**MARION METROPOLITAN HOUSING AUTHORITY  
2011 ANNUAL PLAN**

**PROGRESS STATEMENT IN MEETING GOALS OUTLINED IN 5-YEAR PLAN**

The Marion Metropolitan Housing Authority has been issuing vouchers in an effort to assist as many families through the Housing Choice Voucher Program as possible.

At the time of the development of this report, the MMHA is currently below the baseline number of families allotted under the HCV Program and will be increasing its leasing efforts dependent upon continued federal funding for the program. The Authority does not anticipate exceeding the total annual baseline number of families assisted.

To maintain the baseline number of families assisted (624 per month), the Authority must continue to drawdown from its Net Restricted Assets as funding from the U.S. Department of Housing and Urban Development (HUD) is insufficient to enable the agency to assist the total number of baseline families each month.

Unfortunately, at some point in Calendar Year 2011, the agency not be able to reach the total baseline number of families as all of the available NRA funds will be expended.

And while the board of commissioners of the MMHA has authorized use of their own administrative fee reserve funds to assist in lease-up efforts, reported massive funding cuts by Congress and HUD to the HCV program in Calendar Year 2011 and beyond will go far beyond any additional funding the local agency funds may provide.

Therefore, until the funding situation is stabilized nationally, it is impossible to predict just how many families the agency will continue to be able to assist in the rest of the year and in the immediate future.

The Marion MHA continues its outreach efforts to landlords and the Marion County community with the dissemination of various brochures containing information on the Housing Choice Voucher Program, Housing Quality Standards and all general program requirements. The agency anticipates development of its own website this year which will further enhance outreach efforts.

Ongoing training for staff members is accomplished through Ohio Housing Authority Conference and national training sessions, with local full staff meetings held as needed to further educate employees on changes in policies and HUD program requirements. Viewing of the various webcasts as provided by HUD and national organizations such as NAHRO, NLHA and Nan McKay and Associates is also encouraged for various staff members.

Annually, the agency conducts Fair Housing Training for all employees with the cooperation of the Richland County and City of Mansfield and Marion Fair Housing offices.

Overall management of the Housing Choice Voucher Program remains high as the Authority continues to maintain its High Performer status through the Section Eight Management Assessment Program (SEMAP).

The Authority maintains ongoing working relationships with all of the local social service agencies including Job and Family Services, WSOS Community Action Agency, local Continuum of Care, the local domestic violence shelter, MRDD officials, the City of Marion and other community leaders and agencies.

In addition, the MMHA has been able to secure, with the assistance of the City of Marion and County of Marion, funds through the CHIP program to administer a Tenant Based Rental Assistance Program (TBRA) which is currently helping approximately 20 families with their rent.

These program monies, however, are short term as well and subject to future funding whims of state and federal officials as well. The TBRA program is modeled after the Housing Choice Voucher Program and operates in the same manner.

**MARION METROPOLITAN HOUSING AUTHORITY  
2011 ANNUAL PLAN**

**DESCRIPTION OF COMPLIANCE WITH PROVISIONS OF THE  
VIOLENCE AGAINST WOMENS ACT (VAWA)**

The Marion MHA works with local social service agencies, law enforcement officials and counseling services to identify and verify victims of domestic violence, sexual assault and/or stalking. If such victim is a current participant on the Authority's housing programs, the agency follows all of the mandated procedures to insure that said victim and her/his family continue to receive rental assistance and that the perpetrator is no longer a member of the household and/or is removed from the household. The Authority notifies all prospective program participants and all landlords of the requirements of the VAWA provisions and assists said victims in any way possible to insure their safety and continued program participation.

Each family and participant receives statements and copies of all required VAWA documents outlining VAWA provisions and describing instances and examples of domestic violence, dating violence, stalking etc.

VAWA information and certification forms are available to all participants through their caseworkers and counselors.

As appropriate, MMHA caseworkers may determine through their interactions with clients of the necessity to file VAWA forms and begin the VAWA process. Caseworkers routinely may referrals to local law enforcement, social service and other agencies when suspected cases of violence or threatened violence or stalking is suspected or ascertained.

The MMHA maintains a close working relationship with these agencies in all such instances.

Finally, a mass mailing was conducted to all current landlords outlining their responsibilities and duties under VAWA, and these same documents are provided to new landlords or management firms/agents prior to commencement of any assistance in Authority housing programs.

