If the individual does not provide the requested documentation within 14 business days, or any PHA-approved extension, the PHA will proceed with termination of the family's assistance in accordance with applicable law, program regulations, and the policies in this plan.

Terminating the Assistance of a Domestic Violence Perpetrator

Although VAWA provides assistance termination protection for victims of domestic violence, it does not provide protection for perpetrators. VAWA gives the PHA the explicit authority to "terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others...without terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant." This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance [Pub.L. 109-271]. This means that the PHA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [3/16/07 *Federal Register* notice on the applicability of VAWA to HUD programs].

PHA Policy

The PHA will terminate assistance to a family member if the PHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the assistance of the remaining, nonculpable family members.

In making its decision, the PHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-50066) or other documentation of abuse submitted to the PHA by the victim in accordance with this section. The PHA will also consider the factors in section 12-II.D. Upon such consideration, the PHA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If the PHA does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.

PHA Confidentiality Requirements

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

PHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the PHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

12-II.F. TERMINATION NOTICE [HCV GB, p. 15-7]

If a family's assistance is to be terminated, whether voluntarily or involuntarily, the PHA must give the family and the owner written notice that specifies:
