EQUAL HOUSING OPPORTUNITY

Prohibition Against Terminations under VAWA

• The Violence against Women Reauthorization Act (VAWA) of 2005, limits the owner's and PHA's right to terminate tenancy or program assistance under certain circumstances.

• PHAs and owners may not consider actual or threatened domestic violence, dating violence, or stalking as a cause for terminating the tenancy, occupancy, or program assistance of a victim of such violence.

• Specifically, this means that PHAs and owners may not construe such violence or stalking as:
- A serious or repeated violation of the lease by the victim
- Other good cause for terminating the tenancy or occupancy rights of the victim
- Criminal activity justifying the termination of the tenancy, occupancy rights, or program assistance of the victim.

DEFINITIONS AS USED IN VAWA

• The term ***domestic violence*** includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the Jurisdiction.

• The term ***dating violence*** means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

• The term ***stalking*** means:
- To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or
- To place under surveillance with the intent to kill, injure, harass, or intimidate another person; and
- In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2)

a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

• The term ***immediate family*** *member* means, with respect to a person:
- A spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent; or
- Any other person living in the household of that person and related to that person by blood and marriage.

VICTIM DOCUMENTATION

• When the actions of a tenant, household member, guest, or other person under the tenant's control call for the termination of tenancy or assistance, and a tenant or other household member claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the PHA or owner/ manager must ensure that the family is provided the protections afforded under VAWA.

• The Eastern Regional Authority or owner/manager may request that an individual certify that s/he is a victim of domestic violence, dating violence, or stalking, and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse.

• The Eastern Regional Authority will provide form HUD-50066, Certification of Domestic Violence, Dating Violence or Stalking to the victim. The certification form must be provided within 14 business days after the individual receives a request from the Eastern Regional Authority, owner or manager.

• The Eastern Regional Authority will extend the 14 day deadline for an additional 14 business days upon verbal or written request from the victim.

- If the individual does not submit the certification within the required time frame (including any approved extension), the PHA or owner/manager may proceed with terminating the tenancy or assistance of the family.

• An individual may satisfy the certification requirement by providing documentation "signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the actual or threatened abuse"

- OR

1. • The PHA or owner/manager may provide benefits to an individual based solely on the individual's statement or other corroborating evidence.

Evicting or Terminating Assistance of a Perpetrator

• Notwithstanding any Federal, State, or local law to the contrary, a public housing agency may terminate assistance to, or an owner or manager may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.

- Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the relevant program of HUD-assisted housing.

The Eastern Regional Authority shall terminate assistance/tenancy to a perpetrator and allow the victim to move to another location.

Right to Terminate Tenancy

• The PHA and owner/manager retain the authority to terminate the tenancy, occupancy, or program assistance of a victim under either of the following conditions:

- The termination is for a lease violation premised on something other than an act of domestic violence, dating violence, or stalking against the victim and the PHA or owner is holding the victim to a standard no more "demanding" than the standard to which other tenants are held.

- The PHA or owner/manager can demonstrate an "actual and imminent threat to other tenants or those employed at or providing service to the property" if the tenancy of the victim is not terminated.

Notice Requirements

• The Eastern Regional Authority will provide notice to HCV voucher participants of their rights under VAWA during Briefing Session, and to HCV owners/managers of their rights and obligations under VAWA during landlord orientation or through news letters/notices.
• The Eastern Regional Authority will provide notice to Public Housing and Section 8 Project Based Residents upon move in orientation.