8. For PHA Plan that includes a policy for site based waiting lists:
  - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);

  - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

All three members of the Marion MHA Resident Advisory Council received, via U.S. Mail, a complete copy of the Marion MHA's proposed Annual PHA Plan update for 2011, including supporting documentation of the latest PHA audit and the Section 8 Administrative Plan.

Following receipt of the documents and review time, the members of the Marion MHA Resident Advisory Council met on Thursday, February 24, 2011, at 1 p.m. at the Authority leasing offices in Marion, Ohio.

Attending the meeting were members Mr. Earnest E. Robinson, Ms. Simona Creagh and Ms. LaToya Maxie. Others attending were Ms. Tammy Broadwater, Leasing Agent and Mr. Patrick Heydinger, Director.

Mr. Heydinger welcomed members and thanked them on behalf of the Authority for their efforts.

Mr. Heydinger explained to the Council the requirements of the U.S. Department of Housing and Urban Development for the Annual Plan update submission.

Mr. Heydinger said this document would be reviewed by HUD to meet only certain, specific criteria. The overall Authority goals remain the same, he said, in the plan update and thus no changes have been made.

Mr. Heydinger said most of the Annual Plan components do not apply to the local agency because it has no public housing units and because the Authority is not proposing any changes in the plan or goals, there are further reduced submission requirements.

He explained that the plan has been submitted to Marion City and Marion County officials for their review and signoff. He said the Mayor of Marion, Scott Schertzer, and the Marion Regional Planning Commission, which prepares the Consolidated Plan for Marion County, have already reviewed the plan update.

The Director noted that the Authority has revised certain portions of the Voucher Administrative Plan to deal with clarifications, proposed by HUD, to the Violence Against Women Act (VAWA) and general program updates to conform more closely to actual housing authority practices, and changes to third-party verification requirements and further utilization of the Enterprise Income Verification (EIV) system.

The Director explained that VAWA was signed into law in January, 2006, and the U.S. Department of Housing and Urban Development has finalized guidance and implementation guidelines on the law.

HUD has advised local agencies that they must abide by provisions of the law and HUD has provided a certification form that may be utilized by local agencies in enforcing provisions of VAWA.

Mr. Heydinger said all new landlords and participants receive information on the law at the time of initial briefing and again at recertifications.

The Director said the agency was overleased during the last calendar year and is now in the process of trying to maintain as close to baseline funding as possible with available monies. However, he cautioned that current indications from both the Administration and Congress seem to show that funding will remain at current levels, at best, or be reduced even further.

He noted that Congress has proposed making drastic reductions in HAP and administrative fee funding for the program, and this will have serious and significant consequences for both the agency and its constituents. In addition, he cautioned that HUD has proposed consolidating program operations into standardized, larger and possibly for-profit entities in an attempt to cut costs even further. Thus, he said, the outlook for the agency and its programs is not great for the long-term.

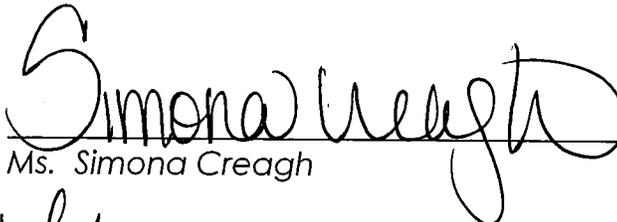

Council members had few questions on the plan and supporting documents. Members expressed their desire that the Authority obtain any and all additional funding, so it can at least reach full contact leasing authority.

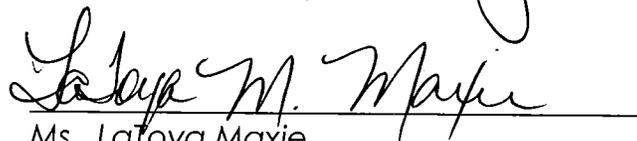

Mr. Robinson commented that certainly more funds are needed, as the housing needs in Marion County for low income families remain great. The Director cautioned that it is highly unlikely additional federal funding mechanisms will be made available for low income housing.

Members made generally favorable comments about the Authority and its operations and indicated if they had any additional comments, they would submit them in writing to the Authority. A public hearing is set for March 24, 2011 at 1 p.m. on the plan.

Following lengthy discussion, and approval of submission of the plan by members, Mr. Heydinger thanked members for their comments and said they would be included in the minutes. The meeting was adjourned at approximately 1:45 p.m.

By my signature, I am certifying that I was in attendance at the February 24, 2011, meeting of the Marion Metropolitan Housing Authority's Resident Advisory Council at the MMHA Leasing Office in Marion, Ohio.
